Renowned educators and authors Cathy Collins Block and Susan Israel present an indispensable guide that will give teachers and literacy coaches crystal clear understanding of the evidenced-based instructional practices required by Reading First Legislation along with the tools to incorporate them. The authors further expand the support for enriched classroom practice through evidence and practical how-to advice for additional domains that show proven benefits for students including writing, metacognition and oral language. It also summarizes the educator-relevant provisions and requirements of Reading First and the No Child Left Behind federal programs.
