40 Leveled Cloze Passages That Give Students Practice in Using Context Clues to Build Vocabulary and Comprehension

Edited by Karen Baicker

Name Keesha Date 10-

### Cat Chat

Can cats talk? Fill in the blanks as the author says, "My cat

**M**y cat, Pearl, can't really talk, but she tells me a lot. She does so in her own way. Pearl certainly knows how to communicate her feelings. I just have to pay attention to what she does.

Like all cats, Pearl says, "meow." One kind of meow is a friendly greeting. It means, "Hello, glad to see you."

A very loud meow is different. "Look at me! Something is wrong! I need help!"

Pearl's purr sounds like a motor. It tells me very clearly that Pearl is happy. Pearl purrs softly when she smells food, and when I pet her.

If Pearl rubs against my leg, I know she's saying, "I like you and trust you." When she rolls on her back and stretch her body, she's saying, "I like you and trust you." My cat tells me a lot.

Think About It

What are some of the ways Pearl communicates?

Name Henry Date 4-21 Passage 24

### The Great Wall of China

Fill in the blanks in this article to learn about one of the most amazing structures ever built.

**W**hat's the biggest wall you've ever seen? Is it 30 feet tall? Is it thousands of miles long? Does it show up in some pictures from space? Probably not. There's only one wall that big. It's the Great Wall of China.

Two thousand years ago, China had many enemies. The emperor thought a strong wall would keep China secure. He had people mend old walls. He had them build new walls out of stone and mud. Then they connected them all, making one 3,000-mile-long wall. For the next 1,000 years, other emperors extended the wall. Finally, it stretched for 4,500 miles. Some of it has crumbled. But much of it still stands today. It is a symbol of national pride.

#### Word List

connected  
enemies  
extended  
secure  
symbol

Think About It

What were some of the reasons for building the wall?
