Gannon, 2009-11-01 A Native rereading of both British Romanticism and mainstream Euro American ecocriticism this cross cultural transatlantic study of literary imaginings about birds sets the agenda for a more sophisticated and nuanced ecocriticism Lakota critic Thomas C Gannon explores how poets and nature writers in Britain and Native America have incorporated birds into their writings He discerns an evolution in humankind s representations and attitudes toward other species by examining the avian images and tropes in British Romantic and Native American literatures and by considering how such literary treatment succeeds from an ecological or animal rights perspective Such depictions Gannon argues reveal much about underlying cultural and historical relationships with the Other whether other species or other peoples He elucidates the changing interconnections between birds and humans in British Romanticism from Cowper to Clare with particular attention to Wordsworth Coleridge Shelley Byron and Keats Gannon then considers how birds are imagined by Native writers including early Lakota authors and contemporary poets such as Linda Hogan and Joy Harjo

Ultimately he shows how the sensitive and far reaching connections with nature forged by Native American writers encourage a more holistic reimagining of humankind's relationship to other animals **Myth and Mind** Harvey Birenbaum, 1988 Presents a study of mythology based on the analysis of nonlinear form the self's confrontation with its world and the nature of mythic truth Drawing on texts world wide and on many theorists including Cassirer Eliade Jung Levi Strauss and Buber the book develops a complex view of the relation between consciousness and culture *Soul Whisperer* Jenna Kernan, 2011-11-15 Her father's death has long haunted shape shifter Bess Suncatcher leading her deep into the Northern California forests in search of healing and peace But that peace is threatened when she discovers a dead human body and is detained by a dangerously sexy stranger As a Soul Whisperer Cesar Garza is fated to use his gifts to track demonic predators But he can't crack this case alone He needs the talents of the mysterious woman who peaks his suspicion and his desire Cesar is determined to fight his attraction to Bess and focus on the investigation For theirs is a potentially deadly and forbidden alliance *Achieving Ascension* Sonia Diane Bradford, 2017-02-20 Achieving Ascension by Sonia Diane Bradford in conjunction with Veronica J Cate Sonia Diane Bradford has traveled the world She has great insight into the spiritual and religious traditions of the lands she has seen When Bradford began corresponding with Veronica J Cate her consciousness was opened Important revelations have been transcribed for the edification and awareness of the reader These channeled messages from High Cosmic Masters are for the evolution and ascension of humanity Enjoy the journey *From the Heart of the Crow Country* Joseph Medicine Crow, 2000-01-01 The oral historian of the Crow tribe collects stories which introduce the world of the Crow Indians including its legends humorous tales history and everyday life **Undaunted Spirits** Edward J. McCarthy, 2013-07-23 Undaunted Spirits is a delightful series of stories about the Iroquois and other American Indians at the end of the 19th century Especially intriguing is the story of Montoso a teenager who has the ability to join his mind or spirit with the other animals and birds The story is written in a very believable fashion **Nate Grisham : Black Mountain Man** W.R. Benton, Grady Clark, 2013-11-11 From the Author of Red Runs the Plain War Paint After a storm tossed night in the Rockies Nate Grisham encounters a lost Army captain and his family far from any civilized town And something doesn't seem right about his story of having been ambushed by Blackfoot warriors After escorting them to the nearest Army post he discovers the Army is looking for an imposter and murderer W R Benton and newcomer Grady Clark team up to bring another rip roaring mountain man western to life in this new book This story is inspired by real historical examples of blacks both freed men and runaways that moved west before and after the Civil war Keywords Sioux Old west hawken crow trapper outlaw bowie murderer series **Lakota Princess** Karen Kay, 2020-12-20 Lakota Princess A love that defies the ocean A secret deeper than blood Driven from her home in England by hostile political forces Estrela was little more than a girl when she came to be raised by a far western Lakota tribe On the wide sweeping plains she grew tall and strong and won the love of a handsome warrior But on the eve of their marriage she is torn away from her native family torn

from the man she loves and forced to return to a place that feels more like a foreign country than her home There she merely exists haunted by her love s sweet kisses and heated embrace yearning for his unforgettable touch Black Bear has braved the ocean to find the woman whose beauty has captured his soul But no sooner has he arrived in England than he is called upon to save her life Who in their right mind would want to murder such a gentle spirit As Black Bear comes between her and death time after time Estrela wishes they could both just disappear back to the plains and bury the secret she has long hidden even from him A secret from which only their love truer than blood can save them Warning Sensuous romance that contains separated lovers who will let nothing come between them not oceans her mysterious past or a murderer bent on destroying their future
