Instructional Leadership for School Improvement Sally J. Zepeda, 2013-11-20 This book explores the principal's role in meeting high expectations for student achievement. It provides detailed tips and strategies to show you what principals need to do to assess and promote a culture and climate for school improvement, build teams and support the work they do to create the conditions so that teacher leaders can emerge and monitor school improvement efforts. Subject Leadership and School Improvement Hugh Busher, Alma Harris, 2000-11-17 Curriculum and subject leadership in schools has recently gained substantial attention from both researchers and policy makers. The Teacher Training Agency (TTA) has reinforced the importance of subject leadership in school improvement, proposing a new measure of such leadership competence through the creation of national subject leader standards. NPQSL Subject Leadership and School Improvement reflects critically on the work of subject and curriculum leaders, especially in schools in England and Wales that is those within the policy framework of The National Curriculum and the Teacher Training Agency. The book debates the functions of subject leaders in primary and secondary schools using current research-based conceptual frameworks and considers how they can bring about improvement and change with their colleagues in their subject areas. It emphasizes what is particular about leading and managing the middle realm of education organizations, showing how structural, cultural and individual imperatives and perspectives interact with each other in the professional practice of being a subject leader. The book is of interest not only to subject leaders and curriculum coordinators to help them reflect rigorously on their practice but also to those responsible for supervising them such as headteachers and school governors as well as for those accountable to them. It will be a useful text for serving teachers undertaking higher degrees programmes or programmes for gaining national standards qualifications, the National Professional Qualification for Headteachers (NPQH) as much as for the NPQSL National Professional Qualification for Subject Leaders when it is implemented. **Resources in Education**, 2001-04 *Managing Schools Towards High Performance* A.J. Visscher, 2013-09-13 This text aims to connect school organization theory with the school effectiveness knowledge base. Each chapter presents a comprehensive overview of the knowledge base on the central theme and addresses the question of what is known about the subject as a school effectiveness enhancing condition.
