Oxford History Of The American People V:

The Oxford History of the American People, V. 2 Samuel Eliot Morison, 1972 **The Oxford History of the American People: Cumulative index** Samuel Eliot Morison, 1972 **The Oxford History of the American People, V. 1** Samuel Eliot Morison, 1972 **The United States Catalog**, 1925 To Shining Sea Stephen Howarth, 1999 The most comprehensive and authoritative narrative account of American sea power written in recent times List of Books for School Libraries of the State of Oregon, 1917 **American Indians and the Law** N. Bruce Duthu, 2008-01-31 A perfect introduction to a vital subject very few Americans understand the constitutional status of American Indians Few Americans know that Indian tribes have a legal status unique among America's distinct racial and ethnic groups they are sovereign governments who engage in relations with Congress This peculiar arrangement has led to frequent legal and political disputes indeed the history of American Indians and American law has been one of clashing values and sometimes uneasy compromise In this clear sighted account American Indian scholar N Bruce Duthu explains the landmark cases in Indian law of the past two centuries Exploring subjects as diverse as jurisdictional authority control of environmental resources and the regulations that allow the operation of gambling casinos American Indians and the Law gives us an accessible entry point into a vital facet of Indian history The United States Catalog Supplement, January 1918-June 1921 Eleanor E. Hawkins, 1921 Projecting the End of the American Dream Gordon B. Arnold, 2013-04-09 This provocative book reveals how Hollywood films reflect our deepest fears and anxieties as a country often recording our political beliefs and cultural conditions while underscoring the darker side of the American way of life Long before the war in Iraq and the economic crises of the early 21st century Hollywood has depicted a grim view of life in the United States one that belies the prosperity and abundance of the so called American Dream While the country emerged from World War II as a world power collectively our sense of security had been threatened The result is a cinematic body of work that has America's decline and ruin as a central theme The author draws from popular films across all genres and six decades to illustrate how the political climate of the times influenced their creation Projecting the End of the American Dream Hollywood's Visions of U S Decline combines film history social history and political history to reveal important themes in the unfolding American narrative Discussions focus on a wide variety of films including Rambo Planet of the Apes and Easy Rider **Women in the American Revolution** Sudie Doggett Wike, 2018-02-02 Without the support of American women victory in the Revolutionary War would not have been possible They followed the Continental Army handling a range of jobs that were usually performed by men On the orders of General Washington some were hired as nurses for 2 per month and one full ration per day disease was rampant and nurse mortality was high A few served with artillery units or masqueraded as men to fight in the ranks The author focuses on the many key roles women filled in the struggle for independence from farming to making saltpeter to spying
