**Radical History Review** Barbara Smith,1992-11 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective Radical History Review: Volume 55 Cambridge University Press,1993-04-08 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non sectarian left perspective RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race class and gender in history Radical History Review: Volume 70 ,1998-06-04 Feature articles in this issue include Women and Guilds in Bologna The Ambiguities of Marginality by Dora Dumont Unpacking the First Person Singular Negotiating Patriarchy in Nineteenth Century Chile by Andy Daitzman Culture Wars Won and Lost Part II Ethnic Museums on the Mall by Fath Davis Ruffins a continuation of an article published in RHR 68 and All the Intensity of My Nature Ida B Wells and African American Women s Anger in History by Patricia A Schechter The Great Leveler Brett Christophers,2016-01-04 Brett Christophers shows how laws help capitalism maintain a crucial balance between competition and monopoly When monopolistic forces dominate antitrust law discourages the growth of corporations and restores competitiveness When competition becomes dominant intellectual property law protects corporate assets and encourages investment Éirinn & Iran go Brách Mansour Bonakdarian,2023-12-05 This book analyzes particular patterns of nationalist self configuration and nationalist uses of memory counter memory and historical amnesia in Ireland from roughly around the time of the emergence of a broad based non sectarian Irish nationalist platform in the late eighteenth century the Society of United Irishmen until Ireland s partition and the founding of the Irish Free State in 1922 In approaching Irish nationalism through the particular historical lens of Iran this book underscores the fact that Irish nationalism during this period and even earlier always utilized a historical paradigm that grounded Anglo Irish encounters and Irish nationalism in the broader world history a process that I term worlding of Ireland In effect Irish nationalism was always politically and culturally cosmopolitan in outlook in some formulations even in the case of many nationalists who resorted to insular and narrowly defined exclusionary ethnic and or religious formulations of the Irish nation Irish nationalists as nationalists in many other parts of the world recurrently imagined their own history either in contrast to or as reflected in the histories of peoples and lands elsewhere even while claiming the historical uniqueness of the Irish experience Present in a wide range of Irish nationalist political cultural and historical utterances were assertions of past and or present affinities with other peoples and lands Rethinking Art History Donald Preziosi,1989-01-01 A general overview of the theoretical and institutional history of the discipline of art history Refuting the image of art history as a discipline in crisis Preziosi asserts that many of the dilemmas and contradictions of art history today are not new but can be traced back to problems surrounding the founding of the discipline its institutionalization and its academic expansion since the 1870s Donald Preziosi has written a timely and incisive study of the

methods and assumptions of art history in the modern period As the book unfolds one realizes that art history was never as unitary and monolithic as the phrase the discipline of art history suggests but is in fact a complicated and highly contradictory range of practices whose disciplinary coherence may be more mythical than real This is a deliberately discomfiting book however for its clear sightedness rigor and wit it is a book to be welcomed by everyone concerned with the present condition and future direction of visual studies Norman Bryson Harvard University An important and courageous book Rethinking Art History is a rigorous and original contribution to the current post structuralist and postmodernist debates in cultural studies here and abroad Steven Z Levine Bryn Mawr College Through this kind of reading of the discourse of art history Preziosi provides some acute analysis of the metaphors and stratagems which continue to discipline the discipline of art history     Momentous Inconclusions Jennifer Bartlett, George Hart, 2021-01-05 The essays in this collection examine the breadth of Eigner's interests and influence considering issues pertaining to ecopoetics race and ethnicity disability technology media soundscapes phenomenology and popular culture     Reconstructing Urban Economics Franklin Obeng-Odoom, 2016-08-15 Neoclassical economics the intellectual bedrock of modern capitalism faces growing criticisms as many of its key assumptions and policy prescriptions are systematically challenged Yet there remains one field of economics where these limitations continue virtually unchallenged the study of cities and regions in built environment economics In this book Franklin Obeng Odoom draws on institutional Georgist and Marxist economics to clearly but comprehensively show what the key issues are today in thinking about urban economics In doing so he demonstrates the widespread tensions and contradictions in the status quo showing how to reconstruct urban economics in order to create a more just society and environment     *Theatre History Studies 2023, Vol. 42* Lisa Jackson-Schebetta, 2024-02-20 The official journal of the Mid America Theatre Conference Theatre History Studies THS is a peer reviewed journal of theatre history and scholarship published annually since 1981 by the Mid America Theatre Conference MATC a regional body devoted to theatre scholarship and practice The conference encompasses the states of Illinois Iowa Nebraska Kansas Missouri Minnesota North Dakota South Dakota Wisconsin Indiana Michigan and Ohio The purpose of the conference is to unite persons and organizations within the region with an interest in theatre and to promote the growth and development of all forms of theatre THS is a member of the Council of Editors of Learned Journals and is included in the MLA Directory of Periodicals THS is indexed in Humanities Index Humanities Abstracts Book Review Index MLA International Bibliography International Bibliography of Theatre Arts Humanities Citation Index IBZ International Bibliography of Periodical Literature and IBR International Bibliography of Book Reviews Full texts of essays appear in the databases of both Humanities Abstracts Full Text and SIRS Along with book reviews on the latest publications from established and emerging voices in the field this issue of Theatre History Studies contains three sections with fourteen essays total In the general section three essays offer an array of insights methods and provocations In the special section on care contributors capture their experience as scholars humans

Ritchie,2012-10-01 In the past sixty years oral history has moved from the periphery to the mainstream of academic studies and is now employed as a research tool by historians anthropologists sociologists medical therapists documentary film makers and educators at all levels The Oxford Handbook of Oral History brings together forty authors on five continents to address the evolution of oral history the impact of digital technology the most recent methodological and archival issues and the application of oral history to both scholarly research and public presentations The volume is addressed to seasoned practitioners as well as to newcomers offering diverse perspectives on the current state of the field and its likely future developments Some of its chapters survey large areas of oral history research and examine how they developed others offer case studies that deal with specific projects issues and applications of oral history From the Holocaust the South African Truth and Reconciliation Commissions the Falklands War in Argentina the Velvet Revolution in Eastern Europe to memories of September 11 2001 and of Hurricane Katrina the creative and essential efforts of oral historians worldwide are examined and explained in this multipurpose handbook *Law, Crime and Deviance since 1700* David Nash,Anne-Marie Kilday,2016-11-17 CHOICE Outstanding Academic Title 2017 Law Crime and Deviance since 1700 explores the potential for the micro study approach to the history of crime and legal history A selection of in depth narrative micro studies are featured to illustrate specific issues associated with the theme of crime and the law in historical context The methodology used unpacks the wider historiographical and contextual issues related to each thematic area and facilitates discussion of the wider implications for the history of crime and social relations The case studies in the volume cover a range of incidents relating to crime law and deviant behaviour since 1700 from policing vice in Victorian London to chain gang narratives from the southern United States The book concludes by demonstrating how these

narratives can be brought together to produce a more nuanced history of the area and suggests avenues for future research and study      Building Capitalism Linda Clarke, 2011 First published in 1992 this Routledge Revival sees the reissue of a truly original exploration of the nature of urbanization and capitalism Linda Clarke's vital work argues that Urbanization is a product of the social human labour engaged in building as well as a concentration of the labour force The quality of the labour process determines the development of production Changes to the built environment reflect changes in the production process and in particular the development of wage labour To support these arguments the author identifies a qualitatively new historical stage of capitalist building production involving a significant expansion of wage labour and hence capital and the transition from artisan to industrial production Linda Clarke draws from a wide range of original material relating to the development of London from the mid eighteenth to the early nineteenth century to provide a complete description of the development process materials extraction roadbuilding housebuilding paving cleansing etc profiles of builders and contractors involved and a picture of the new working class communities as in Somers Town their living conditions population working environment and politics      **Remembering the Road to World War Two** Patrick Finney, 2010-09-13

Remembering the Road to World War Two is a broad and comparative international survey of the historiography of the origins of the Second World War It explores how in the case of each of the major combatant countries historical writing on the origins of the Second World War has been inextricably linked with conceptions of national identity and collective memory

*History, Historians, and Autobiography* Jeremy D. Popkin, 2005-05-09 Though history and autobiography both claim to tell true stories about the past historians have traditionally rejected first person accounts as subjective and therefore unreliable What then asks Jeremy D Popkin in *History Historians and Autobiography* are we to make of the ever increasing number of professional historians who are publishing stories of their own lives And how is this recent development changing the nature of history writing the historical profession and the genre of autobiography Drawing on the theoretical work of contemporary critics of autobiography and the philosophy of Paul Ricoeur Popkin reads the autobiographical classics of Edward Gibbon and Henry Adams and the memoirs of contemporary historians such as Emmanuel Le Roy Ladurie Peter Gay Jill Ker Conway and many others he reveals the contributions historians life stories make to our understanding of the human experience Historians autobiographies he shows reveal how scholars arrive at their vocations the difficulties of writing about modern professional life and the ways in which personal stories can add to our understanding of historical events such as war political movements and the traumas of the Holocaust An engrossing overview of the way historians view themselves and their profession this work will be of interest to readers concerned with the ways in which we understand the past as well as anyone interested in the art of life writing      *American Ethnic History* Jason J. McDonald, 2007-05-25 This book provides a new framework for examining and comprehending the varied historical experiences of ethnic groups in the United States Thematically organized and comparative in outlook it explores how historians have grappled with questions that bear upon a

key aspect of the American experience ethnicity How did the United States come to have such an ethnically diverse population What contribution if any has this ethnic diversity made to the shaping of American culture and institutions How easily and at what levels have ethnic and racial minorities been incorporated if at all into the social and economic structures of the United States Has incorporation been a uniform process or has it varied from group to group As well as providing readers with an accessible yet authoritative introduction to the field of American ethnic history the book serves as a valuable reference tool for more experienced researchers Key Features Adopts a comparative and thematic approach that helps to demystify this complex and controversial subject Provides an orderly and readable introduction to the main issues and debates surrounding the topic Detailed and broad ranging discussion of historiography enables readers to find more specialized works on topics in which they are interested
