Great Books for Girls Kathleen Odean, 2002 Evaluates fiction and nonfiction books featuring girls and women in positive roles ranking each entry by reading level

What Is Waldorf Education? Rudolf Steiner, 2004-11 The soul's immortality and its repeated earthly births are not new ideas in Western thought They are implicit in the Pythagorean and Platonic traditions as well as in some branches of esoteric Judaism and Cabbala But it was not until the early years of this century that the West was given a detailed modern evolutionary philosophy of human life based on the reality of reincarnation and karma This turning point occurred when Rudolf Steiner began to make public the results of his spiritual scientific researches He viewed the revelation of reincarnation and karma as one of his most important life tasks Steiner's contribution however remains unique in its understanding of the human being as an evolving developing being of body soul and spirit On the basis of his researches presented in numerous books and lectures we begin to understand how the complex interaction of human lives between birth and death and between death and a new birth gives new meaning not only to individual lives lived on Earth in community with others but also to human history and evolution and to earthly and cosmic events This book collects many of Steiner's major statements on reincarnation and karma The primary purpose of this volume is to help readers meet the challenge of spiritual research in the area of individual evolution of the soul and spirit in the context of cultural and universal evolution Such a study can be tremendously revealing and provide spiritual understanding in a time of increasing intellectual confusion

and spiritual poverty The notion of reincarnation and karma is generally associated in most minds with spiritual traditions of the East especially Hinduism and Buddhism Ren Querido s in depth sixty page introduction however places these concepts within the context of Western spiritual development and esoteric tradition showing us a panoramic view of how such ideas have developed over the centuries in the West

Meditations for Mothers of Toddlers Beth Wilson Saavedra, Beth Shannon Wilson, 1993-12-01 A new collection of inspirational quotes by the author of *Meditations for New Mothers* incorporates such themes as Growing Up Self Esteem Setting Limits Sex and Marriage Self Blame Revolving Personalities and Laughter Original

Rhythms of Learning Rudolf Steiner, 1998 Key lectures on children and education have been thoughtfully chosen from the vast amount of material by Steiner and presented in a context that makes them approachable and accessible In his many discussions and lectures Steiner shared his vision of an education that considers the spirit soul and physiology in children as they grow

How To Say It (R) To Girls Nancy Gruver, 2004-10-05 The expert guide to girl talk *How to Say It r to Girls* provides a wellspring of practical advice for parents on how to broach uncomfortable subjects with girls of all ages or how to simply open the lines of communication This book offers concrete words phrases and sample dialogues to help parents figure out what to say and how best to say it

It's a Baby Girl! The Gurian Institute, Stacie Bering, Adie Goldberg, 2009-01-27 Very practical science based tips and guidelines and stories for moms and dads of baby girls Including Why you need a book just about girls The very different health issues genetic predisposition hard wiring neurological and biological development of girls including unique strengths and weaknesses How to understand the core nature of your girl and nourish it through problems of crying fussing eating sleeping attaching and other key issues during the first 12 months of life Warm hearted stories about girls and tips from real moms and a preview of what s to come for girls as they become toddlers preschool kids pubescent and beyond

Education for Adolescents Rudolf Steiner, 1996-07 8 lectures Stuttgart June 12 19 1921 CW 302 In these eight talks on education for teenaged young people Steiner addressed the teachers of the first Waldorf school two years after it was first opened A high school was needed and Steiner wanted to provide a foundation for study and a guide for teachers already familiar with his approach to the human being child development and education based on spiritual science Steiner s education affirms the being of every child within the world of spirit This approach works within the context of the child s gradual entry into earthly life aided by spiritual forces and children s need for an education that cooperates with those forces Some of Steiner s remarks may be controversial but unbiased study will lead to an appreciation of the profound thought and wisdom behind what is presented here German source *Menschenkenntnis und Unterrichtsgestaltung* GA 302

Father Hunger Margo Maine, 2010-02-01 This book pioneered the term father hunger the emptiness and resulting food and body image disorders experienced by women whose fathers were physically or emotionally absent Based on ten years of further study this second edition of *Father Hunger* details the origins of the syndrome and its effect on the family with new practical solutions to help dads and daughters

understand and improve their relationships An expanded section for educators and therapists offers strategies and techniques for preventing and treating this complex problem

Will I Ever be Good Enough? Karyl McBride, 2008 The first book specifically for daughters suffering from the emotional abuse of selfish self involved mothers *Will I Ever Be Good Enough* provides the expert assistance you need in order to overcome this debilitating history and reclaim your life for yourself Drawing on over two decades of experience as a therapist specializing in women s psychology and health psychotherapist Dr Karyl McBride helps you recognize the widespread effects of this maternal emotional abuse and guides you as you create an individualized program for self protection resolution and complete recovery An estimated 15 million American women have narcissistic personality disorder which makes them so insecure and overbearing insensitive and domineering that they can psychologically damage their daughters for life Daughters of narcissistic mothers learn that maternal love is not unconditional and that it is given only when they behave in accordance with their mothers often unreasonable expectations and whims As adults these daughters consequently have difficulty overcoming their insecurities and feelings of inadequacy disappointment sadness and emotional emptiness They may also have a terrible fear of abandonment that leads them to form unhealthy love relationships as well as a tendency to perfectionism and unrelenting self criticism or to self sabotage and frustration

Herself the recovering daughter of a narcissistic mother Dr McBride includes her personal struggle which adds a profound level of authority to her work along with the perspectives of the hundreds of suffering daughters she s interviewed over the years Their stories of how maternal abuse has manifested in their lives as well as how they have successfully overcome its effects show you that you re not alone and that you can take back your life and have the control you want Dr McBride s step by step program will enable you to

- 1 Recognize your own experience with maternal narcissism and its effects on all aspects of your life
- 2 Discover how you have internalized verbal and nonverbal messages from your mother and how these have translated into a strong desire to overachieve or a tendency to self sabotage
- 3 Construct a step by step program to reclaim your life and enhance your sense of self a process that includes creating a psychological separation from your mother and breaking the legacy of abuse

You will also learn how not to repeat your mother s mistakes with your own daughter Warm and sympathetic filled with the examples of women who have established healthy boundaries with their hurtful mothers *Will I Ever Be Good Enough* encourages and inspires you as it aids your recovery

Fatherless Daughters Pamela Thomas, 2018-03-27 A moving elegantly written and exhaustively researched account of what it means for a girl to lose a father to death or divorce with advice for fatherless daughters on how to cope People who lose their parents early in life are like fellow war veterans As soon as they discover that they are talking to someone else who has lost a parent they know they are speaking the same language without uttering a word Pamela Thomas gives voice to this unspoken pain in *Fatherless Daughters* Still haunted by her own father s death when she was ten Thomas decided to explore its effects Though her journey began as a personal one she soon felt the need to hear from other women

and ended up interviewing more than one hundred fatherless women They ranged in age from nineteen to ninety four they came from all areas of the country as well as Europe and Asia some had lost their fathers to death others to divorce or abandonment Each account was unique but the impact of a father s loss was profound in every woman s life Thomas begins by defining what it means to be a father in our world She discusses the initial shock of his loss exploring the aspects that color how a young girl experiences it her age at the time of her father s death or abandonment her mother s behavior and attitudes her place in the family vis vis siblings and the influence of a stepfather or father surrogates Thomas shows how a father s early death or abandonment affects a woman s emotional health and self esteem her body image her sexual experiences her marriage her family life and her career Perhaps most important Thomas offers compassionate advice for coming to terms with father loss even late in life from actively mourning to healing to starting fresh *Maiden USA* Kathleen Sweeney,2008 *Maiden USA* Girl Icons Come of Age explores images of powerful contradictory pop culture icons of the past decade which run the gamut from Mean Girls and their Endangered Victims to Superheroines and Ingenue Goddesses Are girls of the Title IX generation in need of Internet protection or are they Supergirls evolving beyond gender stereotypes to rescue us all *Maiden USA* provides an overview of girl trends since the 90s including the emergence of girls digital media making and self representation venues on MySpace Facebook and YouTube as the newest wave of Girl Power

The Quotable Mom Kate Rowinski,2004 Everyone has had a mother and most of us would admit that these women have profoundly affected our lives *The Quotable Mom* gathers together some of the wisest and most memorable words ever written or spoken about and by the women who gave birth to us This well rounded volume includes quotes from individuals as diverse as Mick Jagger Ann Landers Mother Teresa and Beatrix Potter This gem of a book makes the perfect gift for any mother or grandmother It is a heartwarming and inspiring collection of humorous profound thoughtful and compelling remarks and observations by and about mothers and their children Publisher description *Intrusive Partners - Elusive Mates* Stephen J. Betchen,2013-08-21 When two people form a relationship or marry they begin to move towards one another with the expectation of closeness The emotionality or intensity that accompanies this process however may result in fusion followed by a desperate need for space or distance *Intrusive Partners Elusive Mates* is the first book to deal exclusively with the pursuer distancer interaction and to focus significant attention on the emerging male pursuer female distancer dynamic This book revisits Fogarty s work traces the concept over time and across different professional fields and discusses in detail the concepts correlation with gender issues and social change A detailed step by step model of treatment to aid in de escalating this potentially problematic style is also offered The model in and of itself is unique because it integrates psychoanalytic conflict theory and psychodynamic systems theory into one treatment approach This book is intended to offer the therapist a model for understanding and effectively discussing this dynamic while at the same time allowing couples to read and explore it on their own
