The Conservative Party and the Destruction of Selective

Education in Post-War Britain Piers Legh, 2023-01-26 The book tells the untold story of the Conservative Party's involvement in terms of stance and policy in the destruction of selective state education from 1945 up to the present day. Close consideration is paid to their attitudes and prejudices towards education both in power and in opposition. Legh examines the Party's responses to the pressure for comprehensive schooling and egalitarianism from the Labour Party and the British left. In doing so, Legh defies current historiography to demonstrate that the Party were not passive actors in the advancement of comprehensive schooling. The lively narrative is moved along by the author's critical examination of the Education Ministers throughout this period: Florence Horsbrugh and David Eccles serving under Churchill and Eden, and also Quintin Hogg and Geoffrey Lloyd under Macmillan, as well as Edward Boyle and Margaret Thatcher under Edward Heath. Legh's detailed research utilises a range of government documents, personal papers, parliamentary debates, and newspapers to provide this crucial re-assessment of the Conservative Party and selective education, and in doing so, questions over simplistic generalisations about wholesale support for selective education policy. It reveals instead questioning, compromises, and disagreements within the Party and its political and ideological allies. The result is a stimulating revival of existing scholarship which will be of interest to scholars of British education and politics.

Comparative Inquiry and Educational Policy Making, John Major: *An Unsuccessful Prime Minister?* Kevin Hickson, Ben Williams, 2017-05-23

This year marks the twentieth anniversary of one of the most momentous general elections this country has ever seen. John Major's defeat in 1997 ended a record eighteen years of Tory government, prompting accusations of failure and ignominy. A controversial leader, Major oversaw numerous crises in international and domestic policy. Between 1990 and 1997 he presided over Britain's participations in the Gulf War, the start of the Northern Ireland peace process, the Maastricht Treaty negotiations, and famously Black Wednesday, and Britain's exit from the ERM. Towards the end, Major's government was split over Europe and ridden with allegations of sleaze. Widely criticised by the media and politicians from all parties, Major went on to be crushed by Tony Blair and New Labour in the 1997 general election. *An Unsuccessful Prime Minister* is the first wide-ranging appraisal of John Major's government in nearly two decades. This book reconsiders the role of John Major as Prime Minister and the policy achievements of his government. Major's government faced many more constraints and left behind a more enduring legacy than his critics allowed at the time or since.

Eugenics, Race and Intelligence in Education Clyde Chitty, 2009-07-07 A fascinating study into how eugenics and concepts of intelligence have influenced education systems in both the UK and US.

Leading Beautifully Fenwick W. English, Lisa Catherine Ehrich, 2016-01-08 *Leading Beautifully* provides a new dimension to understanding effective leadership. Drawing from lessons in the arts and the humanities, English and Ehrich explore how educational decision making in schools can be informed by identity, personal competence, and an understanding of the field's intellectual foundations. Based on in-depth interviews of artists and educational leaders, this book provides insight into the inner world of successful leaders who have developed competencies and understandings that extend

beyond the standard leadership tool box This exciting new book explores the theory and practice of leadership connoisseurship as a human centered endeavor and as an antidote to mechanistic business oriented practices The authors well grounded reconsideration of educational leadership will enliven and enhance any educational leader s practice

About Our Schools Mick Waters,Tim Brighouse,2022-01-05 Foreword by Danny Dorling Through revealing and forthright interviews with 14 secretaries of state from Kenneth Baker to Michael Gove and Gavin Williamson together with many other leading figures in education Tim Brighouse and Mick Waters provide fascinating insights into the various evolutions and revolutions that have taken place in English state education since 1976 In so doing they highlight key areas for improvement and assess where we should go from here to enable teachers and schools to improve the learning and broaden the horizons of each and every one of their pupils whatever their talents challenges advantages or problems Tim and Mick have both spent a lifetime in state provided education first as pupils then as teachers and finally in various leadership and policy making positions both in and out of schools About Our Schools is born out of their shared love for education and their appreciation of how schooling can be a transformative element in the lives of children and young people All royalties from sales of this book will be donated to Barnardo s and the Compassionate Education Foundation

School Policy Reform in Europe John Benedicto Krejsler,Leif Moos,2023-07-31 This book discusses national school policy reforms in a number of key European countries and shows how these are framed in transnational collaborations that meet with national particularities and contestations It gives an overview of school policy developments that represents the diversity of Europe within a comparative framework It takes point of departure in the fact that European countries in their school and education policies have been increasingly aligning with each other mostly via transnational collaborations the OECD EU and the Bologna Process Even the IEA has been instrumental to motivate alignments by means

of influential surveys knowledge production and methodological development This alignment in terms of common standards social technologies qualification frameworks and so forth have aimed at facilitating mobility of students workers business and so forth as well as fostering a European identity among citizens from Europe's patchwork of small and medium size countries representing a patchwork of different languages cultures and societal contexts In national recontextualizations however alignments have been continuously contested according to the particularities of what has been possible educationally and politically in the different national contexts Furthermore the return of nationalisms as well as the rise of edubusiness and digitalization have been increasingly influential This book thus concludes that increasing transnational alignments have to be observed with meticulous attention to different national contexts that matter greatly

Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year.

Radical Educational Policies And Conservative Secretaries Of State : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
