**Devout** Anna Gazmarian,2024-03-12 A moving Leslie Jamison author of The Recovering memoir that

reconciles the author's bipolar disorder diagnosis and her Evangelical faith to create a new framework for which to live. In this dazzling Publishers Weekly starred review memoir Anna Gazmarian tells the story of how her Evangelical upbringing in North Carolina failed to help her understand the mental health diagnosis she received and the work she had to do to find proper medical treatment while also maintaining her faith. When Anna is diagnosed with bipolar disorder in 2011 she's faced with a conundrum while the diagnosis provides clarity about her manic and depressive episodes she must confront the stigma that her Evangelical community attaches to her condition. Over the course of ten years we follow Anna on her journey to reframe her understanding of mental health to expand the limits of what her religious practice can offer. In *Devout: A Memoir of Doubt* Anna shows that pursuing our emotional health and our spiritual well-being is one single mission and in both cases an act of faith.

**Restore** Vince Antonucci, 2018-01-09 What should we do when we feel stuck in life? You know how it feels. There's a hurt in your past that is hard to get beyond. There's a bad habit that's difficult to break. There's a setback that is just too tough to overcome. We all have our own unique situations in which we feel stuck. Americans' favorite suggestions for how to fix our lives—self-help programs, self-esteem techniques, or simple willpower—leave many of us ceaselessly spinning our wheels and feeling just as stuck as ever. Vince Antonucci knows what this feels like and he knows many who have struggled to fix their lives with these dead-end methods. He struggled to get past the pain of a neglectful and angry father. It wasn't until Vince decided to go through a recovery and rehab course focused on God that he learned ways to break free of that hurt and to live in God's future. Today when someone walks through the doors of Vince's innovative church located just off the Las Vegas Strip he offers a Restore class as one of three core classes that every member takes. He knows how important it is to learn to break free of these old hurts and bad habits. The essence of that popular class is contained in this book: Move past your past, heal your hurts, and break your bad habits.

*The Spiritual Formation of Leaders* Chuck Miller, 2007-12 Why do the demands of leadership often draw leaders away from intimacy with God? What can I do to become a more effective leader? How can I keep from burning out and bailing out? How can we develop effective leaders who are being spiritually transformed as they abide in Christ? Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God. That's why *The Spiritual Formation of Leaders* invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry. Spiritual leadership formation happens only in God's presence. So come to Jesus. Meet with Him in the Soul Room, walk with Him into the Leadership Room, and watch Him work in you and through you for His kingdom.

**Examining the Impact of Trauma** Bradley D. Grammer, 2016-06-16 Through twenty-five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same-sex attraction trauma. Little is understood about the concept of trauma and only recently has the method of trauma-informed care come to the forefront of helping others. People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion. Christians also

struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction
