Man Who Never Was The:

Operation Heartbreak and The Man Who Never Was Duff Cooper, Ewen Montagu, 2011-11-08 The greatest deception of the Second World War and possibly in the whole of military history took place in April 1943 when a body was found floating in the sea off the Spanish coast The documents found on him would eventually find their way to Hitler's desk and send German troops hurtling in the wrong direction The dead man convinced the Axis powers that the Allies were about to attack Greece and not the real target Sicily The course of the war was changed In this volume is a story within the original extraordinary story Duff Cooper's only fictional work Operation Heartbreak was based upon the emotionally charged decision to use an anonymous corpse to weave the web of deceit The British authorities tried to suppress the book because it would show the Spanish in a bad light with Franco now in power A change of heart followed and Ewen Montagu was encouraged to tell the whole story Anyone who read Ben Macintyre's best selling Operation Mincemeat will have to read this double volume to understand the full story

Emerson in His Own Time Ronald A. & Joel Bosco & Myerson, 2005-04 At his death Nathaniel Hawthorne 1804-1864 was universally acknowledged in America and England as the Great Romancer Novels such as *The Scarlet Letter* and *The House of the Seven Gables* and stories published in such collections as *Twice Told Tales* continue to capture the minds and imaginations of readers and critics to this day Harder to capture however were the character and personality of the man himself So few of the essays that appeared in the two years after his death offered new insights into his life art and reputation that Hawthorne seemed fated to premature obscurity or at least permanent misrepresentation This first collection of personal reminiscences by those who knew Hawthorne intimately or knew about him through reliable secondary sources rescues him from these confusions and provides the real human history behind the successful writer Remembrances from Elizabeth Peabody Sophia Hawthorne Oliver Wendell Holmes Ralph Waldo Emerson Bronson Alcott Rebecca Harding Davis and twenty others printed in *Hawthorne in His Own Time* follow him from his childhood in Salem through his years of initial literary obscurity his days in the Boston and Salem Custom Houses his service as U.S. Consul to Liverpool and Manchester and his life in the Anglo-American communities at Rome and Florence to his late years as the Great Romancer In their enlightening introduction editors Ronald Bosco and Jillmarie Murphy assess the postmortem building of Hawthorne's reputation as well as his relationship to the prominent Transcendentalists spiritualists Swedenborgians and other personalities of his time By clarifying the sentimental associations between Hawthorne's writings and his actual personality and moving away from the critical review to the personal narrative these artful and perceptive reminiscences tell the private and public story of a remarkable life

Bearing Witness George E. Lankford, 2006-03-01 The first edition of *Bearing Witness* brought together for the first time 176 slave narratives from the state of Arkansas Now this new edition adds ten previously undiscovered accounts No one knew the truths of slavery better than the slaves themselves but no one consulted them until the 1930s Then recognizing that this generation of unique witnesses would soon be lost to

history the Works Progress Administration's Federal Writers Project acted to interview as many former slaves as possible. In a continuation of the project's interest in the life histories of ordinary people, writers interviewed over two thousand former slaves, more than a third of them in Arkansas. These oral histories were first published in the 1970s in a thirty-nine volume series organized by state, and they transformed America's understanding of slavery. They have offered crucial evidence on a variety of other topics as well: the Civil War, Reconstruction, agricultural practices, everyday life, and oral history itself. But some former Arkansas slaves were interviewed in Texas, Oklahoma, and other states, so their narratives were published in those other collections. And more than half of the testimonies in the Arkansas volume were interviews with people who had moved to Arkansas after freedom. Folklorist George Lankford combed all of the state collections for the testimonies properly belonging to Arkansas and deleted from this state's collection the testimony of later migrants. *The New World*, 1842

Burton's Gentleman's Magazine and American Monthly Review Edgar Allan Poe, 1837 Calendar Modern Letters 4v Cb Edgell Rickword, D. Garman, 2014-01-14. First Published in 1966. The Calendar, which appeared between March 1925 and July 1927, was able to spread its influence much more widely than its present lack of reputation would suggest. It had much to do with the growth of the modern movement in criticism. By 1920 the old literary establishment had been almost entirely ousted by the younger generation that had been coming into prominence since about 1910. This title aims to showcase that during this short period of existence, *The Calendar of Modern Letters* published some of the best criticism to appear in any literary review since the decline of the great politico-literary reviews of the nineteenth century. *Messiah Pulpit*, 1899. Contains text of sermons delivered by M. J. Savage and others in New York City. **WARLOCK'S PLAY: 550+ Supernatural Mysteries, Macabre & Horror Classics** Mary Shelley, Bram Stoker, Edgar Allan Poe, Henry James, Algernon Blackwood, H. P.
