*Reader Rabbit* Learning Company Books, 2003-08      **Reader Rabbit - Rhyming Words** The Learning Company Books Staff, 2004      **Reader Rabbit** Learning Company Books, 2003-08      Supporting Struggling Readers Barbara J. Walker, 2003

Barbara Walker believes that struggling readers like their more proficient counterparts are active learners in search of meaning. In this revised and expanded edition of *Supporting Struggling Readers* she suggests that teachers can build on these children's strengths the things they can already do to help them broaden the strategies they use to make sense of text. The book examines the phases of literacy and expands on the instructional strategies and assessment techniques that support children's reading development during each phase. To draw together the practical teaching techniques that made the original edition of *Supporting Struggling Readers* so popular Dr Walker has added a chapter that explains how to incorporate these techniques into a framework of effective instruction that supports struggling readers as they progress through the developmental phases of literacy.
