Library of Congress

Ravinia The Festival At Its Half Century:

Ravinia ,1985-01-01 Highland Park Julia Johnas,2007-08-15 See Highland Park s transformation from forest and farmland to a fashionable and residential Chicago community Highland Park represents one of the finest examples of late 19th century suburban development Its abundant natural beauty was quickly recognized and preserved by the visionary design of two well known landscape architects Horace W S Cleveland and William M R French Capitalizing on the setting and boasting good schools good churches and good society the Highland Park Building Company transformed the scenic village into one of the most desirable communities on Chicago s North Shore attracting socially prominent residents who built gracious lakefront estates and quiet country homes along its bluffs and shady lanes Historic photographs illustrate this change and capture the social civic and business accomplishments of Highland Park s early citizens The city s early progress and prosperity are celebrated in this book *Con Brio* Nat Brandt,2000-07-26 none given by author *Creating Chicago's North Shore* Michael H. Ebner,1988 They are the suburban jewels that crown one of the world s premier cities Evanston Wilmette Kenilworth Winnetka Glencoe Highland Park Lake Forest Lake Bluff together they comprise the North Shore of Chicago a social registry of eight communities that serve as a genteel enclave of affluence culture and high society Historian Michael H Ebner explains the origins and evolution of the North Shore as a distinctive region At the same time he tells the paradoxical story of how these suburbs with their common heritage mutual values and shared aspirations still preserve their distinctly separate identities Embedded in this history are important lessons about the uneasy development of the American metropolis **Houses with Names** Adria Bernardi,1990 Combining her other research with interviews of nearly fifty Italian immigrants of her grandparents generation Adria Bernardi has crafted a memorable oral history of a community of working class immigrants Bernardi tells their story clearly and with care interspersing transcriptions and translations with her own recollections and interpretations of life among the Italian immigrants of Highwood **Checklist of Writings on American Music, 1640-1992** Guy A. Marco,1996 Cumulative index to all three volumes of Literature of American Music in Books and Folk Music Collections **Journal of Illinois History** ,2001 Opera George Henry Hubert Lascelles Earl of Harewood,2004 *Opera* ,2004 **150 Years of Opera in Chicago** Robert Charles Marsh,2006 Chicago s love affair with opera began early in 1850 when the frontier town welcomed its first traveling opera singers A full house applauded the opening performance but during a repeat performance the next day the theater burned to the ground Nonetheless Chicago had been bitten by the opera bug and it has never lost its enthusiasm for the art More than sixty years and many visiting opera companies would pass before the city established an opera company of its own Robert Marsh recounts the trials and triumphs of the entrepreneurs and the colorful international artists who brought opera to Chicago and staged it in a number of different theaters In the first half of the twentieth century seven opera companies were started in Chicago and failed Finally in 1954 three friends launched the company that became Lyric Opera of Chicago and the city gained a company that

not only thrived but earned recognition as one of the nation's great cultural institutions. This book also details the history and fortunes of the Chicago Opera Theater from its inception in 1974 to the present. Singers, musicians, enterprising impresarios, richly decorated opera houses and performances that held audiences spellbound all figure into Marsh's lively account of opera in Chicago. The story also provides an overview of changes in the operatic repertoire, audience development and approaches to production as opera grew from a stand and sing event to its full flowering as enriching musical drama. Enlivened with nearly a hundred illustrations, *150 Years of Opera in Chicago* embraces its subject enthusiastically. This broad and engaging overview is supplemented with a list of professional opera performances in Chicago from 1850 to 2005.

Literature of American Music III, 1983-1992 Guy A. Marco, 1996. *Literature of American Music III 1983-1992* is the second supplement to the original *Literature of American Music in Books and Folk Music Collections*. Taken together, the three volumes provide a comprehensive inventory of the 5,100 books representing the core literature on American music. This volume cites and critically annotates monographs on American music published from 1983 to 1992 but does not include literature in folk music collections. More than 1,300 entries cover all aspects of American music, including folk, blues, jazz, rock, music of major cities, festivals, the music industry, instruments, music education, and music for TV and film. Entries are arranged according to Library of Congress classification numbers, which allows librarians to check their own holdings. Each citation provides full imprint data, ISBN, facts about earlier editions, series notes, references to reviews in standard media, descriptions of favorable and unfavorable features, and special notes of reference elements such as indexes and bibliographies. Includes title and subject indexes. Author indexing is included in the *Checklist of Writings on American Music 1640-1992*. Music, Books on Music, and Sound Recordings Library of Congress, 1987. *American Pageantry* Naima Prevots, 1990. *The New Grove Dictionary of Music and Musicians: Liturgy to Martinu'* Stanley Sadie, 2001. *Annotations* Indiana University, Bloomington. Music Library, 1985. **The Instrumentalist**, 1996. *Symphony Magazine*, 1985. Encore, 1986. **The Cumulative Book Index**, 1988. A world list of books in the English language. *Horizon*, 1986.
