Bulletin, 1929 **United States Air Force Academy** United States Air Force Academy, The Committed Reader Robert A. Stebbins, 2013 Committed utilitarian reading is either dominantly practical or more or less equally practical and fulfilling Pleasurable reading is conceptualized as an important kind of casual leisure experienced primarily as relaxation active entertainment and sexual stimulation racy pornographic stories Such reading can also be a launching pad for day dreams or lively conversation Self fulfilling reading is explored in a disquisition on the liberal arts hobbies This is no place for speed reading but instead is where we care to pause often to appreciate the artistry of the writing creativity of the plot profundity of the message i e the information it contains and the like And in fulfilling reading we sometimes want to analyze the material This book explores three main motives for reading identified as utilitarian pleasurable and fulfilling Its principal object is to deepen our understanding of why some adults and eager late adolescent readers go in for committed reading or reading that as we strive to acquire literary knowledge and experience necessarily consumes considerable time and requires continuous concentration The conceptual frameworks guiding this endeavor are library and information science and the serious leisure perspective Through their lenses the author examines the reading of books magazines manuals reports and other lengthy material as carried out in the three domains of life work leisure and non work obligation In brief committed reading provides its enthusiasts with knowledge and experience which among other ways are sought acquired interpreted organized and sometimes disseminated within the three domains This book also examines committed reading in daily life its ease convenience affordability and enduring effects There follows a portrait of the various reading environments including music to read by reading at airports and on airplanes reading in one s study in a park on public transit in public libraries and elsewhere This is part of the reader s social world which is further comprised of book clubs bookstores Amazon com censorship author public readings and more **A Child's Guide to Reading** John Albert Macy, 1909 Resources in Education, 1998-10 *Generations and Geographies in the Visual Arts: Feminist Readings* Griselda Pollock, 2005-08-12 In *Generations and Geographies in the Visual Arts* the challenge of contemporary feminist theory encounters the provocation of the visual arts made by women in the twentieth century The major issue is difference sexual cultural and social The book points to the singularity of each artist s creative negotiation of time and historical and political circumstance Griselda Pollock calls attention to the significance of place location and cultural diversity connecting issues of sexuality to those of nationality imperialism migration diaspora and genocide Annual Catalogue of the University of Kansas University of Kansas, 1921 **Journal** Royal Society for the Encouragement of Arts, Manufactures and Commerce, 1864 **Proximate Difference in Aesthetics** K. Malcolm Richards, 2023-09-12 *Proximate Difference in Aesthetics* Jacques Derrida and *Institutional Critique* examines interconnections between the texts of Jacques Derrida and works related to *Institutional Critique* in art At a juncture between philosophy and art texts by Derrida such as *Différance* *Parergon* *Economimesis* and *Force of Law* and works by Marcel Broodthaers Michael Asher Mierle Laderman Ukeles Fred

Wilson Louise Lawler Andrea Fraser Maria Eichhorn and Cameron Rowland reveal shared investments in questions around the archive the institutional frames for art and the collision of aesthetics economics and the law These juxtapositions lead to insights not only into the relevance of Derrida s work to contemporary aesthetics but also into how the approaches of Institutional Critique offer a way of thinking through issues raised by Derrida s texts In being against traditional aesthetics Derrida and the artists under consideration brush up against the foundational premises of the institutions of philosophy aesthetics and art creating productive frictions that expose not only the foundational fictions and premises of their respective fields but also an alternative means of approaching philosophy art and aesthetics The small differences that Derrida and these artists open up through their practice radically reframe ways of thinking about their respective institutions fields and traditions
