Bowker's Complete Video Directory, 1999 ,1999 Globalizing Somalia Emma Leonard,Gilbert Ramsay,2013-11-07 This collection of essays demonstrates how chronic state failure and the inability of the international community to provide a solution to the conflict in Somalia has had transnational repercussions Following the failed humanitarian mission in 1992 93 most countries refrained from any direct involvement in Somalia but this changed in the 2000s with the growth of piracy and links to international terrorist organizations The deterritorialization of the conflict quickly became apparent as it became transnational in nature In part because of it lacked a government and was unable to work with the international community Somalia came to be seen as a testing ground by many international actors Globalizing Somalia demonstrates how China Japan and the EU among others have all used the conflict in Somalia to project power test the bounds of the national constitution and test their own military capabilities Contributed by international scholars and experts the work examines the impact of globalization on the internal and external dynamics of the conflict arguing that it is no longer geographically contained By bringing together the many actors and issues involved the book fills a gap in the literature as one of the most complete works on the conflict in Somalia to date It will be an essential text to any student interested in Somalia and the horn of Africa as well as in terrorism and conflict processes **Theoderic the Great** Hans-Ulrich Wiemer,2023-07-25 The

first full scale history of Theoderic and the Goths in more than seventy five years tracing the transformation of a divided kingdom into a great power In the year 493 the leader of a vast confederation of Gothic warriors their wives and children personally cut down Odoacer the man famous for deposing the last Roman emperor in 476 That leader became Theoderic the

Great 454 526 This engaging history of his life and reign immerses readers in the world of the warrior king who ushered in decades of peace and stability in Italy as king of Goths and Romans Theoderic transformed his roving warrior nation from the periphery of the Roman world into a standing army that protected his taxpaying Roman subjects with the support of the Roman elite With a ruling strategy of integration through separation Theoderic not only stabilized Italy but also extended his kingdom to the western Balkans southern France and the Iberian Peninsula Using sources as diverse as letters poetry coins and mosaics Hans Ulrich Wiemer brings readers into the world of Theoderic s court from Gothic warriors and their families to the notables artisans and shopkeepers of Rome and Ravenna to the peasants and enslaved people who tilled the soil on grand rural estates This book offers a fascinating history of the leader who brought peace to Italy after the disintegration of the Roman Empire **Digital Democracy in a Globalized World** Corien Prins,Colette Cuijpers,Peter L. Lindseth,Mônica Rosina,2017-09-29 Whether within or beyond the confines of the state digitalization continues to transform politics society and democracy Information and Communication Technologies ICTs have already considerably affected political systems and structures and no doubt they will continue to do so in the future Adopting an international and comparative perspective Digital Democracy in a Globalized World examines the impact of digitalization on democratic political life It offers theoretical analyses as well as case studies to help readers appreciate the changing nature of democracy in the digital age Europe Undivided Milada Anna Vachudova,2005-02-17 Europe Undivided analyzes how an enlarging EU has facilitated a convergence toward liberal democracy among credible future members of the EU in Central and Eastern Europe It reveals how variations in domestic competition put democratizing states on different political trajectories after1989 and how the EU s leverage eventually influenced domestic politics in liberal and particularly illiberal democracies In doing so Europe Undivided illuminates the changing dynamics of the relationship between the EU and candidate states from 1989 to 2004 and challenges policymakers to manageand improve EU leverage to support democracy ethnic tolerance and economic reform in other candidates and proto candidates such as the Western Balkan states Turkey and Ukraine Albeit not by design the most powerful and successful tool of EU foreign policy has turned out to be EU enlargement and this book helps us understand why and how it works **Global Terrorism** James M. Lutz,Brenda J. Lutz,2004 This textbook is a comprehensive introduction to global terrorism intended to help students understand the history politics ideologies strategies of both contemporary older terrorist groups Environmental Governance Reconsidered, second edition Robert F. environmental economics risk analysis and democratic theory The second edition of this popular reader has been thoroughly revised with updated coverage and new topics The emphasis has shifted from sustainability to include sustainable cities from domestic civic environmentalism to global civil society and from global interdependence to the evolution of institutions of global environmental governance A general focus on devolution of authority in the United States has been sharpened to address the specifics of contested federalism and fracking and the treatment of flexibility now explores the specifics of regulatory innovation and change New chapters join original topics such as environmental justice and collaboration and conflict resolution to address highly salient and timely topics energy security risk assessment communication and technology innovation regulation by revelation and retrospective regulatory analysis The topics are organized and integrated by the book's 3R framework reconceptualizing governance to reflect ecological risks and interdependencies better reconnecting with stakeholders and reframing administrative rationality Extensive cross references pull the chapters together A broad reference list enables readers to pursue topics further Contributors Regina S Axelrod Robert F Durant Kirk Emerson Daniel J Fiorino Anne J Kantel David M Konisky Michael E Kraft Jennifer Kuzma Richard Morgenstern Tina Nabatchi Rosemary O Leary Barry Rabe Walter A Rosenbaum Stacy D VanDeveer Paul Wapner Books Out Loud, 2007 **Boardman River Crossing Mobility Study, Grand Traverse County**, 2001 **El-Hi Textbooks & Serials in Print**, 2000, 2000

Faculty Mobility Jin Liu, Alan C.K. Cheung, Fan-sing Hung, 2022-09-30 Adopting curriculum vitae CV analysis method this book collects CVs of university faculty from 109 universities of The Double First Class University Plan in China and systematically analyses the mobility pattern of faculty in China for the first time Examining the overall mobility frequency of Chinese faculty and its growing rate the authors predict that after the epidemic with the growing number of returned overseas talents there may be a third wave of faculty mobility They demonstrate that East Asia the United States and Europe are the main channels for the inward talent mobility to China and there are significant differences in China's faculty mobility among different regions disciplines and genders which deserves further investigation Furthermore they argue the influencing factors of faculty mobility between China and foreign countries are highly different too Scholars and students of Chinese higher education international and comparative education may find this book helpful and benefit from the analysis framework of Push and Pull Theory as long as CV analysis method The Transformation of Islamic Law in Global Financial Markets Jonathan Ercanbrack, 2015 This contextual analysis of Islamic financial law challenges our understanding of both Islamic law and global financial markets The Arab Lobby and US Foreign Policy Khalil Marrar, 2008-10-27 The US foreign policy stance on Israel Palestine has shifted considerably in recent years from a position of Israel only to one which embraces both Israel and Palestine in a call for peace This volume assesses why the US stance has evolved in the way that it has concluding that while international factors cannot be overlooked developments within the United States itself are also crucial After years of vacillating on Palestinian national aspirations the majority of Americans the author notes have come to favor the

establishment of an independent Palestinian state on the West Bank and the Gaza strip Considering what accounts for changes in US policy on Israel Palestine this volume delivers a thorough assessment of the role of international and domestic factors in shaping US policy in this area considers how US policy has evolved from the Camp David negotiations of the 1970s up to the occupation of Iraq in the mid 2000s explores the significance of American public opinion and the pro Israel and Arab lobbies in the evolution of US policy The Arab Lobby and US Foreign Policy will be of interest to students and scholars of Foreign Policy and Political Science Current Affairs and American Studies Khalil M Marrar is Professor at DePaul University USA He has served in editorial positions at the Arab Studies Quarterly and the Association of Arab American University Graduates

Law and Bioethics George Patrick Smith (II), 2012 George P Smith II is a leading figure in the world of medical law and ethics During his long career he has addressed some of the most important issues in bioethics and has contributed much original thought to the debates in this field This book celebrates his contribution bringing together his key writings in bioethics The chapters include previously published material however the pieces have been substantially updated to include more recent developments and rewritten drawing out the themes and strands which have run through Professor Smith's thinking over the past fifty years The book covers topics including human rights and medical law the allocation of resources and distributive justice ethical relativism science and religion and public health emergencies In doing so it offers an excellent overview of the current bioethical issues in medical law in light of recent and ongoing technological developments in medicine This collection of essays by one of the world's leading medical lawyers is academic research of the highest quality With an enviable clarity of thought and force of argument Professor Smith tackles some of the major issues facing medicine and law today It is a tour de force by an academic at the height of his powers Professor Jonathan Herring University of Oxford
