CIA Covert Operations
during the Korean War

FRANK HOLOBER

Raiders Of The China Coast

Bruce A. Elleman

Raiders Of The China Coast:

Raiders of the China Coast Frank Holober, 1999 Now for the first time in print the full dramatic story of this large scale paramilitary campaign is revealed by a veteran of the operations This eyewitness account of special operations in an area that remains a political and military flashpoint will appeal to everyone from intelligence specialists and China scholars to history buffs and general readers who like action stories **BOOK JACKET** **Special Warfare** ,1998 *Out of China* Robert Bickers, 2017-03-30 SHORTLISTED FOR THE 2018 WOLFSON HISTORY PRIZE The extraordinary and essential story of how China became the powerful country it is today Even at the high noon of Europe s empires China managed to be one of the handful of countries not to succumb Invaded humiliated and looted China nonetheless kept its sovereignty Robert Bickers major new book is the first to describe fully what has proved to be one of the modern era s most important stories the long often agonising process by which the Chinese had by the end of the 20th century regained control of their own country Out of China uses a brilliant array of unusual strange and vivid sources to recreate a now fantastically remote world the corrupt lurid modernity of pre War Shanghai the often tiny patches of extra territorial land controlled by European powers one of which unnoticed had mostly toppled into a river the entrep ts of Hong Kong and Macao and the myriad means through armed threats technology and legal chicanery by which China was kept subservient Today Chinese nationalism stays firmly rooted in memories of its degraded past the quest for self sufficiency a determination both to assert China s standing in the world and its outstanding territorial claims and never to be vulnerable to renewed attack History matters deeply to Beijing s current rulers and Out of China explains why *Tibet* Lezlee Brown Halper, Stefan A. Halper, 2014 The mythologizing of Tibet in the West and the Himalyan state s subsequent abandonment to China are recounted in this briskly paced and revealing new history *Truman and MacArthur* Michael D. Pearlman, 2008-03-12 Truman and MacArthur offers an objective and comprehensive account of the very public confrontation between a sitting president and a well known general over the military s role in the conduct of foreign policy In November 1950 with the army of the Democratic Peoples Republic of Korea mostly destroyed Chinese military forces crossed the Yalu River They routed the combined United Nations forces and pushed them on a long retreat down the Korean peninsula Hoping to strike a decisive blow that would collapse the Chinese communist regime in Beijing General Douglas MacArthur the commander of the Far East Theater pressed the administration of President Harry S Truman for authorization to launch an invasion of China across the Taiwan straits Truman refused MacArthur began to argue his case in the press a challenge to the tradition of civilian control of the military He moved his protest into the partisan political arena by supporting the Republican opposition to Truman in Congress This violated the President s fundamental tenet that war and warriors should be kept separate from politicians and electioneering On April 11 1951 he finally removed MacArthur from command Viewing these events through the eyes of the participants this book explores partisan politics in Washington and addresses the issues of the political power of military officers in an

administration too weak to carry national policy on its own accord It also discusses America s relations with European allies and its position toward Formosa Taiwan the long standing root of the dispute between Truman and MacArthur **Taiwan, the United States, and the Hidden History of the Cold War in Asia** Hsiao-Ting Lin,2022-04-28 This book explores the challenges which faced the United States and Taiwanese alliance during the Cold War addressing a wide range of events and influences of the period between the 1950s and 1970s Tackling seven main topics to outline the fluctuations of the U S Taiwan relationship this volume highlights the impact of the mainland counteroffensive the offshore islands Tibet Taiwan s secret operations in Asia Taiwan s Soviet and nuclear gambits Chinese representation in the United Nations and the Vietnam War Utilizing multinational archival research particularly the newly available materials from Taiwan and the United States to reevaluate Taiwan s foreign policy during the Cold War revealing a pragmatic and opportunistic foreign policy disguised in nationalistic rhetoric Moreover this study represents a departure from previous scholarship emphasizing the dictatorial and incompetent nature of the Chinese Nationalist regime to provide fresh insights into the nature of U S Taiwan relations Presenting a revisionist view of one of the strongest bilateral relationships of the Cold War this will be an insightful resource for scholars and students of Chinese and East Asia History Cold War History Asian Studies and International Relations

Gai-Jin James Clavell,2009-07-16 The heir to the magnificent English trading company the Noble House the direct descendant of the first Toranaga Shogun battling to usher his country into the modern age a beautiful young French woman forever torn between ambition and desire Their lives intertwine in an exotic land newly open to foreigners gai jin torn apart by greed idealism and terrorism Their passions mingle with monarchs and diplomats assassins courtesans and spies Their fates collide in James Clavell s latest masterpiece set in nineteenth century Japan an unforgettable epic seething with betrayal and secrets brutality and heroism love and forbidden passions **Seaborne Perils** Bruce A. Elleman,2018-02-19 This comprehensive survey of historical and contemporary issues related to maritime crime and piracy with a special focus on Africa South Asia and Southeast Asia explains why piracy is a growing problem and how it affects security policy making in the United States Here piracy is defined as taking place on the high seas while maritime crime takes place within a country s territorial waters Seaborne terrorism may occur in either one of these maritime zones Maritime piracy can be divided into several categories from pirates robbing a ship or its crew of petty items while at sea to taking a ship s cargo and taking control of a vessel reflagging it and then using this captured ship to smuggle drugs transport illegal immigrants or conduct further acts of piracy This is the most dangerous not only because pirates can use a captured ship to carry out more raids but also because they can use the ship s identity papers to transport goods and weapons potentially WMDs into otherwise secure port areas A special concern to the US is that the threat of piracy is growing most quickly in parts of the world such as Africa South Asia and Southeast Asia where both global trade is rapidly expanding and where international terrorist groups are actively functioning or have supporters This geographical overlap suggests that the risk that pirates and

terrorists may one day cooperate to strike at the US or an ally is most likely also on the rise While many important African South Asia and Southeast Asian cases have received insufficient attention many well known historical piracy events stand in need of a reappraisal This book integrates a number of multinational multiregional and historical cases of piracy maritime crime and seaborne terrorism to investigate whether piracy and other forms of maritime crime are becoming a major United States national security concern It analyzes some of the most important cases especially of the 19th 20th and early 21st centuries as well as specific historical events This allows to draw lessons as to what are the components of successful and unsuccessful piracy common causes the type of navy necessary to control it and finally possible military political and economic consequences The book also discusses various types of cases including parasitic intrinsic episodic and opportunistic piracy Specific cases are also evaluated in terms of the changing interpretations of international law and the recent reported growth rates of piracy maritime crime and seaborne terrorism These findings are used to explore the impact of piracy on maritime security in particular in Africa South Asia and Southeast Asia and their surrounding waters which is where the majority of contemporary piracies and maritime crimes occur Different methods of policing piracy and maritime crime are evaluated including the viability of adopting greater Maritime Domain Awareness which would require that all ships at sea regardless of size or function emit a signal beacon identifying their name country of origin and route This combination of historical and modern day piracy and the many cases studied will provide readers with a broader understanding of maritime piracy

The Secret Army Richard Michael Gibson, 2011-08-04 The incredible story of how Chiang Kai shek's defeated army came to dominate the Asian drug trade After their defeat in China's civil war remnants of Chiang Kai shek's armies took refuge in Burma before being driven into Thailand and Laos Based on recently declassified government documents *The Secret Army* Chiang Kai shek and the Drug Warlords of the Golden Triangle reveals the shocking true story of what happened after the Chinese Nationalists lost the revolution Supported by Taiwan the CIA and the Thai government this former army reinvented itself as an anti communist mercenary force fighting into the 1980s before eventually becoming the drug lords who made the Golden Triangle a household name Offering a previously unseen look inside the post war workings of the Kuomintang army historians Richard Gibson and Wen hua Chen explore how this fallen military group dominated the drug trade in Southeast Asia for more than three decades Based on recently released previously classified government documents Draws on interviews with active participants as well as a variety of Chinese Thai and Burmese written sources Includes unique insights drawn from author Richard Gibson's personal experiences with anti narcotics trafficking efforts in the Golden Triangle A fascinating look at an untold piece of Chinese and drug running history *The Secret Army* offers a revealing look into the history of one of the most infamous drug cartels in Asia

Taiwan's Offshore Islands Bruce A. Elleman, 2019 Taiwan Offshore Islands and US China relations Provided by publisher **Military Review**, 2001 *Taiwan Straits* Bruce A. Elleman, 2014-12-16 In Taiwan Straits Crisis in Asia and the Role of the U S Navy

historian Bruce Elleman surveys the situation that has led to the current tensions between China and Taiwan Starting in 1949 the final phase of the civil war in China which ended with Communist rule of the mainland and nationalist control of Taiwan this work explores how the 100 mile wide passage of water known as the Taiwan Strait has served as the geographic flashpoint between the two nations Even though U S Navy destroyers have patrolled this body of water from 1950 to 1979 it has seen four crises 1954 55 1958 1962 and after the withdrawal of the U S Navy 1995 96 that threatened to push Taiwan and China to the brink of war Notwithstanding the role of the United States in defusing cross strait tensions for some three decades and the cold peace that has settled in since then the Taiwan Strait continues to be a major source of anxiety for the region and the world Taiwan Straits Crisis in Asia and the Role of the U S Navy traces the evolution of this tension between the two nations details the history of the crises between them and brings this story forward into the present by considering continuing sources of conflict present diplomatic efforts by the aggrieved nations and other key interests from the United States and Europe to other regional powers and future possible outcomes in the ongoing struggle between China and Taiwan relations Simply written and cogently argued it is the ideal source for military personnel diplomats and scholars and student of the modern Far East

Ming China, 1368-1644 John W. Dardess, 2012 This engaging deeply informed book provides the first concise history of one of China s most important eras Leading scholar John W Dardess offers a thematically organized political social and economic exploration of China from 1368 to 1644 He examines how the Ming dynasty was able to endure for 276 years illuminating Ming foreign relations and border control the lives and careers of its sixteen emperors its system of governance and the kinds of people who served it its great class of literati and finally the mass outlawry that in unhappy conjunction with the Manchu invasions from outside ended the once mighty dynasty in the mid seventeenth century The Ming witnessed the beginning of China s contact with the West and its story will fascinate all readers interested in global as well as Asian history

High Seas Buffer Bruce A. Elleman, 2012 Following its defeat on the mainland in 1949 the Nationalist government retreated to Taiwan Although the Nationalist navy was comparatively large to many it seemed almost certain that the People s Republic of China PRC would attack and take Taiwan perhaps as early as summer 1950 The Korean War began on 25 June 1950 however and the possibility of a PRC invasion of Taiwan was countered when on 27 June President Harry S Truman ordered the Seventh Fleet to neutralize the Taiwan Strait Mao Zedong at first postponed and eventually canceled altogether his planned invasion of Taiwan The U S Navy s Taiwan Patrol Force operation lasted from summer 1950 until at least 1979 arguably even sporadically after that date Lasting twenty nine years the Taiwan Patrol Force was one of the longest naval operations in modern history It was also one of the most successful since as the most obvious symbol of American power it ensured that friction over the Taiwan Strait did not escalate into a full blown war In fact the Taiwan Patrol Force did its job so well that virtually nothing has been written about it U S Navy ships acted both as a buffer between the two antagonists and as a trip wire in case of aggression The force fulfilled the latter function twice in the

1950s during the first 1954 55 and second 1958 Taiwan Strait crises and a third time in the next decade 1962 at which point additional U S Navy vessels were called in to assist Even after the Taiwan Patrol Force was terminated in 1979 it continued in spirit as shown by a fourth Taiwan Strait crisis During the PRC missile tests of 1995 96 two U S aircraft carriers were deployed to the area and in 2001 during the ten days of negotiations over the EP 3 incident of 1 April a carrier was almost sent As recently as 2009 when maritime tensions between an American survey ship and Chinese vessels threatened to escalate into a larger conflict a U S Navy destroyer was sent to the scene Thus the patrolling functions that began in 1950 have continued largely unchanged to this day as U S Navy vessels act to influence China s military economic and political relations with its maritime neighbors Taiwan Straits Standoff Bruce A. Elleman,2021-08-10 Following the Nationalist defeat on the mainland in 1949 Chiang Kai shek and his followers retreated to Taiwan forming the Republic of China ROC Tensions with the People s Republic of China PRC focused on control over a number of offshore islands especially Quemoy Jinmen and Matsu Mazu Twice in the 1950s tensions peaked during the first 1954 55 and second 1958 Taiwan Strait crises This small body of water often compared to the English Channel separates the PRC and Taiwan and has been the location for periodic military tensions some threatening to end in war Today relations between the ROC and PRC depend on quelling tensions over the Taiwan Strait This work provides a short but highly relevant history of the Taiwan Strait and its significance today *James Clavell's Gai-Jin* James Clavell,1994 The new leader of the noble family meets a beautiful French woman in Japan in the 1860s Casting about in the Reel World William A. Douglass,2002 From the bone fishing flats of the Pacific nuclear weapons proving ground Bikini Atoll to the taimen rivers of Outer Mongolia anthropologist Bill Douglas is the consummate angling adventurer General William E. DePuy Henry G. Gole,2008-09-26 This excellent biography of one of the US Army s unsung heroes provides a much needed re examination of the early post Vietnam Army Bowling Green Daily News By the 1970s the United States Army was demoralized by the outcome of the Vietnam War and shifting attitudes at home The institution as a whole needed to be reorganized and reinvigorated and General William E DePuy was the man for the job In 1973 DePuy was appointed commander of the newly established Training and Doctrine Command TRADOC By integrating training doctrine combat developments and management in the US Army he cultivated a military force prepared to fight and win in modern war General William E DuPuy is the first full length biography of this key figure in American military history With extensive interviews with those who knew DePuy as well as access to his personal papers Henry G Gole chronicles and analyzes his unique contributions to the Army and nation Gole guides the reader from DePuy s boyhood and college days in South Dakota through the major events and achievements of his life During World War II DePuy served in the 357th Infantry Regiment in Europe from the Normandy invasion until 1945 when he was stationed in Czechoslovakia DePuy was asked by George Patton to serve as his aide he supervised clandestine operations in China he was instrumental in establishing Special Forces in Vietnam and he briefed President Lyndon B Johnson in the White House But his finest

contribution was fixing a broken Army *International Competition in China, 1899-1991* Bruce A. Elleman, 2015-04-10

China's recent economic reforms have opened its economy to the world. This policy, however, is not new. In the late nineteenth century, the United States put forward the Open Door Policy as a counter to European exclusive spheres of influence in China. This book, based on extensive original archival research, examines and re-evaluates China's Open Door Policy. It considers the policy from its inception in 1899 right through to the post-1978 reforms. It relates these changes to the various shifts in China's international relations, discusses how decades of foreign invasion, civil war, and revolution followed the destruction of the policy in the 1920s, and considers how the policy, when applied in Taiwan after 1949 and by Deng Xiaoping in mainland China after 1978, was instrumental in bringing about respectively Taiwan's economic miracle and mainland China's recent economic boom. The book argues that although the policy was characterised as United States economic imperialism during the Cold War, in reality it helped China retain its sovereignty and territorial integrity. China at War Xiaobing Li, 2012-01-10

This comprehensive volume traces the Chinese military and its experiences over the past 2,500 years, describing clashes with other kingdoms and nations as well as internal rebellions and revolutions. As the first book of its kind, *China at War: An Encyclopedia* expands far beyond the conventional military history book that is focused on describing key wars, battles, military leaders, and influential events. Author Xiaobing Li, an expert writer in the subjects of Asian history and military affairs, provides not only a broad chronological account of China's long military history but also addresses Chinese values, concepts, and attitudes regarding war. As a result, readers can better understand the wider sociopolitical history of the most populous and one of the largest countries in the world and grasp the complex security concerns and strategic calculations often behind China's decision-making process. This encyclopedia contains an introductory essay written to place the reference entries within a larger contextual framework, allowing students to compare Chinese with Western and American views and approaches to war. Topics among the hundreds of entries by experts in the field include Sunzi's classic *The Art of War*, Mao Zedong's guerrilla warfare in the 20th century, Chinese involvement in the Korean War and Vietnam War, and China's nuclear program in the 21st century.

Raiders Of The China Coast Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Raiders Of The China Coast free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Raiders Of The China Coast free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Raiders Of The China Coast free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Raiders Of The China Coast. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research

papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Raiders Of The China Coast any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Raiders Of The China Coast Books

1. Where can I buy Raiders Of The China Coast books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Raiders Of The China Coast book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
