# Rationality Of Theism

**Paul Copan, Charles Taliaferro**

## **Rationality Of Theism:**

The Rationality of Theism Adolfo García de la Sienra, 2000 This is a controversial collection of brand new papers by some outstanding philosophers and scholars Its aim is to offer comprehensive theistic replies to the traditional arguments against the existence of God

**Rationality and Religious Theism** Joshua L. Golding, 2017-11-22 Throughout the ages one of the central topics in philosophy of religion has been the rationality of theistic belief This book proposes that parties on both sides of this debate might shift their attention in a different direction by focusing on the question of whether it is rational to be a religious theist Explaining that having theistic beliefs is primarily a cognitive affair but being a religious theist involves a whole way of life that includes one's beliefs Golding argues that it can be pragmatically rational to be a religious theist even if the evidence for God's existence is minimal The argument is applied to the case of Judaism articulating what is involved in religious Judaism and arguing that it is rationally defensible to be a religious Jew The book concludes with a discussion of whether a similar argument might be constructed for other versions of religious theism such as Christianity or Islam and for non theistic religions such as Taoism or Buddhism Joshua Golding offers a carefully wrought explanation of how it can be rational for someone to live a religious life in particular but not necessarily only a traditional Jewish life

The Rationality of Theism Paul Copan, Paul Moser, 2004-07-31 The Rationality of Theism is a controversial collection of brand new papers by thirteen outstanding philosophers and scholars Its aim is to offer comprehensive theistic replies to the traditional arguments against the existence of God offering a positive case for theism as well as rebuttals of recent influential criticisms of theism

**Plantinga and the Rationality of Theism** Thomas J. Burke (Jr.), 1989

The Naturalness of Belief Paul Copan, Charles Taliaferro, 2021-05-11 Despite its name naturalism as a world view turns out to be rather unnatural in its strict and more consistent form of materialism and determinism This is why a number of naturalists opt for a broadened version that includes objective moral values intrinsic human dignity consciousness beauty personal agency and the like But in doing so broad naturalism begins to look more like theism As many strict naturalists recognize broad naturalism must borrow from the metaphysical resources of a theistic world view in which such features are very natural common sensical and quite at home in a theistic framework The Naturalness of Belief begins with a naturalistic philosopher's own perspective of naturalism and naturalness The remaining chapters take a multifaceted approach in showing theism's naturalness and greater explanatory power They examine not only rational reasons for theism's ability to account for consciousness intentionality beauty human dignity free will rationality and knowledge they also look at common sensical existential psychological and cultural reasons in addition to the insights of the cognitive science of religion

**Rationality and Religion** Roger Trigg, 1998-06-08 Rationality and Religion deals with the perennial question of how far religious faith needs reason

**Natural Theology, Or, Rational Theism** Milton Valentine, 1892

*Rationality and Religious Belief* Cornelius F. Delaney, 1979 The original essays in this volume call into question the simplistic strategy of characterizing religion by some abstract set of propositions and then

judging it by means of an independently determined standard of rationality      *Rationality and Theistic Belief* Mark S. McLeod, 1993 *Rationality and Theistic Belief* offers a strong dissenting voice on the work of both Plantinga and Alston Certain to provoke vigorous discussion it makes a significant contribution to the contemporary discussion of the epistemology of religious belief      **Rationality, Religious Belief, and Moral Commitment** Robert Audi, William J. Wainwright, 1986 This book is unified by three broad concerns the rationality of belief in God the relation between religion and morality and the explication of the concept of God The essays are however marked by diversity Some focus on historical figures such as Aquinas and Locke others bring recent epistemological and metaphysical developments to bear on problems of religious belief Some of the papers explore neglected issues central to religious practice such as the question of how total devotion to God can permit other deep commitments others apply philosophical distinctions from within a religious tradition for example in setting out a Christian approach to the problem of evil      **The Rationality of Belief in God** George I. Mavrodes, 1970 Believe by W James Faith as passionate commitment by S Kierkegaard God as projection by L A Feuerbach Bibliographical essay p 205 208      Experience of God and the Rationality of Theistic Belief Jerome I. Gellman, 1997 Jerome I Gellman observes that the mystic experience of God's presence a sense of having direct contact with the divine often compels belief in God's existence On the basis of widely accepted principles connecting appearance with reality Gellman contends the claims people make of having experienced God show that belief in God is strongly rational meaning that such claims are sufficient in number and variety to support a line of reasoning making it rational to believe that God exists and irrational to deny God's existence Gellman considers challenges to his thinking based on epistemological grounds and challenges growing out of the diversity of religious experiences across the range of world religions He thoroughly evaluates reductionist explanations of apparent experiences of God and finds them incapable of invalidating his view Finally he directs his attention to the two most compelling arguments against the existence of God the charge that the idea of a perfect being is logically incoherent and the threat to theism based on the existence of evil in both its logical and probabilistic forms Until and unless stronger objections come along he concludes personal experiences of God constitute sufficient evidence of God's existence      The Logic of the Heart James R. Peters, 2009-03-01 Philosopher James R Peters defends the reasonableness of the Christian faith in *The Logic of the Heart* He paves a middle road between the Enlightenment's worship of reason and postmodernism's emphasis on freedom and self rule He delves into the thought of theologian St Augustine and philosopher mathematician Blaise Pascal and engages the skeptic David Hume who argued against the possibility of miracles Throughout this process Peters provides an alternative to postmodern thought as well as the widespread New Atheism This work is appropriate for undergraduate and graduate students pursuing studies in philosophy of religion and historical theology Since Peters writes in nontechnical language readers interested in the relationship between faith and reason will also benefit from *The Logic of the Heart*      A Candid Examination of Theism George John Romanes, 2019-12-12 In *A Candid Examination of Theism* George John Romanes

embarks on a rigorous analytical journey that challenges the foundations of religious belief through a scientific lens Romanes employs a clear and accessible literary style blending philosophical inquiry with empirical examination which invites readers to reconsider the connection between faith and reason Addressing classical arguments for the existence of God he not only critiques traditional theistic doctrines but also explores the limitations and implications of such beliefs in the context of the late 19th century scientific advancements particularly drawing on Darwinian evolution As a notable biologist and a contemporary of Charles Darwin Romanes was deeply influenced by the scientific revolution of his time and sought to reconcile faith with reason His background in natural history and personal experiences with the challenges posed by skepticism likely spurred him to undertake this examination of theism creating a compelling dialogue that reflects the intellectual tensions between science and religion Romanes considerable contributions to psychology and evolutionary biology further establish him as a credible voice in this discourse For readers intrigued by the intersection of science and spirituality Romanes examination offers valuable insights that provoke deeper reflection on their beliefs This work not only enhances our understanding of theodicy but also lays a groundwork for modern discussions surrounding theism making it essential reading for students of philosophy theology and the history of science

### **Rationality and Religious**

**Commitment** Robert Audi, 2011-09-22 Rationality and Religious Commitment shows how religious commitment can be rational and describes the place of faith in the postmodern world It portrays religious commitment as far more than accepting doctrines it is viewed as a kind of life not just as an embrace of tenets Faith is conceived as a unique attitude It is irreducible to belief but closely connected with both belief and conduct and intimately related to life's moral political and aesthetic dimensions Part One presents an account of rationality as a status attainable by mature religious people even those with a strongly scientific habit of mind Part Two describes what it means to have faith how faith is connected with attitudes emotions and conduct and how religious experience may support it Part Three turns to religious commitment and moral obligation and to the relation between religion and politics It shows how ethics and religion can be mutually supportive even though ethics provides standards of conduct independently of theology It also depicts the integrated life possible for the religiously committed a life with rewarding interactions between faith and reason religion and science and the aesthetic and the spiritual The book concludes with two major accounts One explains how moral wrongs and natural disasters are possible under God conceived as having the knowledge power and goodness that make such evils so difficult to understand The other account explores the nature of persons human and divine and yields a conception that can sustain a rational theistic worldview even in the contemporary scientific age

### **The Ends of Philosophy of Religion** T. Knepper, 2013-08-20

Knepper criticizes existing efforts in the philosophy of religion for being out of step with and therefore useless to the academic study of religion then forwards a new program for philosophy of religion that is in step with and therefore useful to the academic study of religion

**Faith, Freedom, and Rationality** Jeff Jordan, Daniel Howard-Snyder, 1996 The philosophy

of religion once considered a deviation from an otherwise analytically rigorous discipline has flourished over the past two decades This collection of new essays by twelve distinguished philosophers of religion explores three broad themes religious attitudes of belief acceptance and love human and divine freedom and the rationality of religious belief     The Logic of Rational Theism William Lane Craig, Mark S. McLeod, 1990 This collection of essays covers three broad areas religious epistemology theistic arguments and God's relationship to human life value and the world Three essays evaluate and extend the recent suggestion that beliefs about God do not need discursive evidence to be held rationally Four essays take up the contemporary interest in arguments for God's existence Two consider the Kalam cosmological argument a third the theological argument and its relationship to the Anthropic principle and a fourth develops an epistemological argument for God's existence The remaining five essays consider the doctrine of God's providence the meaning of life the Euthyphro dilemma the nature of death and virtue theory Written in honor of Stuart C Hackett by his former students at Wheaton College Westmont College and Trinity Evangelical Divinity School the essays take their focus to be the rationality of the theistic world view The book includes a biographical sketch by Hackett's long time colleague at Wheaton College Arthur Holmes     **Natural Theology** Milton Valentine, H L Osterman, 2014-07-22 This is Valentine's major apologetic work In this book Valentine defends a robust natural theology arguing that Theism is the only rational worldview in contradistinction to the materialistic rationalism which pervaded the nineteenth century Valentine stands within the nineteenth century apologetic tradition among the likes of B B Warfield and Charles Hodge Though some of the science of this book is dated this work still stands as a convincing rational defense of the Christian faith     **Is atheism or theism the more rational? A discussion between J. Symes and G. St. Clair** Joseph Symes, 1882

When people should go to the ebook stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we allow the books compilations in this website. It will totally ease you to look guide **Rationality Of Theism** as you such as.

By searching the title, publisher, or authors of guide you essentially want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. ### **Rationality Of Theism Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rationality Of Theism PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal

growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rationality Of Theism PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rationality Of Theism free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Rationality Of Theism Books

**What is a Rationality Of Theism PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rationality Of Theism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rationality Of Theism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rationality Of Theism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rationality Of Theism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing

features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
