Labour,1912 *National Republic* ,1929 **Pakistan's Inter-Services Intelligence Directorate** Owen L.
Sirrs,2016-07-01 This book is the first comprehensive study of Pakistan s Inter Services Intelligence Directorate ISI The rise
of Pakistan backed religious extremist groups in Afghanistan India and Central Asia has focused international attention on
Pakistan s premier intelligence organization and covert action advocate the Inter Services Intelligence Directorate or ISI
While ISI is regarded as one of the most powerful government agencies in Pakistan today surprisingly little has been written
about it from an academic perspective This book addresses critical gaps in our understanding of this agency including its
domestic security mission covert backing of the Afghan Taliban and its links to al Qa ida Using primary source materials
including declassified intelligence and diplomatic reporting press reports and memoirs this book explores how ISI was
transformed from a small negligible counter intelligence outfit of the late 1940s into the national security behemoth of today
with extensive responsibilities in domestic security political interference and covert action This study concludes that
reforming or even eliminating ISI will be fundamental if Pakistan is to successfully transition from an army run national
security state to a stable democratic society that enjoys peaceful relations with its neighbours This book will be of interest to
students of intelligence studies South Asian politics foreign policy and international security in general *Catalog of*
