The guard at the city gates does not attempt to stop the stranger entering Nuthollia for his job is to keep people inside the city and no person would enter the city voluntarily unless he were an agent of Grimlindus Nuthollia the capital of Neuthonia is no longer a trading metropolis Its remaining inhabitants are usually hiding indoors trying to escape Grimlindus s violent soldiers the tall blond northerners bandit warriors and Knights of Destruction as well as goblins hobgoblins kobolds and ogres from further east on the steppes While contact with these soldiers is dangerous and unpredictable the soldiers do keep the city s economy moving the trade continuing So Nuthollia s inhabitants the original Neuthonics as well as countless released prisoners of war attempt to earn a meagre living in fear and dread The stranger is rnwulf the tall barbarian who had been learning sword skills in the cold hills of the Borderlands He is dressed in heavy furs His long straight black hair is tied back by a broad cloth that completely conceals his forehead and from which hangs three beaded feathers His heavy broadsword is strapped to his back partially buried within his fur coat while a number of knives are strapped to his chest and belt A two headed tomahawk hangs from his belt He is accompanied by Caleb the huge wolf that is as large as a small pony and which has a thick mane of grey fur Man and wolf survey the cold snow covered streets looking beyond the unhappy houses to the dark palace standing on a hill near the centre of the city They turn away from it and head into one of the darker and less inviting neighbourhoods where even Grimlindus s soldiers would think twice before entering The houses are closer together than elsewhere the streets disappear into narrow alleyways and blind corners Open doorways and boarded windows show that many of the residences are empty of normal occupation However a quick survey inside would reveal hiding squatters ruffians thieves and muggers The man and wolf stop in front of a building that is deep within this neighbourhood This building is similar to all the others dismal and grey It has a heavy steel door with a small window at face height covered by a shutter The man thumps on the door and the shutter is pulled back revealing two dark slanted eyes What do you want says the bouncer Where are your mistresses asks rnwulf with a heavy northern accent They are busy Who wants to know I was sent by Cleosius the warlord to

purchase something which was stolen from him They are expecting me The shutter is slid shut and rnwulf hears muted discussions behind it The shutter slides open again You are early snaps the voice and the shutter slams closed rnwulf thumps on the door again his blows echoing inside The shutter is pulled back again Can I wait inside he asks The door opens revealing a seven and a half foot monstrosity which bends over inside the small front room its hairy frame fills up the doorway Bugbear thinks rnwulf staring at the hairy giant goblin which would tower over one of its smaller goblin or hobgoblin cousins Come inside it snarls but the wolf stays out there After re locking the door the bugbear leads rnwulf along a dimly lit corridor before arriving at a small room furnished only with a hard backed chair The mistresses are busy the bugbear growls but I will send someone to fetch them when they are um finished Would you like a drink while you are waiting rnwulf waves the bugbear away and sits on the chair In a moment he becomes completely motionless his keen eyes surveying every inch of the room He waits becoming tenser as he looks at the low ceiling and the walls After a short time he stands up goes to the door and tries the handle finding it locked H

*I Hear a Symphony* Andrew Flory, 2017-05-30 *I Hear a Symphony* opens new territory in the study of Motown's legacy arguing that the music of Motown was indelibly shaped by the ideals of Detroit's postwar black middle class that Motown's creative personnel participated in an African American tradition of dialogism in rhythm and blues while developing the famous Motown Sound Throughout the book Flory focuses on the central importance of crossover to the Motown story first as a key concept in the company's efforts to reach across American commercial markets then as a means to extend influence internationally and finally as a way to expand the brand beyond strictly musical products Flory's work reveals the richness of the Motown sound and equally rich and complex cultural influence Motown still exerts
