Klear, 2014 It was 1810 when a group of men from Connecticut roved west to Ohio establishing the first permanent settlement in what became North Ridgeville Led by David Beebe Sr they foraged for food and shelter The pioneer spirit of the aggregation sustained them and others who followed Farming provided sustenance and many farms including those owned by the Solomons Gerharts and others have continued the tradition Education was greatly respected and 10 school districts became part of the community s landscape An early school still stands on Jaycox Road where retired teachers Julie Bajda and Barb Sutton reenacted the roles of teachers from earlier times The former Buffalo Trail became Center Ridge Road the city s main thoroughfare and in 1960 the township developed into a city governed by a mayor council and various department heads Businesses such as Buescher s Hardware and the Bogner Funeral Home opened and remain today Groups of residents cultivated interests into organizations with a goal of working together seamlessly for the good of the community 1985, □□□□□□ □□□□□□ □□□□□□ □□□□ □□□ □□□ *Philippine Almanac*, 1986 **The Art Of War Applied To Wall Street**, *An Introduction to Political Science* Mark R. Amstutz, 1982 *Civil Wars in Rwanda and Burundi* Godfrey Mwakikagile, 2013 This is a historical survey and analysis of some of the bloodiest conflicts in modern times The civil wars in Rwanda and Burundi twin states in the Great Lakes region of East Africa are often explained in simplistic terms even by some political pundits as mere tribal wars rooted in ancient hatred between the Hutu and the Tutsi Ethnicity is indeed a factor But of paramount importance in this conflict between the Hutu and the Tutsi in both countries is the struggle for power although with racial overtones and the exclusion of the Hutu majority from meaningful participation in the political process Therefore the conflicts are not tribal wars but political statements as well probably more than anything else what Tanzanian President Benjamin Mkapa aptly described as military expressions of political intent In this comprehensive study the author also addresses one of the most controversial subjects today conflict resolution in Africa There are no easy answers but the author attempts to provide some of them He covers as much ground as possible trying to come up with solutions not only to the wars in Africa s Great Lakes region but in other parts of the continent as well *Papers Presented*, 1983
