**Rationale of the Dirty Joke** G. Legman, 2007-11-01 Why do people tell dirty jokes And what is it about a joke s dirtiness that makes it funny G Legman was perhaps the foremost scholar of the dirty joke and as legions of humor writers and comedians know his Rationale of the Dirty Joke remains the most exhaustive and authoritative study of the subject More than two thousand jokes and folktales are presented covering such topics as The Female Fool The Fortunate Fart Mutual Mismatching and The Sex Machine These folk texts are authentically transcribed in their innocent and sometimes violent entirety Legman studies each for its historical and socioanalytic significance revealing what these jokes mean to the people who tell them and to the people who listen and laugh Here back in print is the definitive text for comedians and humor writers Freudian scholars and late night television enthusiasts Rationale of the Dirty Joke will amuse you offend you challenge you and disgust you all while demonstrating the intelligence and hilarity of the dirty joke **Dirty Jokes and**

**Bawdy Songs** Susan Davis, 2019-10-15 Collector of sexual folklore Cataloger of erotica Tireless social critic Gershon Legman s singular disreputable resume made him a counter cultural touchstone during his forty year exile in France Despite his obscurity today Legman s prescient work and passion for the prurient laid the groundwork for our contemporary study of the forbidden Susan G Davis follows the life and times of the figure driven to share what he found in civilization s secret libraries Self taught and fiercely unaffiliated Legman collected the risqu on street corners and in theaters and dug it out of little known archives If the sexual humor he uncovered often used laughter to disguise hostility and fear he still believed it indispensable to the human experience Davis reveals Legman in all his prickly provocative complexity as an outrageous nonconformist thundering at a wrong headed world while reveling in conflict violating laws and boundaries with equal abandon and pursuing love and improbable adventures Through it all he maintained a kaleidoscopic network of friends fellow intellectuals celebrity admirers and like minded obsessives **Rationale of the Dirty Joke** Gershon Legman, 1975

*Wordsworth's Slumber and the Problematics of Reading* Brian G. Caraher, 2010-11-01 **Folktales of Newfoundland**  
**Pbdirect** J.D.A. Widdowson, Herbert Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case *Homo narrans* Christoph Schmitt, 1999 **The English Traditional Ballad** David Atkinson, 2017-07-05 Ballads are a fascinating subject of study not

least because of their endless variety It is quite remarkable that ballads taken down or recorded from singers separated by centuries in time and by hundreds of kilometres in distance should be both different and yet recognizably the same In *The English Traditional Ballad* David Atkinson examines the ways in which the body of ballads known in England make reference both to ballads from elsewhere and to other English folk songs The book outlines current theoretical directions in ballad scholarship structuralism traditional referentiality genre and context print and oral transmission and the theory of tradition and revival These are combined to offer readers a method of approaching the central issue in ballad studies the creation of meanings out of ballad texts Atkinson focuses on some of the most interesting problems in ballad studies the wit combat in versions of *The Unquiet Grave* variable perspectives in comic ballads about marriage incest as a ballad theme problems of feminine motivation in ballads like *The Outlandish Knight* and *The Broomfield Hill* murder ballads and murder in other instances of early popular literature Through discussion of these issues and themes in ballad texts the book outlines a way of tracing traditions in English balladry while recognizing that ballad tradition is far from being simply chronological and linear

**A National Joke** Andy Medhurst, 2007-09-18 Comedy is crucial to how the English see themselves This book considers that proposition through a series of case studies of popular English comedies and comedians in the twentieth century ranging from the Carry On films to the work of Mike Leigh and contemporary sitcoms such as *The Royle Family* and from George Formby to Alan Bennett and Roy Chubby Brown Relating comic traditions to questions of class gender sexuality and geography *A National Joke* looks at how comedy is a cultural thermometer taking the temperature of its times It asks why vulgarity has always delighted English audiences why camp is such a strong thread in English humour why class influences what we laugh at and why comedy has been so neglected in most theoretical writing about cultural identity Part history and part polemic it argues that the English urgently need to reflect on who they are who they have been and who they might become and insists that comedy offers a particularly

illuminating location for undertaking those reflections      *The Medieval Chastity Belt* A. Classen, 2007-03-19 The chastity belt is one of those objects people have commonly identified with the dark Middle Ages This book analyzes the origin of this myth and demonstrates how a convenient misconception or contorted imagination of an allegedly historical practice has led to profoundly flawed interpretations of control mechanisms used by jealous husbands      *The Rainbow Serpent* Ira R. Buchler, Kenneth Maddock, 2011-06-01 No detailed description available for The Rainbow Serpent      *Pornography* Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually culturally and economically Divided into two sections this book covers important debates on the topic and traces the evolution of pornographic film including comparing its development to that of Hollywood cinema      **Folklore Matters** Bruce Jackson, 2024-02-01 Folklore Matters gathers over a half century of articles memoirs field studies and more by master folklorist Bruce Jackson Jackson s wide ranging view of what makes up folklore his affection for his subjects and his keen eyed ability to observe and record without prejudice stories songs and lore from everyone from death row inmates to numbers runners hustlers and legendary blues musicians shines through In his own words Jackson s essays bear witness to worlds that others have too easily ignored This book includes Jackson s landmark work on prison lore and toasts the predecessor of rap labor and criminology his wide ranging interest in African American lore and legend his encounters with legendary figures including Alan Lomax and Pete Seeger and articles that challenge the many traps and pitfalls that plague much of academic study Folklore Matters will delight inform and inspire all those who value America s deepest traditions and the endless creativity of the unrecognized masters of our national culture      *The Wedding Night* Jane Merrill, Chris Filstrup, 2011-04-07 This enlightening narrative takes a look at the wedding night its origins history customs cultural expressions and fictional representations through the ages Though just outside of public view the wedding night is loaded with expectation and consequence The Wedding Night A Popular History is an entertaining accessible touching and humorous volume that looks at the previously unexplored topic of wedding history between the sheets Covering a kaleidoscopic array of cultural expressions this unique study zooms in on what s quintessential and shares insights into the history of intimacy through the ages The book traces the formalization of the wedding night in the ancient Near East and classical world provides many examples of historically significant unions in European and American history and describes the lively variety of traditions leading up to the present Spicing their narrative with many piquant quotes from contemporary sources the authors explore the rich cultural context for the wedding night processions royal rituals apparel food related traditions and pranks throughout Europe and America in the 19th and 20th centuries Separate chapters examine sex guides jokes and the bed as a special conjugal space      *Porn Studies* Linda Williams, 2004 In her pioneering book Hard Core Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about

pornography and signals new directions for study and teaching Porn Studies resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as The Starr Report the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it Porn Studies thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoon Maria St John Tom Waugh Linda Williams
