Ethnicity And Crime: A Reader Spalek, Basia, 2008-07-01 Basia Spalek has compiled an excellent reader about a much researched and highly sensitive subject Crucially she contextualises ethnicity and crime within broadly defined social and intellectual contexts avoiding the limitation of all too frequently repeated research based solely on statistical measures and policy evaluations Simon Holdaway Professor of Criminology and Sociology Sheffield University Issues in relation to race and ethnicity have generated substantial and ever growing interest from and within a multitude of academic research and policy contexts This book brings together important material in race and ethnic studies and provides different ways of thinking about race and ethnicity in relation to crime and the criminal justice system Ethnicity and Crime A Reader consists of a collection of works that capture the main themes that arise from within this vast area of work It is divided into five sections Race and crime racial discrimination and criminal justice The racialisation of crime Social political and cultural contexts Race ethnicity and victimisation Self and discipline reflexivity Ethnic identities and crime Ethnic identities institutional reflexivity and crime Each section contains recurring and

overlapping themes and includes many different ways of thinking about race and ethnicity in relation to crime It spans theoretical approaches that might be labelled as positivist critical race analyses left realist approaches feminist as well as post modern perspectives This is the first title in the new series Readings in Criminology and Criminal Justice and follows the series format of thematic sections together with an editor s introduction to the complete volume and an introduction to each section Race and Ethnicity Reader (Preliminary Edition) Clifford Broman,2012-11-07 **Corrections: A Text/Reader**

Mary K. Stohr,Anthony Walsh,Craig Hemmens,2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research Reader for Race and Ethnicity ,2003

Language, Race and Ethnicity Roxy Harris,Ben Rampton,2003 '*Mixed Race*' *Studies* Jayne O. Ifekwunigwe,2015-03-24 Mixed race studies is one of the fastest growing as well as one of the most important and controversial areas in the field of race and ethnic relations Bringing together pioneering and controversial scholarship from both the social and the biological sciences as well as the humanities this reader charts the evolution of debates on race and mixed race from the nineteenth to the twenty first century The book is divided into three main sections tracing the origins miscegenation moral degeneracy and genetics mapping contemporary and foundational discourses mixed race identities politics and celebration debating definitions multiraciality census categories and critiques This collection adds a new dimension to the growing body of literature on the topic and provides a comprehensive history of the origins and directions of mixed race research as an intellectual movement For students of anthropology race and ethnicity it is an invaluable resource for examining the complexities and paradoxes of racial thinking across space time and disciplines **Empathy and Reading** Suzanne Keen,2022-06-23 This pioneering collection brings together Suzanne Keen s extensive body of work on empathy and reading charting the development of narrative empathy as an area of inquiry in its own right and extending cross disciplinary conversations about empathy evoked by reading The volume offers a brief overview of the trajectory of research following the 2007 publication of *Empathy and the Novel* with empathy understood as a suite of related phenomena as stimulated by representations in narratives The book is organized around three thematic sections theories empathetic readers and interdisciplinary applications each preceded by a short framing essay The volume features excerpts from the author s seminal works on narrative empathy and makes available her harder to access contributions The book brings different strands of the author s research into conversation with existing debates with the aim of inspiring future interdisciplinary research on narrative empathy This book will be of interest to students and scholars in such fields as literary studies
