The Rainbow Bridge Raymond L. Lee, Alistair B. Fraser, 2001 Venerated as god and goddess feared as demon and pestilence trusted as battle omen and used as a proving ground for optical theories the rainbow s image is woven into the fabric of our past and present From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world Although scientists today understand the rainbow s underlying optics fairly well its subtle variability in nature has yet to be fully explained Throughout history the rainbow has been seen primarily as a symbol of peace covenant or divine sanction rather than as a natural phenomenon Lee and Fraser discuss the role the rainbow has played in societies throughout the ages contrasting its guises as a sign of optimism bearer of Greek gods messages of war and retribution and a symbol of the Judeo Christian bridge to the divine The authors traverse the bridges between the rainbow s various roles as they explore its scientific artistic and folkloric visions This unique book exploring the rainbow from the perspectives of atmospheric optics art history color theory and mythology will inspire readers to gaze at the

Scientific Knowledge of Things Familiar Ebenezer Cobham Brewer,2022-09-16 In A Guide to the Scientific Knowledge of Things Familiar Ebenezer Cobham Brewer presents an insightful exploration of the everyday phenomena that shape our understanding of the world The book employs a clear accessible literary style effectively bridging the gap between intricate scientific concepts and general readers Brewer meticulously examines common objects and experiences to elucidate their scientific foundations making complex ideas approachable This work can be situated within the context of the late 19th century scientific awakening where an increased public interest in science revealed a thirst for understanding the natural world through relatable examples Ebenezer Cobham Brewer was a prominent lexicographer and historian whose passion for language and education informed his writing His background in compiling references notably with the first edition of Brewer s Dictionary of Phrase and Fable reflects his dedication to making knowledge accessible This book stems from Brewer s desire to demystify science for the layperson showcasing how science interconnects with our daily lives and enriching his readers intellectual curiosities I highly recommend this book to anyone intrigued by the interplay of science and the mundane Brewer s engaging narrative invites readers not only to learn but also to appreciate the beauty of scientific inquiry embedded in the fabric of everyday life The Historic Cumberland Plateau Russ Manning,1999 Combining historical narrative with the specifics of a guidebook The Historic Cumberland Plateau is an indispensable aid for visiting and experiencing an area rich in natural wonders and scenic beauty First published in 1992 the book has now been extensively revised to include the latest information about points of interest and cultural events on the Cumberland Plateau A land known for its great caves cascading waterfalls natural arches and isolated river canyons the Plateau stretches from northeast to southwest encompassing parts of Kentucky Tennessee Alabama and Georgia Within its geographic boundaries are many protected areas including the Cumberland Gap National Historical Park the Big South Fork National River and Recreation Area and the Obed National Wild and Scenic River The Plateau also possesses a unique history and cultural heritage Inhabited first by Native Americans then by pioneers migrating westward the Plateau contains many sites that attest to its rich history As different groups passed through some chose to settle permanently resulting in a diverse cultural heritage celebrated today in many

regional events Each chapter of this book focusing on a specific area on the Plateau is filled with fascinating historical facts and anecdotes as well as practical information about services and accommodations events and directions to natural wonders hiking trails and historic sites The Author Russ Manning is an award winning freelance writer and author of several outdoor guidebooks His articles on the outdoors and conservation have been published in Outside Blue Ridge Country Walking Magazine Appalachia Environment Sierra Environmental Ethics and The Tennessee Conservationist ABADDON And The Space Between Eternities Daniel R. Dow,2013-10 Prison is about survival however survival is more than simply the act of eating and breathing there is the necessity for emotional spiritual and psychological survival The challenge for any prisoner is to find the space to facilitate survival on each of those levels This is the story of one mans attempt to find that space

The Bandeliers Matt Thomas, **Rainbow's Shadow and the Other Side of Paradise** John Cicero,2012 We conclude the Rainbow s Shadow trilogy with a journey into the Other Side of Paradise Faced with the ultimate decision Will has to choose between true paradise or chasing a madman into the other side The decision is easy His brothers soul and the ability to eliminate evil is motivation enough to forego experiencing paradise Only one destination is at hand He has to enter the belly of the beast and he knows it Accompanied by his buddy Jimmy Foster Will sets out on a journey unlike anything they have witnessed Not only have they agreed to travel through the ten spheres of the other side they have also committed to eliminate Malkuth once and for all A total eclipse of the sun symbolizes Malkuth s ascension as Will s ultimate purpose emerges He has to rise to the challenges which confront him Malkuth doesn t go easy as he assembles armies beyond expectations It takes faith and a unique visit to Writers Block to energize Will and his forces as they endeavor to cleanse the book of souls for all mankind The quest to eliminate evil drives him But it s his perseverance and the forerunner s legacy which elevate him into iconic leadership *Mediating Order and Chaos* Rodney Farnsworth,2021-11-08 This literature centered study offers an interdisciplinary approach to Romantic culture If is pioneering in that it employs the complexity method of anthropology Recent literary studies employ the complexity chaos theory adapted from the natural sciences however here is presented for the first time a complexity method taken from the social human sciences This complexity method is useful in mediating not only contradictions within Romanticism but the chaos of contemporary theories concerning it One of the intensifying literary debates is that between the so called Greens and Reds naturalists and humanists Mediating Order and Chaos not only traces the split between nature and man to Romantic Culture but finds there too a Spinozian vision of man and nature in unity thereby denying any naturalist humanist split This volume is of interest for those who wish to see essays in the holistic approach to culture Centering on hydraulics hydrology and meteorology this study examines literature painting music economics and the rhetoric of science philosophy and politics it therewith demonstrates how the water cycle was transformed into a cosmic metaphor that mediated in the form of several complex adaptive systems between the chaos of too much change and that of not enough **In the Mountains Green** Peter Owen Jones,2024-04-15 As a boy I would walk

out into the fields alone Looking south I set my eyes on the far ridge wondering not knowing what lay beyond it What world existed there Now as a man I stand on the top of the Downs up on the mountains green To the south the land folds down to the sea but to the north the boy is there looking back at me In a series of joyous reflective and inspired diary pieces Peter Owen Jones takes us on a voyage through the yearly cycle a journey of inner and outer discovery With the variety and colour of British seasonal life and the beauty of the Sussex countryside as his backdrop Owen Jones observes the magical in the everyday in the birds bees and butterflies but also in people With lightness of touch and good humour he calls for an awakening to the world around us to ourselves and ultimately to meaning in life Originally published as a series of separate articles in Sussex Life magazine the essays gathered here provide a delightful glimpse into the life of a nature loving country parson
