Railroads Of The Black Hills:

Railroads of the Black Hills Mildred Fielder,1964 **Historic Railroads** Rupert Sargent Holland,1927 The Burlington Railroad: Alliance Division Richard C. Kistler,Michael M. Bartels,James J. Reisdorff,2014-12-15 Alliance has been a railroad center ever since the Burlington Railroad established the city in 1888 while pushing tracks into the vast open regions of Nebraska South Dakota Wyoming Colorado and Montana As a hub for trains carrying a variety of agricultural and mining products to market Alliance became headquarters in 1902 for the large and geographically diverse area of Burlington train operations called the Alliance Division For 86 years the Alliance Division controlled much of the region s rail traffic Despite the loss of its division point status in 1988 Alliance continues to have its fortunes closely tied to the railroad now known as the Burlington Northern Santa Fe Today the BNSF funnels large numbers of coal trains through the city while transporting Power River Basin coal to power plants across the nation *Moody's Manual of Railroads and Corporation Securities* ,1900 **Nuggets to Neutrinos** Steven T. Mitchell,2010-12-16 **Poor's Manual of Railroads** ,1884

Railroads and Land Grant Policy Lloyd J. Mercer,2013-10-22 Railroads and Land Grant Policy A Study in Government Intervention attempts to replace a major part of the railroad land grant legend according to which the granting of federal and state land to private railroad firms benefitted these firms more than it contributed to society as a whole with some real numbers and analysis An attempt is made to put the income and wealth distribution impact of the railroad land grants in perspective but thorough analysis of this issue is not undertaken The primary question this study does try to illuminate is that of the effect of the railroad land grants on economic efficiency This emphasis was chosen because it seems clear that improvement of economic efficiency was the major goal that Congress and various state legislatures sought to attain and thus the examination of economic efficiency questions is fundamental to evaluation of railroad land grant policy This study will not completely replace the railroad land grant legend because much is not covered here but it does represent a considerable diminution of that legend *Moody's Manual of Railroads and Corporation Securities. Government, State and Municipal Supplement* ,1902 Records Relating to Railroads in the Cartographic Section of the National Archives United States.

National Archives and Records Administration.
