**On the Road to Mandalay** Randle Manwaring, 2007-03-28 The fascinating book features the life story of Dr Randle Manwaring focusing particularly on his Regiment's fight to capture Burma towards the end of WW2 As one of the founding Officers of the RAF Regiment the author helped train and set up the Regiment from its inception in 1942 He saw active service with the Regiment in Burma where the Regiment particularly distinguished itself but suffered heavy losses Randle was present at the Japanese surrender in Rangoon and took the Swords from the Japanese Generals as they surrendered The end of the War saw a return to a very different life requiring different skills Guided by his strong Christian beliefs Randle established a successful career in the City in Insurance Broking

*Forward Air Bases in Europe from D-Day to the Baltic* Trevor Stone, 2025-08-05 The largely sea borne invasion of Northern France in June 1944 Operation Overlord is acknowledged as one of the key actions which hastened the end of the Second World War The RAF played a vital part in the landings It then supported the subsequent advance of Montgomery's 21st Army and the Allies as a whole through France Belgium Holland and into Germany Following the breakout from the Normandy bridgehead in early August 1944 the RAF's Second Tactical Air Force moved forward in support of the troops occupying a number of temporary airfields as it went The ground support for this operation was complex a situation that was exacerbated by the fact that much of it had to be highly mobile The advance however was rapid and soon ran into problems as the supply lines grew longer by the day The planners had envisaged that capturing the Belgian port of Antwerp would eventually enable them to bring in vitally needed supplies much further north on the Continent Although the city and its port were liberated in September 1944 the port's route to the sea along the River Scheldt was still controlled by German forces It took nearly three months until this

was resolved and the port opened for business Until then in the RAF's equivalent of the US Army's famed Red Ball Express it was some 300 miles by road from Normandy with the Second Tactical Air Force largely reliant on the Army for transporting its needs For an air force needing large volumes of fuel and ammunition demand soon began to outpace supply A number of emergency measures were put in place to keep the aircraft operational which saw the RAF resorting to the use of its heavy bombers to fly in supplies Even when Antwerp was up and running supplying the Second Tactical Air Force remained a hand to mouth affair right through until the enemy's surrender in May 1945 In *Forward Air Bases in Europe from D Day to the Baltic* the author explores the challenges of supporting a mobile air force in those uncertain days as Hitler's forces were retreating to their homeland As the Allies found things can go badly wrong when thinking loses touch with the art of the possible logistics In the end miraculously it worked but it was a close run thing [Aviation News](#), 2002-07 **The British National Bibliography** Arthur James Wells, 2003 *Britain's Final Defence* Dale Clarke, 2016-11-07 Known affectionately as Dad's Army the Home Guard was Britain's very serious attempt to protect our shores from invasion by Nazi Germany in the Second World War In the Spitfire summer of 1940 all that the 1 million unpaid untrained part timers of the Local Defence Volunteers as the organisation was originally called wanted was a service rifle for each man but even that was too much for a country threatened by defeat to provide Britain's Final Defence is the first book to explore the efforts made to arm the home defence force between 1940 and 1944 and describe the full range of weaponry available for Britain's last stand against invading Axis forces *RAF and USAAF Airfields in the UK During the Second World War* Geoff Mills, Daniel Knowles, 2022-03-31 Shortly after the end of the Second World War the United Kingdom was described as one vast aircraft carrier anchored off the coast of Europe During a seven year period 500 airfields were constructed to serve the needs first of the RAF and later the USAAF as they carried the war to German occupied Europe The airfields that were constructed took many different forms from training airfields and Advanced Landing Grounds to grass fighter airstrips and vast complexes used to accommodate heavy bombers This book charts the history of each Second World War airfield in and around the UK providing a unique insight in to the construction operational life and post war history of each airfield Alongside detailing the history of each airfield this work comprehensively records the details of each unit that operated from airfields around the UK The information provided in this meticulously researched book is supported by a wealth of 690 photographs providing an illustration into the life of each wartime station [Armor](#), 1976 **Monte Cassino** Peter Caddick-Adams, 2013 Waged deep in the Italian mountains beneath a mediaeval monastery the battle of Monte Cassino was an astonishingly brutal encounter grinding up ten armies in conditions as bad as the Eastern Front at its worst This book provides a vivid account of how an array of men from across the globe fought the most lengthy and devastating engagement of the Italian campaign in an ancient monastery town **The Routledge Guide to British Political Archives** Chris Cook, 2012-10-02 This major new reference work provides an authoritative and wide ranging guide to archive sources now becoming available for British

political history since 1945 With a user friendly layout the book presents a comprehensive range of 1 500 personal papers from leading statesmen backbench politicians writers campaigners diplomats and generals which cover the key aspects of British history since the end of the Second World War Compiled by an experienced archivist this comprehensive easy to use and authoritative guide is an invaluable resource for researchers of modern British history **Armed Forces** ,1982

Aviation Landmarks - Norfolk and Suffolk Peter B. Gunn,2017-11-24 Norfolk and Suffolk are bursting with aviation heritage having played key roles in military aviation through the two world wars and beyond The obvious notable landmarks include airfields past and present traces of former radar stations decoy airfields and other sites that were once highly secretive However there are less conspicuous ones too from churches memorials and museums to local pubs streets and even village signs This new edition of Aviation Landmarks Norfolk and Suffolk offers a fully updated account of aviation heritage and history right up to the present day With over 500 entries it covers nearly seventy airfields as well as many lesser known landmarks such as former radar stations country houses local heritage collections street signs and more Complete with illustrations OS grid references and an index of places this reference guide to the two counties both in the air and on the ground will captivate both interested locals and aviation enthusiasts alike **Kent at War 1939-45** Tanya

Wynn,2019-06-30 This comprehensive account of the southern English county during WWII covers everything from the Dunkirk evacuations to the Battle of Britain and more Located along the English Channel the southeastern county of Kent played a significant role in the Second World War This volume covers Kent s many contributions both civilian and military throughout the conflict The chronicle details how the Dover Patrol kept Allied shipping safe in the English Channel as well as the preparation and aftermath of the Dunkirk evacuations of May 1940 with all of the vessels leaving from and returning to Kent ports and harbors Kent s numerous airfields were of vital importance during the Battle of Britain between July and October 1940 The Richborough camp set up in 1939 at the old First World War Kitchener barracks provided safe haven to thousands of German and Austrian Jewish refugees This book includes never before published letters written to one of the camps residents during his stay there Historian Tanya Wynn also discusses the county s military hospitals and POW camps its Victorian Cross and George Medal winners and the restricted areas that adorned the coast as the people of Kent battered down the hatches knowing that they were the very first line of defense in case of a German invasion **Air Warfare and**

**Air Base Air Defense, 1914-1973** John F. Kreis,1988 RAF WWII Operational and Flying Accident Casualty Files in The National Archives Mary Hudson,2020-12-14 A journey through the original RAF Casualty Branch files and all the other available sources of information relating to RAF wartime casualties Military Historical Society At its height during the Second World War the RAF totaled 185 000 personnel All information concerning casualties was carefully compiled at the Air Ministry and now from these the official records those covering operational losses in the air and on the ground and flying accidents are being made available to the public through The National Archives This huge collection of casualty files contains

a wealth of contemporary documentation from a variety of sources including captured German records It includes official documents examples of which are given accounts of searches undertaken to establish the fate of the missing places of burial copies of information received from the International Red Cross and from sources within enemy occupied lands as well as letters from family and friends some of which reveal dark secrets of bigamy adultery illegitimacy debt and dishonor In this groundbreaking book Mary Hudson has used her expert knowledge to provide an invaluable guide to the understanding of these records for use by researchers and family members alike An intriguing work bringing the fruits of many years of inside experience into the hands of those trying to find the missing piece in the jigsaw of a family tree or any RAF historian The Shackleton Association Fascinating illustrates the dedication of the teams who handled the difficult issues of death and the missing in a very compassionate and dedicated manner Journal of The Orders Medals Research Society **World War II in Literature for Youth** Patricia Hachten Wee,Robert James Wee,2004 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource
