Underworld awaits The parts that involve pain and suffering are constructed from our mortal fears and nightmares All this
however needs managing for nothing in Heaven or Hell happens by accident The offices of Deadwood and Grimes were

less strongly and others not at all or so they claim As ideals divide people also divide We can t all get along perfectly all the
time even with ourselves Why not Do we need conflict to make progress Is perfect peace too peaceful As ideals can be

ignored or betrayed they can also be carried too far into decadence dionysian overheating and the apollonian deep freeze If you carried an ideal too far how would you come to realize your mistake How would you feel the gravity the balancing pull of the ideal calling you home Without failure without going too far what is lost What is the good of all these ideals and these forms of decadence The Wheel of Ideals suggests that we will go on asking these questions
