

A Reader in Nineteenth Century Historical Indo-European Linguistics

Winfred P. Lehmann

CHAPTER ONE

SIR WILLIAM JONES

THE THIRD ANNI VERSARY DISCOURSE, ON THE HINDUS

Delivered 2 February, 1786. *Works* I. pp. 19-34.

Editor's Introduction

Sir William Jones's celebrated discourse is given here in full to illustrate the context from which linguistics developed in the nineteenth century. With his contemporaries, Jones was interested in better knowledge of ancient history. In the pursuit of this knowledge, language was only one means. The commemorative address of his successor as president of the Asiatick Society, Sir John Shore, states explicitly that for Jones language was a tool, not an end in itself. "But the judgement of Sir William Jones was too discerning to consider language in any other light than as the key of science, and he would have despised the reputation of a mere linguist. Knowledge and truth, were the object of all his studies, and his ambition was to be useful to mankind; with these views, he extended his researches to all languages, nations, and times." (*Works* I.p.v.) A glance at the other annual discourses supports this statement on Jones's wide interests and the subsidiary position of linguists, which it maintained to the middle of the nineteenth century. Yet the "Desiderata" which Shore found among his papers may indicate that Jones had planned to spend additional time on linguistics: the third desideratum is "A Grammar of the Sanscrit Language, from Panini, etc."; the fourth, "A Dictionary of the Sanscrit Language, from thirty-two original Vocabularies and Niructi."

These proposed undertakings, and citations from his "Dissertation on the Orthography of Asiatick Words in Roman Letters" (*Works* I. pp. 175-228) may indicate that Jones deserves a larger reputation than that for stimulating study of the Indo-European languages and historical linguistics. The views in his third discourse on the origin of our writing system and Devanagari are accurate; the following excerpts from the "Dissertation" indicate a knowledge of phonetics comparable with that of Grimm's successors.

It would be superfluous to discourse on the organs of speech, which have been a thousand times dissected, and as often described by musicians or anatomists; and the several powers of which every man may perceive either by the touch or by sight, if he will attentively observe another person pronouncing the different classes of letters, or pronounce them himself distinctly before a mirror; but a short analysis of articulate sounds may be proper to introduce an examination of every separate symbol.

All things abound with error, as the old searchers for truth remarked with despondence; but it is really deplorable, that our first step from total ignorance should be into gross inaccuracy, and that we should begin our education in England with learning to read the five vowels, two of which, as we are taught to

Reader In Nineteenth Century Historical Indo European Linguistics

N.E. Collinge

Reader In Nineteenth Century Historical Indo European Linguistics:

A Reader in Nineteenth-century Historical Indo-European Linguistics Winfred P. Lehmann, 1967 *A Reader in Nineteenth-century Historical Indo-European Linguistics* Winfred Lehmann, 1967 **Theoretical Bases of Indo-European Linguistics** Winfred P. Lehmann, 2015-01-28 This book presents for the first time in English a complete critical survey of the theory and methodology of Indo European linguistics from its origins two centuries ago to the present day **Doing Humanities in Nineteenth-Century Germany**, 2019-12-09 *Doing Humanities in Nineteenth Century Germany* edited by Efraim Podoksik is a collaborative project by leading scholars in German studies that examines the practices of theorising and researching in the humanities as pursued by German thinkers and scholars during the long nineteenth century and the relevance of those practices for the humanities today Each chapter focuses on a particular branch of the humanities such as philosophy history classical philology theology or history of art The volume both offers a broad overview of the history of German humanities and examines an array of particular cases that illustrate their inner dilemmas ranging from Ranke's engagement with the world of poetry to Max Weber's appropriation of the notion of causality **Handbook of Comparative and Historical Indo-European Linguistics** Jared Klein, Brian Joseph, Matthias Fritz, 2017-09-25 This book presents the most comprehensive coverage of the field of Indo European Linguistics in a century focusing on the entire Indo European family and treating each major branch and most minor languages The collaborative work of 120 scholars from 22 countries *Handbook of Comparative and Historical Indo European Linguistics* combines the exhaustive coverage of an encyclopedia with the in depth treatment of individual monographic studies **The Indo-European Languages** Mate Kapović, 2017-01-20 *The Indo European Languages* presents a comprehensive survey of the individual languages and language subgroups within this language family With over four hundred languages and dialects and almost three billion native speakers the Indo European language family is the largest of the recognized language groups and includes most of the major current languages of Europe the Iranian plateau and the Indian subcontinent Written by an international team of experts this comprehensive single volume tome presents in depth discussions of the historical development and specialized linguistic features of the Indo European languages This unique resource remains the ideal reference for advanced undergraduate and postgraduate students of Indo European linguistics and languages but also for more experienced researchers looking for an up to date survey of separate Indo European branches It will be of interest to researchers and anyone with an interest in historical linguistics linguistic anthropology and language development **Key Concepts in Language and Linguistics** Robert Lawrence Trask, 1999 *A comprehensive critical work* *Key Concepts in Language and Linguistics* is a highly readable A Z guide to the main terms and concepts used in the study of language and linguistics **Linguistic Turns, 1890-1950** Ken Hirschkop, 2019-04-04 *Linguistic Turns* rewrites the intellectual and cultural history of early twentieth century Europe In chapters that study the work of Saussure Russell Wittgenstein Bakhtin Benjamin

Cassirer Shklovskii the Russian Futurists Ogden and Richards Sorel Gramsci and others it shows how European intellectuals came to invest language with extraordinary force at a time when the social and political order of the continent was itself in question By examining linguistic turns in concert rather than in isolation the volume changes the way we see them no longer simply as moves in individual disciplines but as elements of a larger constellation held together by common concerns and anxieties In a series of detailed readings the volume reveals how each linguistic turn invested language as such with powers that could redeem not just individual disciplines but Europe itself It shows how in the hands of different writers language becomes a model of social and political order a tool guaranteeing analytical precision a vehicle of dynamic change a storehouse of mythical collective energy a template for civil society and an image of justice itself By detailing the force linguistic turns attribute to language and the way in which they contrast language as such with actual language the volume dissects the investments made in words and sentences and the visions behind them The constellation of linguistic turns is explored as an intellectual event in its own right and as the pursuit of social theory by other means

History of the Language Sciences / Geschichte der Sprachwissenschaften / Histoire des sciences du langage. 2. Teilband Sylvain Auroux,E.F.K. Koerner,Hans-Josef Niederehe,Kees Versteegh,2008-07-14 Volume 2 treats in great detail and at times quite innovatively the individual stages of development of the study of language as an autonomous discipline from the growing awareness in 17th and 18th century Europe of genetic relationships among a host of languages to the establishment of comparative historical Indo European linguistics in the 19th century from the generation of the Schlegels Bopp Rask and Grimm to the Neogrammarians and the application of the comparative method to non Indo European languages from all over the globe Typological linguistic interests first synthesized by Humboldt as well as the development of various other non historical endeavours in the 19th and the first half of the 20th century such as language and psychology semantics phonetics and dialectology receive ample attention

New Testament Theology and the Greek Language Stanley E. Porter,2022-10-20 In this book Stanley E Porter offers a unique language based critique of New Testament theology by comparing it to the development of language study from the Enlightenment to the present Tracing the histories of two disciplines that are rarely considered together Porter shows how the study of New Testament theology has followed outmoded conceptual models from previous eras of intellectual discussion He reconceptualizes the study of New Testament theology via methods that are based upon the categories of modern linguistics and demonstrates how they have already been applied to New Testament Greek studies Porter also develops a workable linguistic model that can be applied to other areas of New Testament research Opening New Testament Greek linguistics to a wider audience his volume offers numerous examples of the productivity of this linguistic model especially in his chapter devoted to the case study of the Son of Man

The Scope of American Linguistics Robert Austerlitz,2015-09-25 No detailed description available for *The Scope of American Linguistics*

The Routledge Handbook of Historical Linguistics Claire Bower,Bethwyn Evans,2015-03-24

The Routledge Handbook of Historical Linguistics provides a survey of the field covering the methods which underpin current work models of language change and the importance of historical linguistics for other subfields of linguistics and other disciplines. Divided into five sections the volume encompasses a wide range of approaches and addresses issues in the following areas: historical perspectives, methods and models, language change, interfaces, regional summaries. Each of the thirty-two chapters is written by a specialist in the field and provides an introduction to the subject, an analysis of the relationship between the diachronic and synchronic study of the topic, an overview of the main current and critical trends and examples from primary data. The Routledge Handbook of Historical Linguistics is essential reading for researchers and postgraduate students working in this area. Chapter 28 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 3.0 license: <https://www.routledgehandbooks.com/doi/10.4324/9781315794013.ch28>.

Phonological Explorations Bert Botma, Roland Noske, 2012-10-30. The 16 papers contained in this volume address a variety of phonological topics from different theoretical perspectives. Combined they provide an excellent showcase for the diversity of the field. Topics considered include the place of allomorphy in grammar, Dutch clippings, the status of recursion in phonology, the role of contrast preservation in the Grimm-Verner push chain, the phonological specification of Dutch tense and lax monophthongs, the distribution of English vowels in a Strict CV framework, a dependency-based analysis of Germanic vowel shifts, a Radical CV Phonology approach to vowel harmony, emergentist vs universalist perspectives on frequency effects in vowel harmony, the representation of Limburgian tonal accents, durational enhancement in Maastricht Limburgish, high vowels constraint, conjunction in Mandarin Chinese, lexical tone association in Harmonic Serialism, a constraint-based account of the McGurk effect, a case study of the acquisition of liquids in early L1 Dutch, and the learnability of segmentation in Tibetan numerals.

An Encyclopedia of Language N.E. Collinge, 2002-09-11. Examines how language works, accounting for its nature, its use, its study, and its history. Two comprehensive indexes of Topics and Technical Terms and Names. Carefully illustrated to explain key points in the text. This rich repository of information on all aspects of language is a must for all libraries in higher education, schools, and larger public libraries. Library Review. Each article has an excellent bibliography. In addition, there are comprehensive indexes of topics and technical terms and names. Highly recommended for all college and general public libraries. Choice. This important book is in many ways a state-of-the-art survey of current conceptions of and approaches to language, with generous references to more detailed sources. Each chapter has a good bibliography. Language International. A comprehensive guide with very thorough bibliographies. Collinge's Encyclopedia is recommended to academic libraries. Reference Reviews. The bibliographies are an invaluable aid; the editor is to be congratulated for having done an excellent job; there are virtually no areas of language and linguistics that do not get a look in somewhere, and there is good signposting in the text itself. Nigel Vincent, Times Higher Education Supplement.

General Linguistics Francis P. Dinneen, 1995. A comprehensive overview of the development of language studies from the ancient

Greeks through modern theorists this book focuses on determining what the enduring issues in linguistics are what concepts have changed and why Francis P Dinneen SJ defines the basic terminology of the discipline as well as different linguistic theories and he frequently compares underlying assumptions in contemporaneous science and linguistics General Linguistics traces the history of linguistics from ancient Greek works on grammar and rhetoric through the medieval roots of traditional grammar and its assumption that there is a norm for correct speech Dinneen marks the beginning of modern linguistics with Saussure's concept of an autonomous linguistic structure independent of socially imposed norms and he details the theoretical contributions of Sapir Bloomfield Hjelmslev Chomsky Pike and others Dinneen considers the relative merits of the different theories and models evaluating their claims and shortcomings A thorough introduction to linguistics for newcomers to the field this book will also be valuable to linguists psychologists philosophers and historians of science for its evaluations of major theoretical concepts in light of enduring issues and problems in language studies **How New Languages**

Emerge David Lightfoot, 2006-01-05 An engaging account of how new languages come into being arguing that children are the driving force **Historical Linguistics** Charles Jones, 2014-02-04 The contributors to this volume cover the international range of scholarship in the field of Historical Linguistics as well as some of its major themes The work and ideas they discuss are relevant not only to other aspects of Historical Linguistics but also to more general developments in linguistic theory Along with Professor Jones Introduction their comments provide a major overview of Historical Linguistics that will be the reference point for its development for many years to come and form an important contribution to general theories of linguistic behaviour **The English Language and Linguistics Companion** Keith Allan, Julie

Bradshaw, Geoffrey Finch, 2017-09-16 Interested in discovering how language works Daunted by the prospect of studying linguistics at university The English Language and Linguistics Companion is a tool kit for the novice linguist Integrating study skills with substantive coverage it offers an innovative approach to the study of English language and linguistics helping students see how their chosen discipline fits together A one stop resource this practical and highly accessible guide Provides a comprehensive overview of contemporary approaches to the study of language and outlines the contribution of significant scholars to the development of the field Introduces the core topics and concepts of linguistics and the study of language and summarizes key issues in applied linguistics Defines and illustrates the key terms and concepts in the discipline of linguistics Offers practical advice on the skills required when studying linguistics and suggests a range of possible career pathways Illustrates approaches to linguistic research and recommends resources for linguistic inquiry and the study of language Packed full of information and guidance this is an essential resource for prospective linguistics students and anyone with an interest in the study of language **Approaches to Teaching the History of the English Language** Mary Hayes, Allison Burkette, 2017-08-29 The History of the English Language has been a standard university course offering for over 150 years Yet relatively little has been written about teaching a course whose very title suggests its prodigious

chronological geographic and disciplinary scope In the nineteenth century History of the English Language courses focused on canonical British literary works Since these early curricula were formed the English language has changed and so have the courses In the twenty first century instructors account for the growing prominence of World Englishes as well as the English language s transformative relationship with the internet and social media Approaches to Teaching the History of the English Language addresses the challenges and circumstances that the course s instructors and students commonly face The volume reads as a series of master classes taught by experienced instructors who explain the pedagogical problems that inspired resourceful teaching practices Although its chapters are authored by seasoned teachers many of whom are preeminent scholars in their individual fields the book is designed for instructors at any career stage beginners and veterans alike The topics addressed in Approaches to Teaching the History of the English Language include the unique pedagogical dynamic that transpires in language study the course s origins and relevance to current university curricula scholarly approaches that can offer an abiding focus in a semester long course advice about navigating the course s formidable chronological ambit ways to account for the language s many varieties and the course s substantial and pedagogical relationship to contemporary multimedia platforms Each chapter balances theory and practice explaining in detail activities assignments or discussion questions ready for immediate use by instructors

Water, Whiskey, and Vodka Danko Šipka, 2023-11-01 A fascinating cultural and linguistic history of the Slavic languages exploring the deep connections and distinctions between them Water whiskey and vodka are three words that seem to have nothing in common but each of them comes from the same root Water Whiskey and Vodka takes a deep dive into the origins of the Slavic languages from a common ancestor language through various cultural and historical shifts to arrive at the current breadth of languages The book takes a captivating look at the unique sociolinguistic context of the Slavic languages and pays special attention to the cultural subtleties particular to each one and the people who speak it Danko Šipka touches on the origins of the Slavic languages their linguistic similarities and differences word borrowing across them all and the cultural importance of languages even within this family of languages Water Whiskey and Vodka will fascinate readers whether or not they speak Slavic languages interested in the history and development of one or more Slavic languages Writing from the Slavic linguistic tradition where talking about language happens in the public sphere he offers readers a deeper understanding of various Slavic cultural traditions and historical events as they are reflected in their languages

Reader In Nineteenth Century Historical Indo European Linguistics Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such is the essence of the book **Reader In Nineteenth Century Historical Indo European Linguistics**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.

Reader In Nineteenth Century Historical Indo European Linguistics Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Reader In Nineteenth Century Historical Indo European Linguistics free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Reader In Nineteenth Century Historical Indo European Linguistics free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Reader In Nineteenth Century Historical Indo European Linguistics free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Reader In Nineteenth Century Historical Indo European Linguistics. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Reader In Nineteenth Century Historical Indo European Linguistics any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Reader In Nineteenth Century Historical Indo European Linguistics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reader In Nineteenth Century Historical Indo European Linguistics is one of the best book in our library for free trial. We provide copy of Reader In Nineteenth Century Historical Indo European Linguistics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reader In Nineteenth Century Historical Indo European Linguistics. Where to download Reader In Nineteenth Century Historical Indo European Linguistics online for free? Are you looking for Reader In Nineteenth Century Historical Indo European Linguistics PDF? This is definitely going to save you time and cash in something you should think about.
