Rape Of The Nation And The Hymen Fantasy:

The Rape of the Nation and the Hymen Fantasy Mizuho Terasawa, 2003-06-18 The Rape of the Nation and the Hymen Fantasy demonstrates how William Faulkner's fictional works normally considered extremely complex and incomprehensible can be thoroughly understood and explicated The volume urges scholars of Faulkner and literature in general to liberate themselves from ideological bondage William Faulkner John E. Bassett, 2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897-1962 produced such enduring novels as *The Sound and the Fury* *Light in August* and *As I Lay Dying* as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book *Faulkner in the Eighties* Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E. Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner **American Literary Scholarship** James Leslie Woodress, 1965 The Outsider Within Tomoko Kuribayashi, Mizuho Terasawa, 2002-04-25 The Outsider Within contains ten articles written by new and veteran scholars of Japanese women writers both from the U S and abroad with a focus on their fictional works available in English translation Preceded by a general introduction which discusses the position of the Japanese woman writer as an outsider within their native society the ten essays offer general information on Japanese women's literature society and culture along with detailed analyses of individual works One Break, a Thousand Blows! Maxi Kim, 2008 Tir du site Internet de Book Works One Break A Thousand Blows is a novel about Japan The protagonist is a metaphor wanting to negate Japan but not by writing a novel about Japan but by writing falsely about it using Japan as a screen for the author's innermost hopes and desires One Break A Thousand Blows aims to express the claim that there is no gap between sexuality and textuality it aims to be anti metaphorical to escape the logic of modernism and postmodernism and express a pre modernist post human morphogenetic aesthetics in all its wild sacred expressivity Cannibalising every book it references One Break A Thousand Blows is heavily invested in bibliolatry its polymorphous protagonists subjected to the occult use of books for divination Maxi Kim is the grandson of illiterate Korean peasant farmers He is a recent graduate of CalArts MFA Writing Program currently researching a Phd at the University of Greenwich He has worked with performance artists Gina Clark Janice Lee editorially with Matias Viegner and Christine Wertheim and organised events with Chris Kraus and Mark von Schlegell This is his first

collection includes poems written from the early fifties up until Kandel's death. The paradox of Lenore Kandel is that despite her prodigious talent she was one of the least read and critically appreciated of modern poets. Kandel found her voice at a time when the Beat era was giving way to the countercultural age and though she straddled both eras it meant that she also fell through the cracks in terms of recognition. Now for the first time the full range of her work appears in one volume.
