Woodruff, 2017-01-18 This book is a commentary on the benefits of Salvation The author wants the reader to understand that in a study of Salvation that these benefits are vital to our life This knowledge will bring comfort and strength to their life We realize the exalted position of the believer and things that are available to us as we face the challenges of this world in our sojourn in it Salvation does not exempt us from our reasonable service This also is a cause to help us to thank God for all that is accomplished in our life as part of our salvation experience

Speaking With God's Voice Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it s not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that s you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you re a believer God appoints you to two roles immediately One as the receiver of God s word one as the deliverer of God s word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God s word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God s word It is as they move into the role of deliverer of God s word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required

role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words **It's Your Time** Joel Osteen, 2010-10-05 An exciting message about seizing the day from bestselling author Osteen this work guides readers in activating their faith achieving their dreams and increasing in God's favor **Methodist Magazine and Review**, 1905 **The Ministry of Healing—Illustrated** Ellen G.
