Ashlyn's Radio Norah Wilson, Heather Doherty, 2011-06-17 shlyn is crushed to have to move to Prescott Junction Maine where nothing happens Except apparently for a ghost train that rolls through Ashlyn scoffs at the idea until she sees it herself Then there s the old radio in the basement that reports events yet to happen and which tells her she ll board the ghost train Ashlyn will need her new friends as she faces down the evil conductor **Radio ChopstiX** Rick O'Shea, 2011-08 Already a best seller in China Radio ChopstiX An American DJ in China is an amazing story from Rick O Shea an American who became the most famous foreigner radio DJ in China Starting as a street painter in Canada he followed a radio career in Florida and Hawaii where he invented the most imaginative radio station ever Space Station KULA Fate can lead you to unimagined places and experiences Radio waves carried him to Taipei Hong Kong Shanghai and Beijing China s national broadcaster CCTV said that he changed radio history in China Millions know who he is but few know his story And for the first time he writes about his relationship with one of China s most famous writers San Mao whom he knew for ten years up to her tragic death in 1991 Radio ChopstiX is a creative radio story and more Rick has experienced life in China from a much different and original perspective He became a piece of modern China s history as a part of the bridge between China and the world an unofficial Ambassador to China updated April 2013 **Radio Belly** Buffy Cram, 2012-03-23 In the surreal world of Buffy Cram s stories someone or something slips beneath the skin of her already beleaguered characters Stealing into their worlds it rearranges the familiar into something strange and possibly threatening making off with their emotional and even physical goods A smug suburbanite becomes obsessed with the hybrids the wandering mob of intellectual vagrants overrunning his complacent little cul de sac snacking on pate and reciting poetry a father and daughter s post apocalyptic Pacific island civilization built of floating garbage and sustained entirely by rubber is beginning to fray literally revealing something disastrously like moss beneath its smooth synthetic skin following an appendectomy a young woman s belly starts transmitting what sound like Russian radio signals Inhabited occupied possessed suddenly the world as they knew it is no longer quite recognizable not to mention safe if it actually was safe before But it s the surprising often revelatory ways in which Cram s characters navigate through these strange new landscapes that imbues these stories with complexity grace

included from both broadcast and non broadcast work      Radio Free Mickey Mike Haszto,2008-11-17 Enter the everyday life of Mickey Miller who owns radio station WVVV V 103 licensed to North Ridgeville Ohio He is married to a successful executive and Southern Belle Leigh and they have nine children He is a very happy and well adjusted person who balances his career with his personal and family life at least up until now Follow the rollercoaster ride that Mickey suddenly finds himself on when things around him begin to change Station rumors Media circus Pressure and tension set in He makes a few quirky decisions and then the seatbelt loosens on his life over the next six days Family issues add to the chaos already created are the media rumors true that his station is being sold to corporate suits who have been his stated enemy for years After all his love of radio is all about personal ownership and control that radio is really for the listeners Those corporate suits have been dominating radio for years since the deregulation laws took shape almost two decades ago Follow the path that Mickey takes in uncovering these rumors and what needs to be done to meet the perceived challenges head on      Radio-Controlled Sailboat Racing Donald W. Tyson,2009-11-15 This book tells the remarkable story of Robert F Williams one of the most influential black activists of the generation that toppled Jim Crow and forever altered the arc of American history In the late 1950s as president of the Monroe North Carolina branch of the NAACP Williams and his followers used machine guns dynamite and Molotov cocktails to confront Klan terrorists Advocating armed self reliance by blacks Williams challenged not only white supremacists but also Martin Luther King Jr and the civil rights establishment Forced to flee during the 1960s to Cuba where he broadcast Radio Free Dixie a program of black politics and music that could be heard as far away as Los Angeles and New York City and then China Williams remained a controversial figure for the rest of his life Historians have customarily portrayed the civil rights movement as a nonviolent call on America's conscience and the subsequent rise of Black Power as a violent repudiation of the civil rights dream But Radio Free Dixie reveals that both movements grew out of the same soil confronted the same predicaments and reflected the same quest for African American freedom As Robert Williams's story demonstrates independent black political action black cultural pride and armed self reliance operated in the South in tension
