Rainy Day Thrills:

Rainy Day Thrills Sean M. Conway, 2002-08-15 If there's one thing I've learned in all of this it's that life is full of mistakes. You cannot avoid them: big ones, small ones; there they are haunting us like ghosts. I suppose the best we can hope to do is somehow learn to live with them. My biggest mistake in this whole mess was the first one from the opening chapter.

Rainy Day Thrills All Nathan Brooks wanted was his own small version of the American Dream: a loving wife, beautiful daughter, quiet suburban home, and even a family dog. But the rainy night he pulls a desperate stranger from a wrecked car along a stretch of desolate road, Nathan's modest dream is jeopardized. Now forced to confront a dark and secret past, he finds himself once again tempted by a long buried lust for revenge.

Those Thrilling Yarns of Yesteryear Carl "Bud" Paepcke, 2024-10-11 In his third in a series of stimulating stories which he likes referring to as his yarns, the author paints colorful portraits of real people who have either personally touched his life in some way or simply captured his imagination by the way they lived and what they accomplished in their lifetimes. While telling his yarns about these Notable Characters, this Marine Corps veteran and retired FBI agent unabashedly professes his sincere love of family, his deep pride in American history, his steadfast admiration of personal courage, and his enduring belief and trust in God.

Thrill of the Rookie Osaze Ehigiator, 2012-07-24 **Thrill of the Rookie** chronicles the life of Osaze Ehigiator beginning in Nigeria, a nation plagued with corruption and incessant coup, and how the author escaped to the USA. The tale then follows his difficult years in the States and his experiences with the underside of Americans who operate under different sets of codes called The Eleventh Commandments, before pulling himself up by the bootstraps and finding success. This is a book unlike any other before it. It is an autobiography with a twist to it: memoir. Instead of concentrating on me and my experience, lots of focus is placed on taking you through the entire journey I have been through and let you experience these things on your own without physically going through them. You get the full benefits of the experiments without actually being used as a specimen. You enjoy the thrills, humors, and treats without feeling any of the pains or facing the challenges. This book, now dubbed the immigrants' bible, is also being defined as an adventure to a comic planet full of excitement, challenges, and humors.

3 independent book reviews: 1. Ehigiator remains largely on point in his message that the American dream is attainable but must be appreciated and nurtured. Engaging Kirkus Review. 2. A highly readable book. Ehigiator's talent for story telling is evident. BlueInk Review. 3. An intense personal story of what it takes to embrace the American dream. Told with an intoxicating blend of humility, earnestness, and absurdity. Clarion Review. 4 stars out of 5.
