Rat Stew:

Child of the Riftgate Tim Cove,2020-09-27 Every myth is real Every legend is true The answers lie beyond the riftgate But Jane Baker doesn't want answers she wants ice cream She doesn't want friends or adventures she wants to be alone She doesn't want to be the most hunted person in a parallel world or caught in a twisting web of secrets and treachery but then again when has Jane ever got what she wanted Never that's when Now thrown together with a bizarre assortment of allies Jane must nurture a strength within herself that she never knew existed For the fate of a world has come to rest on her shoulders and saving it will require more than epic quests and deadly conflict it will require her to confront a lie that has defined her life and embrace a truth that will shake the foundations of the universe Soyala's Saga Richard Donahue,2015-03-31 Author House Review The Sixth Coming is set within an original mythology to fascinating results It combines vividly realized characters with spiritual themes and elements of Aztec lore There is an incredible array of exciting sequences that could provide great material for adapting this work into another medium Due to the nontraditional structure and storytelling style live theater could be an interesting option Film is another option perhaps animation could make the most of the impressive locations creatures and spectacles There are several elements that are very well suited for a film or theater piece Because both these mediums usually feature the interactions between characters the strong personalities of The Sixth Coming are essential to capture Soyala is a great heroine from her borderline petulance over the Builders gift to her reluctant and confused acceptance of her destiny She isn't perfect which makes her all the more compelling as she overcomes overwhelming odds Kajika Burilgi and the Minstrel are wonderful supporting characters Each of these brothers has his own distinct personality and their squabbling provides comic relief Burilgi and the Minstrel in particular provide humor Kajika could bring in sex appeal for female audiences while Soyala and Xochiquetzal could do so for males Xochiquetzal Tona teotl is a fascinating villain Her sinister sexuality when welcoming Soyala and Kajika could play very well in a film The later scenes on the Barge are thrilling due to Tona teotl's increasingly evident madness These scenes would provide terrific moments for an actor to really chew up the scenery The Shield Maidens story begins with the reader being introduced to her loved ones Each character is well developed and had distinctive characteristics When bad things happen to them we also feel her loss We also learn more about how she came to be and how important loyalty is to her survival The places that this story takes us to are either incredibly beautiful or eerily foreboding The creatures in it are also very uniquely described and incredibly different from the mundane realm that we currently inhabit *Oh Rats!* Albert Marrin,2014-10-02 Prepare to be disgusted amazed shocked and informed by the astonishing and mysterious creature that has annoyed humanity for centuries Rats Able to claw straight up a brick wall squeeze through a pipe the width of a quarter and gnaw through iron and concrete rats are also revealed in this fascinating book to be incredibly intelligent and capable of compassion Weaving together science history culture and folklore award winning writer Albert Marrin offers a look at rats

that goes from the curious to repulsive horrifying to comic fearsome to inspiring Arresting black and white scratchboard illustrations with bold red accents add visual punch to this study of a creature that has annoyed disgusted nourished and intrigued its human neighbors for centuries A lively and informative overview of the history and behavior of the widely encountered rodent It s a different sort of discussion for this well known historian and biographer and one that he has clearly enjoyed as will a wide variety of nonfiction readers and animal fans There s a bibliography of adult sources and children s nonfiction as well as a listing of literary works featuring rats School Library Journal starred review Pleasantly icky Booklist A Junior Library Guild Selection Includes bibliography further reading list and a list of rats in literature
