Copyright Office, 1959     *A Peculiar Treasure* Jon W. Brisby, 2019-06-30 A woman's personal conviction to begin keeping the seventh day Sabbath in 1926 would challenge her husband to begin an intensive study to prove her wrong That study would spawn a new religious movement under Herbert W Armstrong A fledgling group would form in 1934 and an audacious media operation would make the Radio Church of God later named the Worldwide Church of God grow by 30% per year over the next 35 years Proclaiming a unique understanding of the Bible traditional Christian orthodoxy would be challenged making that church most peculiar indeed Internal and external forces would alter Herbert Armstrong's view of his own mission and especially after Loma's death doctrinal and administrative turmoil would stagger the church for the rest of his life After his death in 1986 the empire would implode and successors would dismantle everything that the Armstrongs had built Was it all just a fantastic fraudulent escapade conceived by a lucky and

opportunistic salesman or might it have been a divine Work God's own peculiar treasure If it did begin with God's inspiration why and how did it all go so wrong Is there anything left of it today that has any redeeming value These are the questions that will be answered with evidence to suggest that there is yet an enduring legacy of Herbert and Loma Armstrong

L. Petty, 2011-09-28 For years I agonized over writing a book to address the many questions concerning God's church today The following are some of those questions and concerns Are you being deceived from the pulpit Does the church use offerings for God's purpose What is the pastor's salary and compensation Does your Pastor conform to or live like those in the world Are detailed financial statements distributed to each member Should you continue to give money to your church Are you sure that your church is the place for you to worship God After much prayer and study I felt the need to accept the challenge to address these questions in this book entitled *God's Church God's Money False Profits* It is with some trepidation that I approach these issues because for some the revelations may be uncomfortable to acknowledge or accept And for others they will find truth that will set them free John 8:32
