Shank,2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure

you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent I hope you will enjoy these short stories even more that I did writing them *Monstress #3* Marjorie Liu,2016-01-27 Maika must confront the deadly secrets that live inside her The New Metropolitan ,1916 *Ohio Practical Farmer* ,1893 *Billboard* ,1996-02-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Life and Letters of Austin Craig** William Sumner Harwood,1908 Tharp collection **It's Fun to Be a Grandma** Becky Freeman Johnson,2007 You remarkable Grandma are a source of joy inspiration and love Discover through these humorous and warm hearted true stories how a grandma gives her daughter strength during labor reaches out to teens all over the world provides comfort when life seems too hard demonstrates how to thrive during lean times drives for the elderly when she s in her 80s Grandmothers like you are special story keepers remembering and sharing your family s legacy of love laughter and courage It s Fun to Be a Grandma is a unique thank you for all you ve done and all that s ahead of you Book jacket Religious Remembrancer ,1918 *Forum* ,1982 *Farm Journal and Country Gentleman* ,1904 **Farmers' Guide** ,1897 Outlook Alfred Emanuel Smith,Francis Walton,1871
