The Goddesses of Asgard Rod Cooper,2012-10-03 In 2010 there is nothing about four year old Robert James Odom to suggest the accomplishments he will achieve in the future In many regards he is an average young boy from the Midwest growing up on the shores of Lake Erie But as an adult success follows him As a brilliant young entrepreneur he develops a financial source to build his lifelong dream a nightclub named Asgard where supernaturally beautiful and talented hostesses charm the patrons to purchase food drinks and souvenirs Robert J Odom Investments eventually becomes the most financially powerful force in the universe But soon prosperity results in disaster power results in conflict and friendships produce enemies Its a world filled with conquest politics seduction intimidation religion and miscalculation Rioting crime and sex slavery are common occurrences As the year 2142 rolls around and the three remaining races face extinction cousins Robert J Odom V called Bob 5 and Desmond Jericho Rand called DJ believe the answers are in a time travel discovery that would involve travel to the past to influence change The pair knows they cannot directly manipulate history but through telepathic suggestions they can persuade the humans to make different choices But what exactly should they change

The Curse at the Confluence LP Anthony,2016-01-05 It is of small consolation to us that the white man will ultimately be the arbiter of his own eventual ruin But since there is nothing we can do to stop him I have

designed and now propose a curse Like a disease my curse has been engineered to do its damage over time Its purpose is to disrupt and prevent lasting social harmony and prosperity by undermining the stability of their society and the productivity of their industries It will cause great social unrest and upheaval It will affect climate making winters bitter and summers unbearably hot Biting and stinging insects will feast on their flesh and rodents will infest their dwellings spreading disease among them Their children will die in the womb in great numbers and at birth with great frequency Their elderly will experience protracted years of agonizing suffering Foreign species of plants animals and fish will invade choke out and dominate these waters and lands In time they will see their own populations dwindle and will be helpless to stem the tide that will make them the minority This slow poison will permeate every aspect of their existence and just as we are now powerless to stop them they too will be powerless One day they will learn what we have done to avenge ourselves but only after the damage is complete Then my brothers they will have no choice but to acknowledge the injustices they have inflicted upon us

Peter Sursile is stressed By day he finds himself beset by the troublesome behavior of his petulant young fianc e Eliza and by the unrelenting pressure to write his PhD thesis which is all that stands between him and the future he rightly deserves But deciding on just the right topic has proven to be easier said than done By night a vivid recurring nightmare of a horrific train wreck and a mortally injured woman in the wreckage who hauntingly repeats the phrase Peter it s time has plagued his sleep for weeks Yet even after an unnerving encounter with an ancient white maned Shaman he remains stubbornly convinced that these and other strange happenings are merely stress related But something he hears during his run in with the Shaman compels him to research a certain upstate New York town and for his effort is seemingly rewarded with what appears to be the thesis topic he s been looking for However revelations surrounding the inspiration for his research lead him to Binghamton NY where sudden unprecedented violence has brought the city to its knees His journey exposes the true purpose of his nightmare reveals the identity of the woman in the wreckage and explains the nature of events which will likely destroy the city if left unchecked But success is far less certain than the consequences should he fail to reveal a 19th century curse to its 21st century victims

The Curse At the Confluence is proud to be the first novel of its kind to be set primarily in the Binghamton New York area

[The Raven's Table](#) Diana Whitaker,2024-12-05 Beneath the humid Savannah air draped in jasmine and unspoken truths an exclusive dinner party is set Six months after the vanishing of eccentric artist Emily Rivera her acquaintances receive invitations edged in elegant script and adorned with a single ominous raven s feather Orchestrated by former investigative journalist Sarah Richards this gathering promises far more than polite conversation It s a hunt for the truth Sarah haunted by her own shadowed past has chosen her guests with surgical precision Dr Thomas Meyer a psychiatrist whose composure masks a fracturing mind his wife Monica a lawyer as sharp as her intellect Yvonne Patterson clinging to Southern charm amidst whispers of a scandalous history Bryan Russell a grieving widower searching for solace and the unnervingly detached writer Daniel House As the first course is served Sarah lays bare the evening s true purpose to unravel the mystery of Emily s disappearance Whispers of a hidden inheritance and a clandestine affair weave through the room like venomous tendrils Emily s unsettling premonitions of her own demise captured in cryptic sketches add a chilling layer to the growing unease But the closer Sarah gets to the truth the more dangerous her quest becomes Menacing warnings escalate from cryptic phone calls to ominous raven imagery appearing in her home Someone wants her to stop digging And when Yvonne vanishes mirroring Emily s disappearance the dinner party transforms into a claustrophobic battleground of suspicion Sarah uncovers

a shocking link between Emily's vanishing and a decades old scandal that rocked Savannah's foundations a scandal some at the table would kill to keep buried The prominent Ashworth family their wealth built on secrets and lies becomes the focal point of her investigation As a hurricane gathers force outside mirroring the storm brewing within the house Sarah realizes the hidden inheritance isn't money but a collection of documents that could bring down an empire In Emily's abandoned studio surrounded by her macabre artwork the truth emerges as twisted and unsettling as the paintings themselves The raven a symbol of both death and revelation has finally descended leaving a trail of devastation and a chilling reminder of the darkness that festers beneath the surface of even the most idyllic communities In Savannah some truths are best left
