Rainmaker The Story Of Venerable Ngagpa Yeshe Dorje Rinpoche:

The Rainmaker Marsha Woolf, Karen Blanc, 1994 **Dreamworlds of Shamanism and Tibetan Buddhism** Angela Sumegi, 2008-05-08 Dreamworlds of Shamanism and Tibetan Buddhism explores the fertile interaction of Buddhism shamanism and Tibetan culture with the subject of dreaming In Tibetan Buddhist literature there are numerous examples of statements that express the value of dreams as a vehicle of authentic spiritual knowledge and at the same time dismiss dreams as the ultra illusions of an illusory world Examining the third place from the perspective of shamanism and Buddhism Angela Sumegi provides a fresh look at the contradictory attitudes toward dreams in Tibetan culture Sumegi questions the longstanding interpretation that views this dichotomy as a difference between popular and elite religion and theorizes that a better explanation of the ambiguous position of dreams can be gained through attention to the spiritual dynamics at play between Buddhism and an indigenous shamanic presence By exploring the themes of conflict and resolution that coalesce in the Tibetan experience and examining dreams as a site of dialogue between shamanism and Buddhism this book provides an alternate model for understanding dreams in Tibetan Buddhism *Buddhist Magic* Sam van Schaik, 2020-07-28 A fascinating exploration of the role that magic has played in the history of Buddhism As far back as we can see in the historical record Buddhist monks and nuns have offered services including healing divination rain making aggressive magic and love magic to local clients Studying this history scholar Sam van Schaik concludes that magic and healing have played a key role in Buddhism s flourishing yet they have rarely been studied in academic circles or by Western practitioners The exclusion of magical practices and powers from most discussions of Buddhism in the modern era can be seen as part of the appropriation of Buddhism by Westerners as well as an effect of modernization movements within Asian Buddhism However if we are to understand the way Buddhism has worked in the past the way it still works now in many societies and the way it can work in the future we need to examine these overlooked aspects of Buddhist practice In *Buddhist Magic* van Schaik takes a book of spells and rituals one of the earliest that has survived from the Silk Road site of Dunhuang as the key reference point for discussing Buddhist magic in Tibet and beyond After situating Buddhist magic within a cross cultural history of world magic he discusses sources of magic in Buddhist scripture early Buddhist rituals of protection medicine and the spread of Buddhism and magic users Including material from across the vast array of Buddhist traditions van Schaik offers readers a fascinating nuanced view of a topic that has too long been ignored *Introducing Tibetan Buddhism* Geoffrey Samuel, 2012 *Introducing Tibetan Buddhism* is the ideal starting point for students wishing to undertake a comprehensive study of Tibetan religion This lively introduction covers the whole spectrum of Tibetan religious history from early figures and the development of the old and new schools of Buddhism to the spread and influence of Tibetan Buddhism throughout the world Geoffrey Samuel covers the key schools and traditions as well as Bon and bodies of textual material including the writings of major lamas He explores aspects such as the path to liberation through Sutra and Tantra teachings philosophy ethics ritual

and issues of gender and national identity Illustrated throughout the book includes a chronology glossary pronunciation guide summaries discussion questions and recommendations for further reading to aid students understanding and revision Provided by publisher *Death and Life-giving Waters* Terje Oestigaard,2005 In this original work the author aims to develop a synthetic perspective for enhancing the understanding of the roles death and life giving waters have in the constitution of society and cosmos in karmic traditions through a material culture study of death and funeral practices as cultural ritual and religious processes in parts of Nepal Bangladesh India and the Indus Valley Forthcoming Books Rose Army,1992 Small Press Record of Books in Print Len Fulton,1993 **American Book Publishing Record** ,1991
