Praise for the series

You will be drawn into a world so different so compelling. You won't want to put it down. Love the descriptions and settings that transport me to that world. Well told and well written. This book really kept me on my toes. I cried so much not knowing what would happen. I'm so in love with this series. This series is in the right century, told in the right way, and based on sound research, plus it's just plain old great storytelling. Tracy Cooper Posey has brought the Arthurian Legend alive. I am so enjoying this series; it seems each book gets better and draws me in deeper. A simply fantastic series that is getting better and better with each new book. The more I read of this series, the more I want. I can't say enough good things about the series. I love the way the tapestry of the historical setting is pieced together, bringing the sights and sounds of the dark ages alive. So good I binged on these the first time, as each individual book, and now in this box set I binged on them again. The spellbinding storytelling provided tales so complex and yet so enthralling that I was completely addicted and transported. There was often a delightful theme of strong women learning about and achieving their best selves. And the sword. I love Tracy's explanation for how the sword ends up in the stone. Such a great idea. It is so much more than the book blurb promises. These fast-paced plots with the action, intrigue, and romance thicken with each book and will keep you fully engaged and up all night. Tracy has an amazing ability to make you feel anxious, thrilled, hurt, relieved. You become so involved with the characters that you feel their apprehension, strength, relief, joy, fighting for what they believe in.

Readers have described Tracy Cooper Posey as a superb story teller and her historical fantasy romances as written art. Get your copy of *Abduction of Guenivere* today __ Praise for *Abduction of Guenivere* Another magnificent story. Somehow Tracy Cooper Posey takes this very well known tale and makes it new and fascinating for us. Having always been interested in myths and legends I have found Tracy to be meticulous in weaving known legends and historical detail into original stories that fascinate. Her characters are real with real problems in real situations. The scenes are so realistic that I can picture myself being part of the story. I really appreciate the list included at the beginning of the book in *Who's Who and What's What* which includes Houses, Clans and Tribes. The Maps section is also a great help and fun. If you enjoy history and romance this book is for you. Once again a strong tale of incredible women and their adjustments to life at Camelot. You feel the sorrow and the longing the characters have. You understand their needs and wants, disappointments, misunderstandings and desires. Tracy is quite frankly brilliant. Tracey has an amazing ability to make you feel anxious, thrilled, hurt, relieved. You become so involved with the characters that you feel their apprehension, the what's going to happen next. Always intriguing, this series is fascinating. So magnificently written that it makes you question the reality of Camelot. The small slice of life details of the everyday citizens of Camelot are what bring the tale to life and gives me the sense that I KNOW these characters. Full immersion into the life and times is such an interesting backdrop to the action and interactions of the storyline. I highly recommend this series to anyone who enjoys a well written and immersive experience in historical times. You don't need to know the legends of Arthur to enjoy any of these books as I started this series with only a familiarity of the main characters' names and I was completely hooked from the first book. I cannot get enough of this series. This is the legend of King Arthur like you've never read before. As with all of Tracy Cooper Posey's amazingly detailed and unique characters, Tegan is a strong willed and independent woman with secret vulnerabilities. You can't help but fall in love with and feel compassion for these characters. Flawless world building, witty dialogue and plotting that would make Machiavelli proud.
