conscious of reputation and achievement but love the poem and good friendly unpretentious talk That doesn't mean that pretensions don't exist if that's what you desire but the coffee is strong the people sincere and are publishers of small press magazines pamphlets and books If you want to be in an atmosphere that is intelligent without self involved convoluted literary talk of people who need to prove themselves and announce themselves as artists here is a place to and the pleasure that good literary company may offer Sam Cornish The Eclectic Magazine of Foreign Literature, Science, and Art ,1892
