seeking community renewal These individuals are involved in creative church planting initiatives and they are serving the growing Hispanic and Muslim populations Additional endeavors include serving racially changing communities economic development strategies and more As anyone who has been in ministry for any length of time can attest tackling some of the most challenging issues of our times is no mere academic exercise The voices within these pages write from experience and offer workable vibrant models of ministry that make a difference

Planting Churches in Muslim Cities Greg

Livingstone, Gregory Livingstone, 1993-02 A blueprint for church planting in Muslim cities anywhere in the world that is biblical and culturally appropriate The experiences of 100 missionaries provide a guide to evangelizing and discipling *The Muslim Majority* Robin Hadaway, 2021-09-15 More than 70 percent of Muslims worldwide practice folk Islam a syncretistic mix of theologically orthodox Islam and traditional religious beliefs and practices The Muslim Majority is unlike many published works on evangelism to Muslims which argue for either apologetic or contextualized bridge approaches These approaches are often ineffective in reaching adherents of popular Islam Instead author and missiologist Robin Hadaway outlines a contextual approach that addresses the unique perspective of popular Islam Hadaway explains the differences between folk Islam and orthodox Islam and explores best practices for reaching the vast majority of Muslims with the gospel of Jesus Christ

What in the World is God Doing? C. Gordon Olson, 2003 Veteran missionary and missiologist C Gordon

Olson has distilled his knowledge and experience to produce an introductory text to missions that is marked by its balance between theory and practice The Truth About Islam Steve Urick, 2014-07-25 Islam which began fourteen hundred years ago in Arabia claims to be the one true religion given to mankind by the one true God Allah and his lone messenger Muhammad It has since grown to almost 1.5 billion followers today and is quickly growing Islam claims to be a peaceful religion but is often known to be violent and threatens the freedom of the entire world What are the teachings of Islam and how does it compare to the Bible The Truth About Islam examines the Quran Koran the God of Islam its pagan origin the Jesus of Islam its salvation plan Sharia law and slavery and its violent ideology of Jihad against all infidels non Muslims in light of the Bible and world history This concise and easy to read book will not only teach you what Islam basically believes but also equip you to confidently reach out to Muslims with the gospel of Christ and refute many of Islam's errors It also clearly presents the gospel of grace to any Muslim who is searching for the truth and desires to know how to have assurance of eternal life

Effective Discipling in Muslim Communities Don Little, 2015-07-10 Muslims who come to Christ face

momentous spiritual psychological and social obstacles that drive many to abandon their faith Missiologist Don Little draws on New Testament principles historical practices and interviews with seasoned disciplers ministering in Muslim countries to effectively disciple believers from Muslim backgrounds

Dilemmas of Weak States Tatah Mentan, 2017-11-30 Given the

dramatic changes that have taken place in global politics in recent years especially following September 11 2001 it is time to examine a series of critical issues confronting the global political economy One of the most important of these issues is

terrorism and its relationship with weak states This book examines the weak state terrorism nexus with particular emphasis on Africa Specifically it provides an in depth analysis of state weakness poverty and the opportunities offered by the latter for the breeding of terrorism and terrorists It also looks at the part played by radical Islam in transnational terrorism in Africa Emerging from this study is recognition of a need for the international system to analyze a wide range of issues that contribute to the weakening of African states
