Radical Grace Daily Meditations By Richard Rohr:

Radical Grace Richard Rohr, 1993 **Fully Alive** Timothy Shriver, 2014-11-11 On a quest for what matters most Timothy Shriver discovers a radically different inspiring way of life At a time when we are all more rudderless than ever we look for the very best teachers and mentors to guide us In *Fully Alive* an unusual and gripping memoir Timothy Shriver shows how his teachers have been the world's most forgotten minority people with intellectual disabilities In these pages we meet the individuals who helped him come of age and find a deeper and more meaningful way to see the world Shriver's journey begins close to home where the quiet legacy of his aunt Rosemary a Kennedy whose intellectual disability kept her far from the limelight inspired his family to devote their careers to helping the most vulnerable He plays alongside the children of Camp Shriver his mother's revolutionary project which provided a space for children with intellectual disabilities to play and years later he gains invaluable wisdom from the incredible athletes he befriends as chairman of the organization it inspired Special Olympics Through these experiences and encounters with scholars spiritual masters and political icons such as Nelson Mandela Shriver learns how to find humility and speak openly of vulnerability and faith *Fully Alive* is both a moving personal journey and a meditation on some of the greatest wisdom and the greatest contradictions of our society Is disability to be feared or welcomed pitied or purged Shriver argues that we all have different abilities and challenges we should embrace Here we see how those who appear powerless have turned this seeming shortcoming into a power of their own and we learn that we are all totally vulnerable and valuable at the same time Wisdom From the Margins William G. Britton, 2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn't ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It's not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I'm hoping that like me you'll discover something that you didn't know you wanted or needed and something now you wouldn't give up at any price *The Gospel of Falling Down* Mark Townsend, 2007-06-27 We hear a lot about the gospel of success whether from Christian or New Age sources But most of us are more accustomed to failure or at least not reaching our hopes Which surely is at the heart of the life of Jesus and his message This book is a radical departure from much of what modern day Christianity and gurus of all kinds seem to offer Rather than seeing Christianity as a group of people trying to change themselves into the ideal it describes how such a practice is precisely what Jesus came to liberate us from **A Glorious Dark** A. J. Swoboda, 2015-01-27 On Thursday as they ate the Passover meal with Jesus the

disciples believed that the kingdom was coming and they were on the front end of a revolution Then came the tragedy of Friday and somehow even worse the silence of Saturday They ran They doubted They despaired Yet within the grave God's power was still flowing like a mighty river beneath the ice of winter And then there was Sunday morning Real raw and achingly honest A Glorious Dark meets readers in the ambiguity doubt and uncertainty we feel when our beliefs about the world don't match up to reality Tackling tough questions like Why is faith so hard Why do I doubt Why does God allow me to suffer and Is God really with me in the midst of my pain A J Swoboda puts into sharp focus a faith that is greater than our personal comfort or fulfillment He invites readers to develop a faith that embraces the tension between what we believe and what we experience showing that the very tension we seek to eliminate is where God meets us *La Vida Sacra* James Empereur, Eduardo Fernández, 2006-10-12 *La Vida Sacra* Contemporary Hispanic Sacramental Theology is an original insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries It offers a distinctive take on the actual belief and enculturation of the sacraments in the Latino experience and context Due to the growing presence of Hispanics in this country churches are looking for new and innovative ways to fit them into their congregations The existence of Hispanics and more importantly the value of their religious experiences are being gradually accepted in theological societies Eduardo Fernández and James Empereur's new book fills the need for a more comprehensive and richer context for sacramental theology As the newest book in the Celebrating Faith Series it is ideal for theology courses as well as directors of ministerial programs and their students who are looking to place Hispanic sacramentality in the larger framework of sacramental theology **The Passionate Jesus** The Rev. Peter Wallace, 2012-10-24 Sometimes what we already know about Jesus gets in the way of our really knowing him Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions as well as his teachings to uncover a passionate figure who was involved present connected honest and direct with others Through Wallace's deeply personal insights and compelling examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God *You Don't Owe Anyone* Caroline Garnet McGraw, 2021 *You Don't Owe Anyone* invites perfectionists workaholics people pleasers and strivers to make surprising choices that free us from the weight of expectations Caroline Garnet McGraw's personal stories serve as a compassionate witness and a wake up call inspiring us to move our life in new positive directions She shows us what it looks like to refuse to overfunction in the old ways empowering us to move past perfectionism and heal our hearts Book jacket *A Lever and a Place to Stand* Richard Rohr, 2014-05-14 Explores the challenges the rewards the call and the possibilities of integrating a sincere inner life with an

active life of engagement with the pain of the world Sacred Gifts Tina Brennan,2003 Middle teens just by living their ever eventful lives shape and enrich the adults around them Sacred Gifts taps the opportunities for growth and sacred insight that come when parents ponder and appreciate the gifts of wisdom these fragile creators of chaos bring to the family and to the world Each chapter unwraps a gift that Tina Brennan received from one of the many teenage experiences of her seven children and invites the reader to reflect on how that gift might become part of his or her life Book jacket **Launch Your Encore** Hans Finzel,Rick Hicks,2015-03-10 In 2011 the first of the 76 million baby boomers nearly a quarter of the US population began turning 65 Every day for the next fifteen years over ten thousand of them will celebrate that birthday And for the first time in history this generation will enjoy many years post career pursuing meaning and purpose outside of traditional retirement What will they do with that time One thing is for sure most of them want to find something meaningful This book lays out the choices to be made to find fulfillment in the encore years of life Launch Your Encore is a game plan for life after one s main act career Hans Finzel and Rick Hicks show boomers how to enter this new stage of life poised for personal satisfaction and contributions to society They offer tested advice on finding new life potential and thriving in these later decades of life With real life examples of people who have made the transition from full time work to volunteering ministry or even second careers Launch Your Encore shows boomers how to make an impact later in life *The Missional Quest* Lance Ford,Brad Brisco,2013-08-26 Lance Ford and Brad Brisco walk leaders through the major shifts involved in converting consumer model churches into congregations on a quest for the kingdom of God Addressing everything from sowing the seeds of incarnational thinking to stepping out in the local community The Missional Questwill prepare your church for the long run **Moment to Moment** Amy Sander Montanez,2013-09 This book is about transformation spiritual life changing transformation available to you right now It is divided into four sections Inner Work Holy Ground Sabbath and Community and Vocation and uses stories of simple life experiences to explore the ways in which we experience the transformative process Readers of this book also will learn to appreciate how when we are transformed the world is transformed Isn t that the Gospel after all AARP Falling Upward Richard Rohr,2011-12-12 AARP Digital Editions offer you practical tips proven solutions and expert guidance Introducing Evangelical Ecotheology Daniel L. Brunner,Jennifer L. Butler,A. J. Swoboda,2014-10-14 Today s church finds itself in a new world one in which climate change and ecological degradation are front page news In the eyes of many the evangelical community has been slow to take up a call to creation care How do Christians address this issue in a faithful way This evangelically centered but ecumenically informed introduction to ecological theology ecotheology explores the global dimensions of creation care calling Christians to meet contemporary ecological challenges with courage and hope The book provides a biblical theological ecological and historical rationale for earthcare as well as specific practices to engage both individuals and churches Drawing from a variety of Christian traditions the book promotes a spirit of hospitality civility honesty and partnership It includes a foreword by Bill

McKibben and an afterword by Matthew Sleeth **You and God** Bill Paradise, 2010-05-03 You and God's focus is on helping people connect or reconnect with God regardless of whether they have a religion they practice or not Topics covered include our purpose in life learning to listen for God as he communicates with us tools for relating to God what it's like to have him be a real part of your life and basic life issues we all face such as fear and stress **Falling Upward** Richard Rohr, 2011-04-19 A fresh way of thinking about spirituality that grows throughout life In Falling Upward Fr Richard Rohr seeks to help readers understand the tasks of the two halves of life and to show them that those who have fallen failed or gone down are the only ones who understand up Most of us tend to think of the second half of life as largely about getting old dealing with health issues and letting go of life but the whole thesis of this book is exactly the opposite What looks like falling down can largely be experienced as falling upward In fact it is not a loss but somehow actually a gain as we have all seen with elders who have come to their fullness Explains why the second half of life can and should be full of spiritual richness Offers a new view of how spiritual growth happens loss is gain Richard Rohr is a regular contributing writer for Sojourners and Tikkun magazines This important book explores the counterintuitive message that we grow spiritually much more by doing wrong than by doing right *God Distorted* John Bishop, 2013-05-21 God is not a bigger version of your earthly father When you hear the word father do you think of someone who is loving or angry Someone who is pleased with you or constantly disappointed Someone who is always available or someone who is too busy preoccupied or distant When you think of Father God what images come to mind Regardless of the type of father you grew up with or without it is likely that your view of God is influenced by the relationship you had with your father Author John Bishop wants to help you discover that God is not just like your dad Instead God is the Father revealed in Scripture where the truth is clear God is a father who is always there up close and personal fully pleased in complete control completely safe Filled with biblical insight and practical tools for reflection healing and restoration God Distorted will enable you to break free from the lies of the enemy and see your heavenly Father as He truly is **Choosing Presence** Jim Heaney, 2020-01-28 All we have to do is to recognize God as being intimately present within us Brother Lawrence Brother Lawrence's seventeenth century spiritual classic The Practice of the Presence of God showed how cultivating presence can be the salve to stress anxiety worry and fear all of which continue to plague us today Now in this contemporary complement to Brother Lawrence's work author and contemplative teacher Jim Heaney explains in clear accessible language why presence is essential to connecting to and sustaining a vibrant inner life Drawing on Christian scripture spiritual luminaries from the Christian tradition the social sciences and personal experience Choosing Presence thoroughly explores why this practice is so effective at alleviating compulsive negative thinking and offers a practical guide to incorporating it into your own life With an emphasis on action each chapter includes A spiritual intention to help bring in stillness and connect with God's spiritual energy A step by step guided breathing practice Three questions to help you gauge your progress Choosing Presence also includes a detailed question and answer

section that will help you overcome common obstacles to practicing presence The book's free companion app Practicing Presence A Christian Way will assist you in deepening your commitment **Preparing for Christmas** Richard Rohr, 2013-11-22 Advent is not about a sentimental waiting for the Baby Jesus Richard Rohr Advent is a time to focus our expectation and anticipation on the adult Christ the Cosmic Christ who challenges us to empty ourselves to lose ourselves to surrender Preparing for Christmas offers daily meditations prayers Scripture readings and questions for reflection for each day of Advent
