Rawhide Legacy:

A Western Legacy National Cowboy and Western Heritage Museum, 2005 Celebrates the fiftieth anniversary of this premier museum in Oklahoma City offering both an institutional history and a captivating collection of photographs representing its extensive holdings Simultaneous A Legacy in Arms Richard C. Rattenbury, 2014-10-22 The history of American firearms is inseparable from the history of the United States for firearms have played crucial roles in the nation's founding westward expansion and industrial economic and cultural development This history unfolds in compelling words and images in *A Legacy in Arms* a volume that draws upon the collections of the National Cowboy Western Heritage Museum in Oklahoma City to trace the business and art of gun making from the early national period to the turn of the twentieth century With more than 200 images almost all in full color *A Legacy in Arms* not only documents the inspiration and innovation of arms makers from individual artisans to mass producers but also describes the development of decorative expression in the gun maker's art In an account both entertaining and enlightening Richard C Rattenbury details the development of commercial arms making from the genesis of the Kentucky rifle to the arms of such iconic manufacturers as Colt Remington Smith Wesson Sharps Marlin and Winchester Into this narrative he weaves the particulars of design evolution and the impact of mass production via the American System The accompanying photographs and illustrations stand as eloquent testimony to the range and richness of the gun maker's craft and its rightful place in the story of American industry and culture *Legacy's Song* Robert D. Adams, 2025-01-30 Jesse and Leon Thatcher grew up in a tiny shack on a small farm in the backwoods of Southern Indiana Their Ma and Pa Gordon and Martha Thatcher worked hard on their small farm to make ends meet They had very little to give to their boys but they had a good life filled with love for family a lot of music and a little bit of faith From the front porch of that tiny shack Gordon would play his fiddle and the family legacy would be planted At age eighteen Jesse set off for Colorado to chase after his dream of being a cowboy of singing to the cattle and the stars and to find his Indiana sweetheart He became known as the cowboy with the golden voice After the death of Gordon and later Martha Leon decided to go to Colorado to be with his brother So with his Pa's fiddle in hand he began a journey west to become a cowboy at the Ogilvy Ranch like Jesse However life as it often does took some unexpected detours for Jesse and Leon The untamed nature of the West tended to do that The year was 1875 a significant time in the history of the West a history that is well documented On their path both boys took the music their parents gave them and grew in skill reputation and character Along their trail Jesse and Leon found good people in this feral world that helped to guide them despite the obstacles they faced This story is about the journey of two brothers and how they grew into the legacy of music and faith given to them by their parents It is *Legacy's Song* Montana, 1961 Gurudev's Drumming Legacy James Kippen, 2022-03-30 The 1903 *Mrdang aur Tabla Vadanpaddhati* is a revelatory text that has never been translated or analysed It is a manual for playing the two most important drums of North Indian Hindustani music the pakhavaj mrdang and

the tabla Owing to its relative obscurity it is a source that has never been discussed in the literature on Hindustani music Its author Gurudev Patwardhan was Vice Principal of V D Paluskar s first music school in Lahore from its inception in 1901 to 1908 Professor James Kippen provides the first translation of this immensely important text and examines its startling implications for rhythmic and metric theory It is the earliest work on Indian drumming to contain a notation sufficiently precise to allow definitive reconstruction The compositions are of considerable musical interest for they can be readily realized on the tabla or pakhavaj Kippen sets the work and objectives of the original author in the context of a rich historical social and political background By also discussing radical differences in the second edition of 1938 published by Gurudev s nephew the vocalist Vinayakrao Patwardhan Kippen illuminates the process by which tabla theory was being created in the early 20th century Both Patwardhans were enthusiastic supporters of Paluskar s nationalist imperatives and active participants in his drive to institutionalize music codify and publish notations of it and promote a modern Hindu vision of India wherein its identity could once again be linked to a glorious golden age in distant antiquity
