Train Wrecks Robert Carroll Reed, 1968 This volume provides black white photographs and etchings of just about every imaginable type of train accident including boiler explosions telescoping bridge failures head on and rear end collisions mostly from the last half of the 1800 s The text presents many bits and pieces of U S railroad history as well as some contemporary accounts of life on the tracks providing insight into how the railroads have progressed technologically and the impacts those advances have had on railroad safety

Illinois Central Railroad Clifford J. Downey, 2016-08-10 With roots dating back to 1851 the Illinois Central Railroad IC transported millions of passengers and countless tons of freight Most trips were completed without incident However there were occasional mishaps including derailments and collisions with other trains or highway vehicles Most accidents were minor while others made the national news such as the October 30 1972 collision of two commuter trains in Chicago that killed 45 passengers The IC

frequently had to deal with flooding for the railroad ran in close proximity to several major rivers In January and February 1937 much of the southern half of the railroad was shut down because of flooding on the Ohio and Mississippi Rivers This book depicts many of the accidents that have taken place along the Illinois Central through the years The photographs are drawn from numerous sources including the railroad s own photographers amateur photographers and photography studios
