Rays of Messiah's Glory David Baron,2001-05-23 *Rays of Messiah's Glory* David Baron,1888 **The Messiah in the Old Testament** Walter C. Kaiser,1995 The Old Testament both tells the story of Israel and points to the coming Messiah Kaiser distinguishes between Old Testament passages that describe national Israel s glorious future and those that point to Christ and his kingdom Kaiser s chronological approach traces Israel s developing concept of Messiah through different time periods *Knowing the Truth About Jesus the Messiah* John Ankerberg,John Weldon,2011-04-06 Is Jesus the True Messiah Jesus of Nazareth changed the world He is the subject of more books plays poetry films and worship than any man in history But is He more than just a man Citing specific facts and probability statistics the authors conclusively show Unassailable prophetic proof that Jesus is the Messiah Biblical evidence confirming Jesus supreme authority Specific confirmation of the Bible s accuracy in prophecy *Knowing the Truth About Jesus the Messiah* offers you ready access to proof that Jesus Christ is the Messiah **Jensen's Survey of the Old Testament** Irving Jensen,1978-06-01 A useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament Jensen Survey-2 Volume Set -Old and New Testaments Irving Jensen,1982-06-01 This package includes the complete two volume set of Jensen s Survey of the Testaments Jensen s Survey of the Old Testament and Jensen s Survey of the New Testament In Jensen s Survey of the Old Testament the author provides a useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament In Jensen s Survey of the New Testament Jensen leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen s Bible self study guides to the New Testament *Toward Rediscovering the Old Testament* Walter C. Kaiser, Jr.,1991 Understanding the Old Testament is the crucial problem for the Christian The three parts of this book the Old Testament and scholarship the Old Testament and theology and The Old Testament and life present issues rarely discussed by Christians as well as models and solutions for age old dilemmas The Case for Jesus the Messiah John Ankerberg,2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah Are these prophecies so exact that they predict specific future events such as the exact time place of birth Have these prophecies been miraculously fulfilled If so what does this signify Could these prophecies indicate the Judeo Christian Scriptures are a divine revelation could they constitute evidence that even skeptics would have to consider In this book 3 scholars trained in apologetics comparative religion the Semitic languages the Old Testament examine the evidence for fulfilled prophecy Do you like mysteries Can you unravel from the Scriptural evidence the identity of the one predicted The authors approach to the topic is like searching for clues in a mystery novel If you have ever asked if there is evidence that reveals the reality nature of God the answers the authors have uncovered may cause you to reexamine your view of reality *The Christian and the Old Testament* Walter C. Kaiser,2019-04-24 Is the Old

Testament relevant for today Yes Discover the unifying theme of the Old and New Testaments and of history in God s promise plan first given to Abraham in Genesis 12 Cross cultural workers and students of the Bible will discover valuable insights and new zeal for searching and communicating the Scriptures in this very readable book based on years of massive scholarship

A Christian View of the Old Testament James E. Smith, Ph.D.,2017-02-19 A collection of essays lectures and printed materials that address the issue of the proper use of the Old Testament in the church *Revelation and Concealment of Christ* Saeed Hamid-Khani,2021-03-16 The elusive disposition of John s language has been noted by biblical scholars throughout the history of New Testament studies The Fourth Gospel is seen as so simple to grasp and yet often pointing beyond itself and beckoning the reader to read deeper Various socio linguistic studies have explained this feature as the reflection of the sectarian tendencies in the Johannine Christianity In his study Saeed Hamid Khani questions these approaches as inadequate In turn he examines John s language within an exegetical and theological framework He argues that the Sitz im Leben of Johannine language was an environment in which the Hebrew Scriptures were the dominant conceptual force for both the Jews and the Christians In this context he argues that the essential function of John s enigmatic language is wedded to the Evangelist s purpose in writing the Gospel namely a steadfast focus upon setting forth that Jesus is the Christ according to the witness of Israel s Scriptures It is here in these echoes and thematic allusions to the Scriptures that we find the answer to the function and significance of John s unique language i e Jesus is the Messiah the Saviour of the world and he is the visible image of the invisible God the embodiment of the self revelation of God according to the Scriptures However these truths are concealed from the undiscerning and are only revealed by the spirit of God to those who are born of God **Literature of Theology** John Fletcher Hurst,1896 [The Moody Handbook of Theology](#) Paul Enns,2014-03-27 The study of God His nature and His Word are all essential to the Christian faith Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology In this classic and timeless one volume resource Paul Enns offers a comprehensive overview of the five dimensions of theology biblical systematic historical dogmatic and contemporary Each section includes an introduction chapters on key points specific studies pertinent to that theology books for further study and summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike **The American Bookseller** ,1891 **The Promise-Plan of God** Walter C. Kaiser, Jr.,2009-10-06 What is the central theme of the Bible Given the diversity of authorship genre and context of the Bible s various books is it evenpossible to answer such a question Or in trying to do so is an external grid being unnaturallysuperimposed on the biblical text These are difficult questions that the discipline of biblical theology has struggled to answer In this thoroughly revised and expanded edition of his classic

Toward an Old Testament Theology Walter Kaiser offers a solution to these unresolved issues He proposes that there is indeed a unifying center to the theology and message of the Bible that is indicated and affirmed by Scripture itself That center is the promise of God It is one all encompassing promise of life through the Messiah that winds itself throughout salvation history in both the Old and New Testaments giving cohesiveness and unity to the various parts of Scripture After laying out his proposal Kaiser works chronologically through the books of both testaments demonstrating how the promise is seen throughout how the various sub themes of each book relate to the promise and how God's plan to fulfill the promise progressively unfolds Here is a rich and illuminating biblical theology that will stir the emotion and the intellect **The End**
