## **Rainbow Hand Poems About Mothers And Children:**

**The Rainbow Hand** Janet Wong, 2008-11-03 The poems in this collection are about mothers and their children both from the child's perspective and the mother's. Ranging in subject from a child walking in her mother's comforting protective shadow to a ten year old girl wondering if her mother was a freak when she was ten years old to a mother holding her infant son these poems touch on all aspects of the mother child relationship. Here is Mother's Heart. My mother's heart is a bottle I want to fill with warm milk to soothe her hurts with honey to trap her bitterness with a squirt of Tabasco. Shake her up. Inspired by her memories of her mother and her own role as a mother of a young son these poems skillfully illustrated in full color by Jennifer Hewitson create an honest portrait of timeless human connections. Sometimes funny sometimes sarcastic always sensitive the poems will find a ready audience among young people. Poetry in Literature for Youth Angela Leeper, 2006-03-28 Poetry in Literature for Youth offers teachers librarians parents and students with an instrumental guide for incorporating all forms of poetry into the curriculum. More than 900 annotated entries provide descriptions of books and other resources including anthologies classics various poetry formats poetry novels multicultural poetry performance poetry teen poetry poet biographies and curriculum connections. Educators who are often unaware of the poetry resources available particularly for young adults will welcome this book with open arms. Lists for building a core poetry collection along with resources for teaching poetry criticism and writing electronic poetry resources booktalks classroom activities and lesson plans complement this guide. Author Geographic Grade Subject and Title indexes are also included. For anyone interested in knowing more about poetry in literature this is an indispensable guide. Poetry People Sylvia M. When teachers infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction. However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry. Given the importance of sharing poetry with today's youth educators must feel confident in evaluating well written poetry and how to

weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more

**Cultural Journeys** Pamela S. Gates,Dianne L. Hall Mark,2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse Cultural Journeys introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K 8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly during their planning periods
