## **Railroad Killer Tracking Down One Of The Most Brutal Serial Killers In History:**

*The Railway Killer - He was a normal man with a normal life, but he turned into one of the world's worst serial killers* Wensley Clarkson, 2007-03-15 Angel Matrino Resendez is one of history's most notorious serial killers. Found guilty of nine horrific murders, his seemingly random methods shocked the world, striking fear into the hearts of thousands who lived along the railroad that the twisted killer travelled in search of blood. For the first time, this is his amazing true story. Described by most who knew him as a quiet, polite, softly spoken man, a loving husband and father to a baby daughter, nobody would have suspected the monster that lay within this seemingly normal human. In this classic of true crime writing, bestselling author Wensley Clarkson delves deep into the mind of a horrifying murder case to uncover the stunning truth about one of the most grisly episodes in criminal history. This book will shock and intrigue in equal measure, a must for any true crime fan. **The Railroad Killer** Wensley Clarkson, 2025-06-25 Reverend Norman Sirnic and his wife Karen were found in their bloodstained bed with their heads smashed in. While her husband and daughters were away, pediatric neurologist Claudia Benton received 19 fatal blows to the head. Joseph Konvicka, a grandmother of six who loved to garden, was found dead in her home from a blow to the head. Angel Maturino Resendez is described by most who know him as a quiet, polite, soft-spoken man, a loving husband and father to a baby daughter. But law enforcement officials suspect that he might be responsible for upwards of eight grisly and random killings in the span of two years, all of which occurred near the southwest railroad line that the killer is believed to have ridden on his twisted murder spree. In each case, the same mode of attack, resulting in the same slow and painful death, appears to have been used, pointing to the methodical slayings of a serial killer. Is Angel Maturino Resendez the ruthless Railroad Killer, a sadistic slayer who led police on one of the longest manhunts in history? Bestselling true crime author Wensley Clarkson digs deep into the heart of a horrifying murder case to uncover some stunning answers. **The Encyclopedia of the FBI's Ten Most Wanted List** Duane Swierczynski, 2014-02-04 In 1949, a crime reporter looking for a way to fill a column published the nation's ten worst criminals as classified by the FBI: two accused murderers, four escaped convicts, a bank robber, and three confidence men. In addition to the stark black and white photos that accompanied the article, the public was most moved by the idea that law enforcement was asking them for help. Fired up by the gesture of confidence, Americans banded together to wholeheartedly support the motion, leading to tips that helped facilitate the capture of the advertised criminals. Some of those on the list even surrendered voluntarily due to the increased publicity. The rogues gallery showcases fugitives such as William Raymond Nesbit, first on the list to be captured; James Earl Ray, assassin of Martin Luther King Jr.; Ted Bundy, ruthless serial killer; Ruth Eisemann Schier, kidnapper and first woman to make the Top Ten; Ramzi Ahmed Yousef, 1993 World Trade Center bomber. This encyclopedia includes criminals' photographs, crime details, and interesting fugitive facts, as well as a brief history of the list and what it has accomplished in more than fifty years.
