Rafe A Memoir:

Rafe Rafe Mair, 2004 For much of the legendary BC politician cum hotliner s career calling him a socialist would have risked a scorching riposte if not a punch in the nose but in his latest book that is the label he gives himself Has the old warrior gone over to the other side Well not exactly Rafe Mair has dominated the British Columbia airwaves for years pulling in more listeners than any other radio personality in the province Hundreds of thousands of people regularly tune in for his blend of unbridled opinion and unyielding interrogation garnering him the reputation of being one of Canada s most respected and feared radio talk show hosts But Rafe Mair is much more than a radio broadcaster A lawyer politician and environmental crusader Mair seems to have been made for the spotlight and he thrives amid a storm of controversy I was born that way I guess he says a contrarian all my life From childhood on I never liked being told what to do and challenged authority at every turn In this intimate and intriguing memoir Mair uncovers behind the scenes exploits during his 15 years practising law in Vancouver and Kamloops his five eventful years in Bill Bennett s provincial government and his nearly 25 years as a radio broadcaster He reveals his thoughts on everything from fish farms government and current Prime Minister Paul Martin to his departure from CKNW his personal relationships and struggles with depression Rafe A Memoir is a portrait of Rafe Mair as never seen before a reflective look at one of BC s most contentious figures *Willard Memoir*

Kim Rich,2018-04-03 After an unconventional childhood that ended in the tragic death of her mother and the murder of her Alaskan mobster father Kim Rich was left on her own at the young age of fifteen to fend for herself Ever since then she began a nearly lifelong pursuit in chasing what most others had a normal life Rich tugs at your heartstrings as you follow her journey toward normalcy from her teen years freshly orphaned through her high school years spent couch surfing at local families homes then through her college years a failed first marriage and a rising career as a journalist Through frank and down to earth storytelling Rich also tells of her grandfather s kidnapping a frightening health crisis and a six year attempt to have children Picking up right where her first memoir Johnny s Girl left off A Normal Life recounts the author s vivid story of being an ordinary girl faced with extraordinary circumstances at seemingly every turn in life with grace humility and wit

The Colonial Present Kerry Coast,2013-10-23 No treaties were made with indigenous nations residing in those territories where now there is a Canadian province called British Columbia Instead a breathtaking policy of criminalization assimilation and land rights and sovereignty extinguishment has been vigorously carried out against them Present day governments continue that approach now 150 years old in processes which have recently been re named and cosmetically improved but remain unconstitutional and are prohibited by the 1948 Genocide Convention which terms as genocide inter alia deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part Neither Britain nor Canada nor the settlers of British Columbia themselves have ever honourably addressed the peoples whose lands and resources form British Columbia The indigenous nations in what is now called British Columbia have never joined Canada but had citizenship imposed on them The province of BC has never fulfilled Canada s constitutional requirements of purchasing lands from the indigenous owners before settling The ongoing colonization of British Columbia relies on the settler population s indifference to the indigenous peoples plights and rights The Colonial Present documents the colonizer s manufacture of a new mythology to dehumanize the native peoples and strip them of their rightful place The interests of resource industries have dominated accounts of indigenous peoples throughout the mainstream media the academic presses and the courts They have substantially corrupted and impoverished the non native understanding of indigenous peoples on whose homelands they live and work and to which they seem to feel entitled The indigenous nations and individuals have suffered excruciating losses But the highest expression of official BC aspirations for reconciliation is only that they should release title to their homelands accept a small financial land and program funding settlement and submit to the British Columbia Treaty Commission agenda reducing them in legal terms to incorporated associations exercising management capacities barely distinguishable from those of BC municipalities while by fee simple title their lands and rich resources are ceded to the Queen This book is an exploration of how such a stunning string of events has happened and British Columbians continuing attempts to rationalize them

A Memoir of Sebastian Cabot Richard Biddle,1915 *A Memoir of Ralph Waldo Emerson* James Elliot Cabot,1887 *Writing after War* John Limon,1994-07-07 In *Writing After War* John Limon develops a theory of the relationship of war in general to literature in general in order to make sense of American literary history in particular Applying the work of war theorists Carl von Clausewitz and Elaine Scarry John Limon argues that The Iliad inaugurates Western literature on the failure of war to be duel like to have a beautiful form War's failure is literature's justification American literary history is demarcated by wars as if literary epochs like the history of literature itself required bloodshed to commence But in chapters on periods of literary history from realism generally taken to be a product of the Civil War through modernism usually assumed to be a prediction

or result of the Great War up to postmodernism which followed World War II and spanned Vietnam Limon argues that despite the looming presence of war in American history the techniques that define these periods are essentially ways of not writing war From James and Twain through Fitzgerald Faulkner and even Hemingway to Pynchon our national literary history is not hopelessly masculinist Limon argues Instead it arrives naturally at Bobbie Ann Mason and Maxine Hong Kingston Kingston brings the discussion full circle The Woman Warrior like The Iliad appears to condemn the fall from duel to war that is literature s endless opening
