## **Raise Your Voice:**

*Raise Your Voice* Richard Lawton, 2018-04 Have you ever wanted to join a choir but were afraid you couldn't carry a tune Do you ever have to present at work but feel you can't convey your messages effectively because of your voice Do you struggle to sound confident at meetings or on the phone Do you just dislike the sound of your own voice You are not alone Not only is your voice a vital part of your personality but it has more to do with your mental and physical health than you realize *Raise Your Voice* is written by an experienced voice coach and is full of practical tools and real life war stories for people who are waking up to the power of voice to enhance the mind body spirit connection including the treatment of mental health and eating disorders amateur singers who know that they could do more with their voice older people baby boomers realizing the health and memory benefits of singing and people who work on their voice for a specific reason but then discover it gives them courage to face their fears in other aspects of their lives The personal stories interwoven make the how to sections come alive and will provoke anyone who picks up the book to explore their relationship with their voice Publisher's description     *Raise Your Voice* Jaime Vendera, 2007 The owner's guide to the voice this book will help you develop an understanding of the voice and how it works     **Multivocality** Katherine Meizel PhD, 2020-01-02 Multivocality frames vocality as a way to investigate the voice in music as a concept encompassing all the implications with which voice is inscribed the negotiation of sound and Self individual and culture medium and meaning ontology and embodiment Like identity vocality is fluid and constructed continually even the most iconic of singers do not simply exercise a static voice throughout a lifetime As 21st century singers habitually perform across styles genres cultural contexts histories and identities the author suggests that they are not only performing in multiple vocalities but more critically they are performing multivocality creating and recreating identity through the process of singing with many voices Multivocality constitutes an effort toward a fuller understanding of how the singing voice figures in the negotiation of identity Author Katherine Meizel recovers the idea of multivocality from its previously abstract treatment and re embodies it in the lived experiences of singers who work on and across the fluid borders of identity Highlighting singers in vocal motion Multivocality focuses on their transitions and transgressions across genre and gender boundaries cultural borders the lines between body and technology between religious contexts between found voices and lost ones     **The National Psalmist ; A Collection of the Most Popular and Useful Psalm and Hymn Tunes...** Lowell Mason, 1848     *From the Heart* J. M. Richards, 2012-07-09 From the heart is a compilation of poems and songs that I have written over the years that I feel should be shared Sometimes it feels good to get out of the normal genre that I write and let my heart speak     *Pure Gold from the Words of Sayyidī 'Abd al-'Azīz al-Dabbāgh* John O'Kane, Bernd Radtke, 2007-11-30 Around 1720 in Fez A mad b al Mub rak al Lama a religious scholar wrote down the words and teachings of the Sufi master Abd al Az z al Dabb gh Al Dabb gh shunned religious studies but having reached illumination and met with the Prophet Mu ammad he was able to explain any obscurities in the Qur n ad

ths and sayings of earlier Sufis The resulting book known as the Ibr z describes how al Dabb gh attained illumination and access to the Prophet as well as his teachings about the Council of the godly that regulates the world relations between master and disciple the darkness in men s bodies Adam s creation Barzakh Paradise and Hell and much more besides This encyclopaedia of Sufism with its many teaching stories and illustrations provides a window onto social life and religious ideas in Fez a generation or so before powerful outside forces began to play a role in the radical transformation of Morocco

*RitualCraft* Azrael Aryn K, Amber K, 2006 From Sabbat events to magick ceremonies to handfastings ritual is at the heart of Pagan worship and celebration Whether you re planning a simple coven initiation or an elaborate outdoor event for hundreds *RitualCraft* can help you create and conduct meaningful rituals Far from a recipe book of rote readings this modern text explores rituals from many cultures and offers a step by step Neopagan framework for creating your own The authors share their own ritual experiences the best and the worst illustrating the elements that contribute to successful ritual *RitualCraft* covers all kinds of occasions celebrations for families a few people or large groups rites of passage Esbats and Sabbats and personal transformation Costumes ethics music physical environment ritual tools safety speech and timing are all discussed in this all inclusive guidebook to ritual

*Poetic Parables, Songs and Poems* Vickie L. Detert, 2009-12-16 *Poetic Parables Songs and Poems* from an imperfect pen is the first attempt at publishing for the author composer Vickie L Detert With the Lord and his gifts as inspiration there are many more works waiting their turn to be shared Their message of faith forgiveness strength hope and love have been blessings to Miss Detert and others Now her prayer is to share them with as many as God is willing and she trusts He will guide them through each and every word An added bonus to the music portion of this book is that each song is presented twice The first presentation is as melody chords and lyrics The second is with a piano accompaniment In most of the later you will also find the pieces are written in a slightly lower key thus giving the singers a choice of range Miss Vickie L Detert has been a life long Christian who has as most Christians faced many of life s challenges with her God given faith being the answer the hope and the strength she has needed As far back as she can remember music and faith have walked hand in hand and so despite being convinced at a young age that writing was not one of her gifts it was not surprising that in 1978 she began writing and composing pieces reflective of her faith As a music teacher and church musician Miss Detert has shared much of her writings with friends family and local congregations Now she hopes the Lord will use this book to reach out and bless all of those who are moved to open it s cover and look within Her wish is that God use her work to bring others closer to Him as it has done for her
