importance of realizing UN Secretary General Kofi Annan's vision of a regional global security mechanism within the next decade. The book reviews the historical tussle between universalism and regionalism as the cornerstone of international security over the past century culminating in the new regionalism that has characterised international relations in recent decades. The complexities of contemporary regional sub regional and other organizations blessed and burdened with overlapping membership evolving mandates and even shifting focal areas are analysed. The multidimensional phenomenon of regional security is explored cultural political and legal with a view to understanding how regional organizations work today. This book is one of those rare offerings a policy oriented prescription for peace and security that is based on factual analysis and creative reasoning. It is a must for national diplomats regional officials and international civil servants. The Reader's Digest Children's Atlas of the World Colin Sale, 1998. Includes more than fifty maps a fact file on each country and territory illustrations of places people landscapes and wildlife an introduction to map making and map reading projects activities and quizzes.
