Аннотация

В статье рассматривается развитие представлений о жилищной рационализации и жилищных систем на протяжении развития общества (индустриального, индустриально-постиндустриального, постиндустриального). На основе изучения зарубежного опыта на сегодня комплекс постиндустриальных условий и идей предлагается сформировать своим — постиндустриальными моделями жилищной рационализации. Актуальность возможности и эффективность применения данных моделей в сложных современных российских обстоятельствах — в качестве альтернативы индустриальным подходам при решении спектра выделенных жилищных проблем. Ключевой установкой исследования является комплексное рассмотрение рационализации в жилище как части широкого цивилизационного контекста, вместе с которым взаимодействует жилищная система, и без учета которого невозможно формирование эффективной жилищной политики страны.

Ключевые слова

жилищная рационализация, постиндустриальность, постиндустриальное жилище

В российской ситуации остроты жилищной проблемы основные поиски ее решения связываются с индустриальными подходами. Предлагается опереться на массовость и пойти по пути резкого увеличения масштабов жилищного строительства, восстановить крупные предприятия и системы индустриального домостроения, использовать стандартизацию, типизацию, функциональное упрощение потребностей обитателя и жесткое бюрократическое регулирование. Многим специалистам, политикам и руководителям жилищной сферы данные подходы видятся как проверенные и, соответственно, наиболее быстро и легко осуществимые, многие же — как синонимы рациональной деятельности в жилищном целом. Однако рационализация использовалась на протяжении всего развития сферы, индустриальность — одна из ее форм. Сегодня складывается принципиально иной комплекс условий — постиндустриальный. Постиндустриальность (ПИ), с одной стороны, диктует специфику — особый общественный контекст, в котором сегодня приходится решать жилищные проблемы, отличающийся от того, где развивались и эффективно работали индустриальные системы; с другой — ПИ создает пласт отличных аспектов и идей, на основе которых возможно сформировать свое понимание рациональности в жилище.

Постиндустриальные модели жилищной рационализации, сформированные на основе ПИ тенденций, в сложных российских обстоятельствах могут задать еще один вектор развития — альтернативный индустриальному, более адекватный решению проблем в жилище в условиях современности.

В настоящее время рационализация в жилище рассматривается довольно узко — либо с технологических и количественных позиций (как строить «быстро, много и дешево»), оставаясь без внимания множество иных аспектов эффективности; либо предложения по рационализации проводятся отдельно в рамках узких дисциплин — архитектуры, строительства, производства — так, как удобно каждой из них, что в синтезе не ведет к эффективному результату. Rationalization Of Russia

Paul Kengor

Rationalization Of Russia:

The rationalization of Russia Harry M. Geduld, 1964 **The Rationalization of Russia. Edited with an Introduction by Harry M. Geduld. [With Plates, Including Portraits.].** Bernard Shaw, Harry Maurice GEDULD, 1964 **The Rationalization of Russia. Ed. with an Introd. by H.M. Geduld** George Bernard Shaw, H. M. Geduld, 1964 **Red Britain** Matthew Taunton, 2019-04-04 Red Britain sets out a provocative rethinking of the cultural politics of mid century Britain by drawing attention to the extent diversity and longevity of the cultural effects of the Russian Revolution Drawing on new archival research and historical scholarship this book explores the conceptual discursive and formal reverberations of the Bolshevik Revolution in British literature and culture It provides new insight into canonical writers including Doris Lessing George Orwell Dorothy Richardson H G Wells and Raymond Williams as well bringing to attention a cast of less studied writers intellectuals journalists and visitors to the Soviet Union Red Britain shows that the cultural resonances of the Russian Revolution are more far reaching and various than has previously been acknowledged Each of the five chapters takes as its subject one particular problem or debate and investigates the ways in which it was politicised as a result of the Russian Revolution and the subsequent development of the Soviet state The chapters focus on the idea of the future numbers and arithmetic law and justice debates around agriculture and landowning and finally orality literacy and religion In all of these spheres Red Britain shows how the medievalist romantic oral pastoral anarchic and ethical emphases of English socialism clashed with and were sometimes overwritten by futurist utilitarian literate urban statist and economic ideas associated with the Bolshevik Revolution *Political Pilgrims* Paul Hollander, 2017-07-05 Why did so many distinguished Western Intellectuals from G B Shaw to J P Sartre and closer to home from Edmund Wilson to Susan Sontag admire various communist systems often in their most repressive historical phases How could Stalin s Soviet Union Mao s China or Castro s Cuba appear at one time as both successful modernizing societies and the fulfillments of the boldest dreams of social justice Why at the same time had these intellectuals so mercilessly judged and rejected their own Western liberal cultures What Impulses and beliefs prompted them to seek the realization of their ideals in distant poorly known lands How do their journeys fit into long standing Western traditions of looking for new meaning In the non Western world These are some of the questions Paul Hollander sought to answer In his massive study that covers much of our century His success is attested by the fact that the phrase political pilgrim has become a part of intellectual discourse Even in the post communist era the questions raised by this book remain relevant as many Western and especially American intellectuals seek to come to terms with a world which offers few models of secular fulfillment and has tarnished the reputation of political Utopias His new and lengthy introduction updates the pilgrimages and examines current attempts to find substitutes for the emotional and political energy that used to be invested in them *Rationalization of Russia* Bernard Shaw, 1964 *United in Hate* Jamie Glazov, 2009 United in Hate analyzes the Left s contemporary romance with militant Islam as a continuation of the Left s love

affair with communist totalitarianism in the twentieth century Just as the Left was drawn to the communist killing machines of Lenin Stalin Mao Pol Pot and Castro so too it is now attracted to radical Islam Both the radical Left and radical Islam possess a profound hatred for Western culture for a capitalist economic structure that recognizes individual achievement and for the Judeo Christian heritage of the United States Both seek to establish a new world order leftists in the form of a classless communist society and Islamists in the form of a caliphate ruled by Sharia law To achieve these goals both are willing to wipe the slate clean by means of limitless carnage with the ultimate goal of erecting their utopia upon the ruins of the system they have destroyed

Blissful Blindness Dariusz Tolczyk, 2023-09-05 The most heinous Soviet crimes the Red Terror brutal collectivization the Great Famine the Gulag Stalin's Great Terror mass deportations and other atrocities were treated in the West as a controversial topic With the Cold War dichotomy of Western democracy versus Soviet communism deeply imprinted in our minds we are not always aware that these crimes were very often questioned dismissed denied sometimes rationalized and even outright glorified in the Western world Facing a choice of whom to believe the survivors or Soviet propaganda many Western opinion leaders chose in favor of Soviet propaganda Even those who did not believe it behaved sometimes as if they did Blissful Blindness explores Western reactions and lack thereof to Soviet crimes from the Bolshevik revolution to the collapse of Soviet communism in order to understand ideological political economic cultural personal and other motivations behind this puzzling phenomenon of willful ignorance But the significance of Dariusz Tolczyk's book reaches beyond its direct historical focus Written for audiences not limited to scholars and specialists this book not only opens one's eyes to rarely examined aspects of the twentieth century but also helps one see how astonishingly relevant this topic is in our contemporary world

Iron Curtain Patrick Wright, 2007-10-26 From Stettin in the Baltic to Trieste in the Adriatic an iron curtain has descended across the Continent With these words Winston Churchill famously warned the world in a now legendary speech given in Fulton Missouri on March 5 1946 Launched as an evocative metaphor the Iron Curtain quickly became a brutal reality in the Cold War between Capitalist West and Communist East Not surprisingly for many years people on both sides of the division have assumed that the story of the Iron Curtain began with Churchill's 1946 speech In this fascinating investigation Patrick Wright shows that this was decidedly not the case Starting with its original use to describe an anti fire device fitted into theatres Iron Curtain tells the story of how the term evolved into such a powerful metaphor and the myriad ways in which it shaped the world for decades before the onset of the Cold War Along the way it offers fascinating perspectives on a rich array of historical characters and developments from the lofty aspirations and disappointed fate of early twentieth century internationalists through the topsy turvy experiences of the first travellers to Soviet Russia to the theatricalization of modern politics and international relations And as Wright poignantly suggests the term captures a particular way of thinking about the world that long pre dates the Cold War and did not disappear with the fall of the Berlin Wall

Reforming Education in the Regions of Russia Mary Canning, Peter R. Moock, Timothy E.

Heleniak,1999-01-01 Russia s educational system with broad access and high levels of scholarly achievement has long been a source of strength The Soviet system however was grossly overcentralized inefficient and lacking in accountability In the last decade attempted rapid decentralization has not been well designed since there has been no commensurate transfer of resources and levels of responsibility have remained unclear Unless corrected soon the harmful impact on educational quality and equity could be very serious The purposes of this report are to analyze the nature of the current problems and to discuss policy options open to the Russian Government in its efforts to improve educational efficiency preserving and even improving equitable access without sacrificing traditions of academic excellence This report is based on analysis of trends across the 89 Russian regions and case studies In its conclusions the report draws on this regional experience to suggest reform options Among other proposals efficiency could be increased by giving schools increased financial autonomy using of per capita financing formulae and beginning to rationalize the teaching force and improve its quality A national system of student assessment might help both to raise quality and improve the equity of access to highly selective institutions Reforms are required to improve the market responsiveness of first level vocational education and especially to avoid excessive and premature specialization Education practitioners and policy makers will find this publication of interest Political Pilgrims ,1978 Hvad var det der f r kendte vestlige intellektuelle til at beundre forskellige kommunistiske systemer og forkaste deres egne landes liberale Hvorfor s ge idealer i fjerne ikke s godt kendte lande The Apple Cart, Too True to Be Good, on the Rocks, and Millionairess Bernard Shaw,2021 The four dramas in this volume are some of George Bernard Shaw s most interesting plays They stretch from 1929 to 1935 and coincide with the Great Depression the intensification of the crisis of democracy that began after the war and the rise of totalitarianism all of which find expression in these plays They also signal the beginning of an important new phase in Shaw s writing one marked especially by the development of two new Shaw genres the political extravaganza and the political allegory The Apple Cart 1929 marked Shaw s return to playwriting after the long hiatus that followed Saint Joan 1923 The Apple Cart is perhaps the most pointed critique of parliamentary democracy in the entire Shavian canon Too True to Be Good 1931 is another political extravaganza with the opening stage direction The patient is sleeping heavily Near her in the easy chair sits a Monster signaling that Shaw is advancing further into uncharted dramaturgical territory He began writing shortly before his trip to the Soviet Union and finished the play and wrote the preface after his return In the preface Shaw asserts that the USSR is a new Catholic church The dark mood continues in Shaw s next play On the Rocks 1933 which Shaw subtitled a political comedy It is reminiscent of The Apple Cart in that it is sharply focused on British politics and set in the Cabinet Room at 10 Downing Street during the economic depression of the 1930s Shaw started writing The Millionairess in 1934 and finished it in 1935 On the surface it is a simple comedy and if not for the preface we might acquiesce to Shaw s assessment that the play oes not pretend to be anything more than a comedy of humorous and curious contemporary characters such as Ben Jonson might write Yet the preface

appended to the play is entirely about leadership and declaims at great length on Mussolini and Hitler **Russia's Cotton Workers and the New Economic Policy** Chris Ward, 2002-06-20 Key aspects of life on the shop floor of the Russian cotton mill in the 1920s **Major Problems in the History of Imperial Russia** James Cracraft, 1994 Focusing on internal developments in Imperial Russia this book provides even handed coverage of the period with thorough attention to the eighteenth and nineteenth centuries Political history is balanced with a clear vision of social and economic change **All Russia Is Burning!** Cathy A. Frierson, 2012-11-10 Rural fires were an even more persistent scourge than famine in late imperial Russia as Cathy Frierson shows in this first comprehensive study Destroying almost three billion rubles worth of property in European Russia between 1860 and 1904 accidental and arson fires acted as a brake on Russia's economic development while subjecting peasants to perennial shocks to their physical and emotional condition The fire question captured the attention of educated progressive Russians who came to perceived it as a key obstacle to Russia's becoming a modern society in the European model Using sources ranging from literary representations and newspaper articles to statistical tables and court records Frierson demonstrates the many meanings fire held for both peasants and the educated elite To peasants it was an essential source of light and warmth as well as a destructive force that regularly ignited their cramped villages of wooden thatch roofed huts Absent the rule of law they often used arson to gain justice or revenge or to exert social control over those who would violate village norms Frierson shows that the vast majority of arson cases in European Russia were not peasant against gentry acts of protest but peasant against peasant acts of self help law or plain spite Both the state and individual progressives set out to resolve the fire question and to educate cajole or coerce the peasantry into the modern world Fire insurance building codes scientific village layouts and volunteer firefighting brigades reduced the average number of buildings consumed in each blaze but none of these measures succeeded in curbing the number of fires each year More than anything else this history of fire and arson in rural European Russia is a history of their cultural meanings in the late imperial campaign for modernity Frierson shows the special associations of women with fire in rural life and in elite understanding of fire in the Russian countryside Her study of the fire question demonstrates both peasant agency in fighting fire and educated Russians hardening conviction that peasants stood in the way of Russia's advent into the company of prosperous rational civilized nations Nationalism, Liberalism, and Progress: The dismal fate of new nations Ernst B. Haas, 1997 Has global liberalism made the nation state obsolete Or on the contrary are primordial nationalist hatreds overwhelming cosmopolitanism To assert either theme without serious qualification according to Ernst B Haas is historically simplistic and morally misleading Haas describes nationalism as a key component of modernity and a crucial instrument for making sense of impersonal rapidly changing and heterogeneous societies He characterizes nationalism as a feeling of collective identity a mutual understanding experienced among people who may never meet but who are persuaded that they belong to a community of kindred spirits Without nationalism there could be no large integrated state He explores

nationalism in five societies that had achieved the status of nation states by about 1880 the United States Britain France Germany and Japan Dupes Paul Kengor,2023-06-27 In this startling intensively researched book bestselling historian Paul Kengor shines light on a deeply troubling aspect of American history the prominent role of the dupe From the Bolshevik Revolution through the Cold War and right up to the present many progressives have unwittingly aided some of America s most dangerous opponents Based on never before published FBI files Soviet archives and other primary sources Dupes exposes the legions of liberals who have furthered the objectives of America s adversaries Kengor shows not only how such dupes contributed to history s most destructive ideology Communism which claimed at least 100 million lives but also why they are so relevant to today s politics *The Rationalization of Russia. By (George) Bernard Shaw* George Bernard Shaw,1964 *Nationalism, Liberalism, and Progress* Ernst B. Haas,2018-09-05 Far from being an inevitably aggressive and destructive force nationalism is for Ernst B Haas the primary means of bringing coherence to modernizing societies In the second volume of his magisterial exploration of this topic Haas emphasizes the benefits of liberal nationalism which he deems more progressive than other nation building formulas because it relies on reason to improve citizens lives The Dismal Fate of New Nations considers several societies that modernized relatively recently many of them aroused to nationalism by the imperialism of the old nation states The book probes the different patterns of development in emerging countries Iran Egypt India Brazil Mexico China Russia and Ukraine for insights into the possibilities and limitations of all nationalisms especially liberal nationalism Employing a systematic comparative perspective Haas organizes the book around the notion of change and its management by political elites in Asia Eastern Europe Latin America and the Middle East Haas particularly wants to understand how nationalism plays out in the politics of modernization within non Western cultures especially those where religions other than Christianity predominate Where the hold of religion remains formidable he argues the mixture of traditional and secular modernist institutions and beliefs will challenge the victory of liberal nationalism and the very success of nation state formation *The Tsar's Colonels* David Alan Rich,2010-05-01 In this impressive study David Rich demonstrates how the modernization of Russia s general staff during the second half of the nineteenth century reshaped its intellectual and strategic outlook and equipped the staff to play a strong and at times dominant role in shaping Russian foreign policy Rich weaves together several levels of narrative to show how the increasingly sophisticated scientific and positivistic work attitudes and habits of the general staff acculturated younger officers redefining their relationship with and responsibilities to the state In time this new generation of officers projected their characteristic notions onto the state and onto autocracy itself professional concern for the security of the state eclipsed traditional unquestioning loyalty to the regime Rich goes on to show how divergence between diplomatic and military aims among those responsible for making strategy cost the state dearly in terms of economic stability and international standing The author supports his findings with original research in Russian foreign policy and military archives and wide reading in published sources *The Tsar s Colonels*

contributes to a number of debates in Russian military and social history and offers new insights on the structural roots of the Great War and on the theoretical problems of modernization and professionalization

The Top Books of the Year Rationalization Of Russia The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Rationalization Of Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rationalization Of Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rationalization Of Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rationalization Of Russia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rationalization Of Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rationalization Of Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rationalization Of Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rationalization Of Russia is one of the best book in our library for free trial. We provide copy of Rationalization Of Russia in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rationalization Of Russia. Where to download Rationalization Of Russia online for free? Are you looking for Rationalization Of Russia PDF? This is definitely going to save you time and cash in something you should think about.
