Rainbow Saga:

Rainbow's End Rex Beach, 2023-02-23 *Rainbow's End* by Rex Beach is a western action adventure novel set to the backdrop of the Spanish American war that will be enjoyed by fans of *Rough Riders* by Theodore Roosevelt or the film *Citizen Kane*. The story tells the tale of a time when young men in the West who were old enough to ride would head to East Texas to join Theodore Roosevelt's *Rough Riders* and assist with the invasion of Cuba. They would ride to glory and return as heroes but there were very few who would return home to their families. Rex Beach was an American novelist, playwright and Olympic water polo player. His novels, most of which were adventure novels, were influenced by Jack London, author of *White Fang*, and they were very popular during the early 1900s. His second novel *The Spoilers*, which was based on a true experience he witnessed while in Alaska of corrupt government officials stealing gold mines from prospectors, became one of the best selling novels of 1906.

Sagas of Imagination: A Medieval Icelandic Reader Ben Waggoner, 2017-12-15 The Norse men and women who sailed to Iceland brought stories with them; stories of their lives and their ancestors passed down for centuries going back in time to great Vikings, legendary heroes and even the ancient gods and goddesses. A new wave of stories entered with Christianity: stories of exotic lands and beasts, of saints and holy men facing demons and monsters. A third wave of stories came to Iceland via Norway whose king had commissioned translations of tales of chivalry, of the courtly love of gallant knights and beautiful ladies. And all of these blended together in Iceland, creating swashbuckling sagas unlike any other medieval literature. This book presents eleven sagas and six shorter texts tracing the growth of these sagas of adventure from Norse legends of King Half and Asmund, Champion's Bane, to the life of the Apostle Bartholomew, to tales of Parceval and King Arthur, to the sagas of heroes like Vilmund the Outsider and Yngvar the Far Traveler and Samson the Fair.

Romantic Conventions Anne K. Kaler, 1999 Finding that romance novels are an important literary genre not only because they comprise nearly half of paperback fiction sold but also because they employ sympathetic values and identifiable conventions, critics present 12 studies analyzing a selection of specific conventions, patterns, themes and images and trace them back to origins in folktales or fairy tales and back again to the latest adaptations available in the supermarkets. A Magnificent Disturbance Lee Lynch, 2025-06-10 A gripping and poignant ode to chosen family, intergenerational friendship and resolute persistence. This is not a good time for Berry Garland to realize her dream of opening a women's health center. Florida has become more

conservative and women's health raises a red flag Berry's intent to serve victims of domestic violence gay women migrant workers documented or not makes reliance on government funding and the cooperation of local agencies precarious When the owner of Pansy's Caf donates space though MJ Beaudry and her lover Vonnie Lowe's brother volunteer to revamp the space into a health facility Berry's best friend activist Allison Miller is disgusted with the frenzied hurricane of right wing extremism homophobia and violence As mayor of Four Lakes she helps navigate local bureaucracy A community of lesbians neighbors and patients rise up to protect this critical resource from a shocking saboteur Despite Berry and her partner Jaudon Vicker's devastating life changes at home these everyday dykes and their friends will stop at nothing to see the center thrive Their ideals their wounds and a steadfast allegiance to one another render them heroes **Kitty Sweet Tooth** Abby Denson, 2021-04-06 In this adorable and silly graphic novel written for young readers Kitty Sweet Tooth runs a movie theater that serves up magical and unpredictable desserts Featuring delicious text from author Abby Denson and bright colorful illustrations by Utomaru There's just one thing Kitty Sweet Tooth loves more than going to movies and that's eating delicious desserts Now that Pop Pop's movie theater has fallen on hard times Kitty decides that only dessert can keep it from closing its doors With a coat of paint a tasty new menu and a lot of hard work Kitty and her friends transform this ramshackle theater into the Taste O Rama a combination movie house restaurant At the Taste O Rama special film screenings are paired with custom made dishes But when you have a mad scientist and a witch working in the kitchen recipes can go awry On opening night the theater is flooded with magical jelly that grows out of control How can Kitty Sweet Tooth and her friends save the day **Rainbow's End** Martha Grimes, 2013-06-11 What begins as a trio of seemingly unrelated deaths in England soon propels Superintendent Richard Jury into an international mystery that leads him far from home to the sun drenched American Southwest When three women die of natural causes in London and the West Country there appears to be no connection or reason to suspect foul play But Scotland Yard Superintendent Richard Jury has other ideas and before long he's following his keen police instincts all the way to Santa Fe New Mexico There in the company of a brooding thirteen year old girl and her pet coyote he mingles with an odd assortment of characters and tangles with a twisted plot that stretches from England to the American Southwest And while his good friend Melrose Plant pursues inquiries in London Jury delves deeper into the more baffling elements of the case discovering firsthand what the guide books don't tell you that the Land of Enchantment is also a landscape ripe with tragedy treachery and murder **Animals into Art** Howard Morphy, 2014-10-30 This book is one of a series of volumes resulting from the World Archaeological Congress September 1986 which addressed world archaeology in its widest sense investigating how people lived in the past and how and why changes took place to result in the forms of society and culture which exist now The series brought together archaeologists and anthropologists from many parts of the world academics from contingent disciplines and also non academics from a wide range of cultural backgrounds who could lend their own expertise to the discussions This book is an exploration of the way in which the animal

world features in the works of art of a variety of cultures of different times and places Contributors have adopted a variety of perspectives for looking at the complex ways in which past and present humans have interrelated with beings they classify as animals Some of the approaches are predominantly economic and ecological some are symbolic and others philosophical or theological All these different views are included in the interpretation of the artworks of the past revealing some of the foci and inspirations of cultural attitudes to animals Originally published 1989 **Rainbow's End** Maury Klein,2003-05-01

Rainbow's End tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history **D. H. Lawrence** Alistair Niven,1978-02-23 Since his death in 1930 D H Lawrence has become not only one of the most controversial English novelists of the twentieth century but also one of the most widely read and quoted writers in the language In this new study of his major fiction Alistair Niven revalues all the novels tracing Lawrence's development through them both as an artist and as a thinker At the centre of the book Dr Niven discusses *The Rainbow* and *Women in Love* as the diverse products of a single creative intention nothing less than an exploration of where modern man is going Lawrence's early novels *The White Peacock* and *The Trespasser* receive

exceptionally close scrutiny There are also full length chapters on Lawrence's well known fiction of sexual self discovery *Sons and Lovers* and *Lady Chatterley's Lover* The travel novels *The Lost Girl* *Aaron's Rod* *The Plumed Serpent* and especially the Australian novel *Kangaroo* which the author believes has been seriously underestimated by previous critics are given prominence as evidence of Lawrence's restless desire to find a superior set of values to those he believed had failed in England Dr Niven's conclusions are derived solely from his close reading of the novels themselves and when relevant from Lawrence's correspondence and short stories This study with its unusually lively and commonsense approach confirms Lawrence as not only a great novelist but a central figure in the development of the modern mind *Iceland: Horseback tours in saga land* W. S. C. Russell,2019-12-09 In *Iceland Horseback Tours in Saga Land* W S C Russell intricately weaves an engaging narrative that marries the thrill of exploration with profundity of historical and cultural insights The text is

With numerous illustrations and a map Sabine Baring-Gould, 1863 *Mnemonic Echoing in Old Norse Sagas and Eddas* Pernille Hermann, 2022-08-22 This book brings together Old Norse Icelandic literature and critical strategies of memory and argues that some of the particularities of this vernacular textual tradition are explained by the fact that this literature derives from represents and incorporates into its designs mnemonic devices of different kinds Even if Old Norse Icelandic manuscript culture is relatively silent about the mnemonic context of the literature the texts themselves exhibit multiple reminiscences of memory By showing that this literature reveals glimpses of mnemonic technologies at the same time as it testifies to a cultural memory this study demonstrates how the past and narrative traditions about the past were constructed in a dynamic relationship with ideas that existed at the time the texts were written Moreover the book deals with the function of memory in early book culture with metaphors of memory and with mnemonic cues such as spatiality and visuality With its new readings of canonical texts like the *slendingas gur* the Prose Edda and selected eddic poems as well as of less widely studied branches of Old Norse Icelandic literature such as the sagas of bishops and religious texts this book will be of interest to Old Norse scholars and to scholars interested in medieval Scandinavia and memory studies Tropical Fish Hobbyist, 1993 Women, Politics, and Social Networks in the Sagas of Norwegian Kings Markus Eldegard Mindrebø, 2025-05-19 The Old Norse Icelandic *konungas gur* kings sagas have been thoroughly studied for centuries for their vivid representation of Scandinavia's Viking Age past but women have frequently been overlooked in scholarly discussions of the political culture found within the texts *Women Politics and Social Networks in the Sagas of Norwegian Kings* shows that in their accounts of early Norwegian history the kings sagas portray aristocratic and royal women as able to participate in politics at a similar level to men but only within certain social parameters Women are structurally enabled to enter male dominated political spaces and positions through their

participation in interaction with and manipulation of multifaceted aristocratic networks based around interpersonal bonds of kinship friendship and lordship Inspired by advancements within medieval network theory and studies of aristocratic group behaviour and women s social agency in medieval historiography the book demonstrates that the sagas portray elite women as utilising the same network strategies as men and potentially exercising similar levels of political power as a consequence while being excluded from the institutionalised roles of kingship chieftaincy and military and judicial leadership Viking Tales of the North Rasmus Bjørn Anderson,1877 *Know Thyself* Krishan Aneja,2022-05-24 The first quick impression one gets of the phrase Know Thyself is A study of humans urge for a spiritual journey However the book does not delve into this aspect of human life A few blessed souls are worthy and capable of undertaking such a journey The central idea of this book is to discuss the various aspects of life using my personal life and work journey of eight decades of struggles achievements and contentment Know Thyself focuses on issues central to the development of one s persona in its totality a balanced and well informed personal value system competence and confidence to chart one s balanced approach for securing what one aims at in life The book encompasses a wider spectrum of viewpoints that have an overbearing influence on the way one conducts one s affairs of life It discusses in depth issues topics of one s resolve for living a happy meaningful and satisfying life in its totality personal social and work life **Holstein-Friesian Herd-book** Holstein-Friesian Association of America,1960 *The Diversity of Fishes* Gene Helfman,Bruce B. Collette,Douglas E. Facey,Brian W. drinking marauding and pillaging Vikings But few of us know much about the creator of these immortal heroes a thirteenth century Icelandic chieftain by the name of Snorri Sturluson Like Homer Snorri was a bard writing down and embellishing the folklore and pagan legends of medieval Scandinavia Unlike Homer Snorri was a man of the world a wily political power player one of the richest men in Iceland who came close to ruling it and even closer to betraying it In Song of the Vikings award winning author Nancy Marie Brown brings Snorri Sturluson s story to life in a richly textured narrative that draws on newly available sources
