**Personal Memoirs of Ulysses S. Grant** Ulysses S. Grant,2018-07-21T20:36:22Z The Personal Memoirs of Ulysses Simpson Grant are an American classic In them Grant the most able General of the Civil War tells the story of his life and experiences covering his birth early youth military training at West Point his involvement as a Lieutenant in the Mexican War of 1847 48 and of course his role in the Civil War of 1861 65 during which he rose to become the supreme commander of the Northern forces After the Mexican War Grant had left military service and became essentially an unsuccessful shopkeeper Re enlisting at the start of the Civil War he rose to his ultimate position entirely on his own merits showing himself to be a skilled strategist and a master of logistics What distinguishes Grant s Personal Memoirs and makes them a clear candidate for being considered a part of American literature is the high quality and interest of the writing for which Grant clearly had a talent Though he goes into an extremely high level of detail about the military movements and struggles of the Civil War the book is full of interest and in parts is as gripping as a novel Obviously Grant tells only his own part of the story and from the perspective of the ultimately successful forces but his humanity shows through in the respect he offers to those on the other side and in his

acknowledgement of their sufferings despite his clear condemnation of their cause of preserving slavery He is generous in awarding due credit to others on his own side and where blame is due tempering it with his understanding of that person s character background and circumstances After the war Grant served two terms as President of the United States between 1869 77 but his Memoirs do not deal with this period He began writing the book on his retirement and completed it only after suffering from severe illness and not long before his death from throat cancer The first edition was published in two volumes by Mark Twain in 1885 This Standard Ebooks edition includes 43 maps reproduced from the 1895 edition of the Memoirs This book is part of the Standard Ebooks project which produces free public domain ebooks **Biographical and**

Vashem in Jerusalem Germany's Jewish Museum in Berlin and the United States Holocaust Memorial Museum in Washington D C She describes a variety of visually striking media including architecture photography exhibits artifact displays and video installations in order to explain the aesthetic techniques that the museums employ As she interprets the exhibits Hansen Glucklich clarifies how museums communicate Holocaust narratives within the historical and cultural contexts specific to Germany Israel and the United States In Yad Vashem architect Moshe Safdie developed a narrative suited for Israel rooted in a redemptive Zionist story of homecoming to a place of mythic geography and renewal in contrast to death and suffering in exile In the Jewish Museum in Berlin Daniel Libeskind's architecture broken lines and voids emphasize absence Here exhibits communicate a conflicted ideology torn between the loss of a Jewish past and the country's current multicultural ethos The United States Holocaust Memorial Museum presents yet another lens conveying through its exhibits a sense of sacrifice that is part of the civil values of American democracy and trying to overcome geographic and temporal distance One well know example the pile of thousands of shoes plundered from concentration camp victims encourages the visitor to bridge the gap between viewer and victim Hansen Glucklich explores how each museum's concept of the sacred shapes the design and choreography of visitors experiences within museum spaces These spaces are sites of pilgrimage that can in turn lead to rites of passage

**Personal Memoirs Of General Ulysses S. Grant** Ulysses S. Grant, 2012 The Personal Memoirs of Ulysses S Grant is an autobiography of American President Ulysses S Grant focused mainly on the general's actions during the American Civil War Written as Grant was dying in 1885 the two volume set was published by Mark Twain shortly after Grant's death The Memoirs are divided into two volumes The autobiography is unusual but not unique in that large sections of Grant's life most notably his childhood and his presidency are given brief mention or not discussed at all The focus of the book is Grant's military career his service in the Mexican American War and the Civil War Grant's writing has been praised for its conciseness and clarity a sharp contrast from contemporary Civil War memoirs which tended to reflect the Victorian fondness for elaborate and sometimes overblown language from wikipedia.com [ONCE UPON A SLAVE: 28 Powerful Memoirs Of Former Slaves & 100+ Recorded Testimonies in One Edition](#) Frederick Douglass, Solomon Northup, Willie Lynch, Nat Turner, Sojourner Truth, Harriet Jacobs, Mary Prince, William Craft, Ellen Craft, Louis Hughes, Jacob D.
